REASONS for HOPE GateWay Church, 2018-02-09 Our culture is in a crisis of conflicting beliefs We have different political beliefs religious viewpoints cultural practices and personal convictions The complexity of life leaves many wondering if anything can be trusted or true Can people in power be trusted Can governments politicians banks police and educators all be trustworthy How about organized religion As a result many people are confused and skeptical trusting no one believing in nothing Sometimes our beliefs let us down because they are not based in truth Many of us grew up believing in God but we also believed in Santa Claus the Easter Bunny and the Tooth Fairy We are left to wonder Who can we really trust and what is really true In this we long for clear and credible answers to our biggest spiritual questions Is it rational for you and I to believe in a literal Jesus who rose from the dead Can we trust the Bible as a source of

truth Is there really a heaven or is it just a myth And what about God does He exist How can we know that and if He is real can He be trusted The good news is that you don't have to throw your brains in the garbage can in order to be a person of faith Life's most important questions can be answered reasonably and reliably There are reasons for us to trust and reasons for us to believe Most importantly There are reasons for us to hope That's what this series is all about Life is about to get much more certain and sensible for you Join us in this six week study and get ready to experience fresh hope in your life But in your hearts revere Christ as Lord Always be prepared to give an answer to everyone who asks you to give the REASON FOR THE HOPE that you have 1 Peter 3:15 Pastor David

Hope Under Oppression Katie Stockdale, 2021-06-17 We have all been told at one time or another to never give up hope It's a common injunction to children but as we grow older sustaining hope becomes more challenging particularly in a world we come to see as often frightening dark and unjust But what is this thing hope and why is hope so valuable that we are so often urged to preserve and protect it This book explores the nature and essential role of hope in human life under conditions of oppression Oppression is often a threat and damage to hope yet many members of oppressed groups including prominent activists pursuing a more just world find hope valuable and even essential to their personal and political lives Katie Stockdale offers a unique evaluative framework for hope that captures its intrinsic value the rationality and morality of hope and ultimately how we can hope well in the non-ideal world we share She develops an account of the relationship between hope and anger about oppression and argues that when people are angry about oppression they tend to also harbour hope for repair When people's hopes for repair are not realized as is often the case for those who are oppressed their anger can evolve into bitterness They feel unresolved anger as a result of losing hope that injustice will be sufficiently acknowledged

and addressed Fortunately things do not have to be this way Even when people may feel that they have lost all hope faith can help them to be resilient in the face of oppression They can join with others who share their experiences or commitments for a better world uniting with them in collective action By doing so they can strengthen hope for the future when hope might otherwise be lost Ultimately this work illustrates the crucial value of hope for both individuals and collectives in the pursuit of justice and in an increasingly uncertain world *Some Reasons of Our Christian Hope* Edward Thomas Vaughan,1876

REASON FOR HOPE Patrick J Vaughan,2014-12-03 I was stirred to write this because I believe in my heart that there are many who are losing hope With all the uncertainties and calamities going on in the world and our own personal lives I can understand this to some reason But the main reason people are losing hope is that we are focused on the wrong things We are looking at the wrong direction listening to the wrong people and getting all the wrong answers and promises from those who lie and deceive Below is the first few paragraphs to my book which will give more insight Hope deferred makes the heart sick Proverbs 13 12 I have this word Hope burning in my spirit in this season I believe that there are many out there although they may appear all right on the surface are disappointed in their dreams are fearful and worried do not see a future and are very troubled in both heart and mind The lack of hope or seemingly not having hope at all is very disturbing and will bring you to great depression which will kill any ambition I am here to say and to tell you and assure you that all is not lost I want to assure you that hope is real and we all have a reason for hope no matter how dark your circumstances are and no matter how bleak your future appears Our verse above tells us that hope deferred makes the heart sick Deferred means to be delayed or to be postponed temporarily I hope that you have grasped our first point Our first point being that what you are hoping for is not gone or lost and not within your grasp and your future It is just delayed and just temporarily postponed If deferred hope makes the hearts sick what does the lack of or the perception of no hope do to a person Do not believe the lie that there is never any hope There is always hope That thing that you are expecting and dreaming about will eventually and assuredly happen and come to pass Even if your at the end of your rope hang on push in and press forward there is always hope **Got Questions? Reasons Book 4** Shari Abbott,2019-11-12 Reasons Book 4 features 31 questions

about the Bible and faith The world is changing and moving farther away from biblical principles and truth Morals and ethics have become situational and truth has become relative We wonder what hope there is for the future of our country and for the world As Christians we know that we have reasons for hope and those reasons begin with our true Hope the Lord Jesus Christ But are we prepared with answers answers for skeptics non believers and even for ourselves When questions arise and uncertainty confronts us do we have the knowledge we need to stand firm in our faith and find hope in the Lord This book presents real questions from real people 31 questions answered with reasoning from God s Word **"A Reason for the**
