The Reappearance of Christ in the Etheric Rudolf Steiner, 2022-03-01 Since the coming of Gautama Buddha Eastern mystics have spoken especially about a future condition when earth will be bathed in a moral etheric atmosphere Ever since the time of the ancient rishis they had hoped that this moral impulse would come to earth from Vishva Karman or from Ahura Mazda as Zarathustra proclaimed Eastern mysticism foresaw that this moral atmosphere would come to earth from the being we call the Christ Eastern mystics had set their hopes on the being of Christ Rudolf Steiner p 125 The first chapter of the Acts of the Apostles describes Christ s Ascension and a cloud received him out of their sight As the disciples were looking up two angels appeared and said the same Jesus taken up from you into heaven shall come again in the same way as you have seen him go Starting in 1910 Rudolf Steiner initiated a series of lectures announcing the advent of Christ s appearance in the sphere of the earth s etheric or life body This he said would begin between 1930 and 1940 but at first only a few people would be aware of it In time more and more people regardless of their religious affiliation would be infused by Christ s living presence Such Damascus experiences bespeaking a new natural clairvoyance Steiner said would become increasingly common The Christ will become a living
