## Reality Of Jesus:

*The Reality of Jesus* Dermot A. Lane, 1975 A synthesis of current thinking on Christology      *The Unknown Jesus* Bob Guccione, Jr., 2021-03-23 This engagingly written and stunning visual celebration brings readers closer to our savior and explores what's fact and what's mostly fiction about Jesus Christ The story of Jesus birth is one of ancient prophecies glorious angels simple shepherds mysterious kings a humble and righteous young couple and a baby who would come to be known as the Savior the Son of God the Prince of Peace Drawing from the Gospels of Matthew and Luke the reader is swept into the world of Roman occupied Galilee two thousand years ago and discovers why Mary and Joseph had to journey to Bethlehem even while expecting a baby Commonly held myths about the Nativity are dispelled and fascinating insights into Mary everyday life in Jesus time and angels are woven throughout This book draws readers into a time a place and a life that would forever change the world      *The Truth About Reality* Anti Christ, 2008-08-15 This book is for you Anti Christ introduces you to yourself your government and to your god People from all walks of life and religion wonder about the validity of religion Are physical creatures eternal beings cast in a prison of flesh or did life accidentally spring forth from the absurd and incoherent twists and turns of evolution The several kinds of reality this book introduces fill the voids of understanding about reality with real knowledge The book is not about religion spirituality occult or anything concretely physical It encompasses all the deceitful control schemes laid on you like obedient dogs in their traces You cannot afford to stay ignorant for your continued existence depends on knowing what and who you are physically and spiritually The mysteries of life are caused by your belief systems To believe means that you do not know Belief is the portal to hell the permanent state of living death knowledge is the portal to reality and eternal life Science and religion cannot give the insight this book brings Whether you believe the material is for you or not you cannot afford to remain ignorant for the route back to true reality is made clear Ignorance always portrays itself as brilliance The world is full of brilliant pretenders My brother Anti Christ leads you from example to example to understand the hoax on which physical reality is based The more real life seems the more you are betrayed and trapped The greatest mystery in the mind is the mystery of yourself Vaguely you all believe to be strangers guilty of something not understood Anti Christ gives you the better outlook on life than any ideology ism or cult you now subscribe to Through believing clever deceits mankind never saw physical awareness for what it is What humanity endlessly searches for lies revealed in the pages of this book It overrules all human and so called godly knowledge I could not have said it better Make it yours Jesus Christ      [Reality Call: Jesus Is Alive](#) Ana Pantoja Cahill, 2012-02      **Living Your Jesus Reality** Erich Fuls, 2012-03-14 Living Your Jesus Reality penned by author Erich Fuls presents that Jesus in Person came to reside in every born again believer Jesus lives here on earth in believers to implement the words and works of Almighty God The author grapples with these questions Why does the world not see Christ fully alive in and active through Christians Have Christians taken Christ out of Christianity The book flags that Christianity is dead apart from Christ living in His people and

He Himself transforming the world through them Readers will be challenged to discover meditate and implement the truth that every believer is supposed to live from through and to Jesus alive in them The sharp shooting and compact style of the 60 essays and poems gives much food for reflection in every section without a long reading requirement This book is for everyone who wishes to know why there is such a glaring discrepancy between what Jesus prepared and promised for all and what one sees in Christian circles today Furthermore this book is for all Christians who are hungry to know and show Jesus in their everyday life for real Every Christian who is tired of a fake self based religious and ritualistic Christianity and seeks revival in his own life will get much blessing from this book Christians who want to live from through and to Jesus Christ in Person here within them need to read this book Faithfully following the Biblical teachings of this book will reveal God Jesus in Person in God s children and in action from within them

**The Reality of Jesus** J. H. Chambers Macaulay,1921 **The Holy Word for Morning Revival - The All-inclusive, Extensive Christ Replacing Culture for the One New Man**

Witness Lee,2020-12-05 This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the Thanksgiving weekend conference webcast from Anaheim California on November 26 29 2020 The general subject of the conference was The All inclusive Extensive Christ Replacing Culture for the One New Man Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ

Jesus Christ a reality John Raleigh Mott,Jesus Christ,1907 **Simulating Jesus** George Aichele,2015-01-30 Can the different pictures of Jesus in the New Testament be reconciled Or are they simply simulations the products of a virtual Gospel Simulating Jesus argues that the gospels do not represent four versions of one Jesus story but rather four distinct narrative simulacra each of which is named Jesus The book explores the theory and evidence justifying this claim and discusses its practical and theological consequences The simulations of Jesus in each of the gospels are analysed and placed alongside Jesus simulacra elsewhere in the Bible and contemporary popular culture Simulating Jesus offers a radical understanding of Scripture that will be of interest to students and scholars of biblical studies **Telling Each Other the Truth** William

Backus,2006-02-01 Proven Healing Ways to Speak the Truth in Love Now in a fresh package this classic on learning the art of true communication is good news for all The author uses Scripture case histories and dialogue to impart timeless principles that can heal damaged relationships strengthen everyday communication and help people avoid the traps of manipulation that often disrupt the free flow of honest discussion Readers will find this information invaluable in every relationship of life especially those that don t come easy *Jesus "The Way, The Truth and The Life"* Thd Bish,2011 Jesus The Way The Truth and The Life will prove that Jesus is the only Way to God the very embodiment of all Truth and the very essence of Life just as He declared of Himself in the fourteenth chapter and sixth verse of the gospel of John by saying I am the way the truth and the life and that no one comes to the Father except through Me This book will show using systematic

theology proofs and truth arguments that Jesus is exactly who He says He is confirmed by God the Father the Holy Spirit and by Christ Himself Jesus said in Mark 8 27 of scripture Who do you say I Am This book will make it obvious why you must answer this pointed question just as Peter did in claiming to Jesus that You are the Christ the Son of the Living God Time is getting short and Jesus is on His way back to earth It s not a time to be confused or wrong on issues having eternal consequences Though the book reads as a college textbook it forces you to think and study the word of God The book is most valuable in a curriculum setting or for those interested in Christian apologetics Jesus is compared to a myriad of other secular philosophies both past and present and as a result it is conclusively obvious that Jesus is the way truth and the life and all others are false This book stands on the foundation that a relationship with God thru Christ is by faith alone Sola Fide by grace alone Sola Gratia by Christ alone Solus Christus by scripture alone Sola Scriptura and with glory to God alone Soli Deo Gloria Dr Ronald N Bish ThD received his Doctorate from Freedom Bible College in Systematic Theology and Apologetics and also holds a Master Degree in Mechanical Engineering For further information contact [www.ronaldbish.com](http://www.ronaldbish.com)

A *Grammar of the Ethics of John* Jan G. van der Watt, 2019-11-12 Jan G van der Watt analyses in detail the ethics of John s letters against their respective socio historical backgrounds He then compares the ethics of the Gospel and Letters showing that the basic core narrative overlaps in these writings although some ethical material is applied in different ways to different situations A rich ethical landscape is revealed addressing issues like the importance of interpersonal relations which results in co operation through mutual love The author shows that the focus in 1 John is pastoral aiming at convincing the addressees not to be deceived by their schismatics but to strengthen their relationships with the eyewitness group In 2 John advice is given about visitors who threaten the church with false teachings while 3 John deals with a conflict about receiving travelling missionaries In both cases ethical guidelines are given which aim at protecting the group Volume 2 Dust Jacket Inside front Flap *Entering into the Fourth Stage of the Experience of Life to Arrive at a Full-grown Man for the Fulfillment of God's Purpose* Witness Lee, 2013-10-13 *The Collected Works of Witness Lee, 1990, volume 3* Witness Lee, 2021-05-28 The Collected Works of Witness Lee 1990 volume 3 contains messages given by Brother Witness Lee from August 15 through November 24 1990 Brother Lee remained in Anaheim California from the first part of May until the end of the third week in August During that time he visited Long Beach California At the end of August Brother Lee visited San Francisco San Jose and Berkeley California In early September he returned to Anaheim and remained there until the middle of October During that period he briefly visited San Diego and San Bernardino California In the middle of October Brother Lee traveled to the Far East and remained there until the first part of November During that period he visited Taipei Taiwan and then Kota Kinabalu Sibul Kuching and Petaling Jaya Malaysia In the middle of November he returned to Anaheim and remained there until the end of the year The contents of this volume are divided into ten sections as follows 1 Six messages given in Anaheim California on August 15 through September 26 These messages were previously published in a book entitled The Prophecy of

**Historicity of Jesus** Shirley Jackson Case,1912 **The Selfish America** Gregory Ransaw,2016-07-28 America today is a shadow of what it once was Over the past forty years people have turned away from God and instead accepted the flawed view that morality is subjective and personal As a country we have discarded the idea that there is an absolute right and an absolute wrong This is spread through our universities where students learn only the scientific perspective without completing their education in religion and morality This has created untold social problems from the 2008 market crash to the widespread abuse of drugs and alcohol The Selfish America looks closely at the transcendent reality of absolute morality and how it can be used to reestablish the word of God in our country With these steps we can save America and reestablish our moral foundations This can only be done through acknowledging that there is a transcendent physical reality a transcendent intellectual reality and a transcendent moral reality in God **The Gardeners' Dirty Hands** Noah Toly,2019

In *The Gardeners Dirty Hands* Environmental Politics and Christian Ethics Noah Toly engages Christian and classical Greek ideas of the tragic to illuminate the enduring challenges of environmental politics He suggests that Christians have unique resources for responsible engagement with global environmental politics
