

REASSESSING FATHERHOOD

NEW OBSERVATIONS ON FATHERS AND THE HIDDEN FAMILY

Edited by
Charlie Lewis and Margaret O'Brien

Reassessing Fatherhood

Richard Collier, Sally Sheldon

Reassessing Fatherhood:

Reassessing Fatherhood Charlie Lewis, Margaret O'Brien, 1987 Much recent literature on fathers conveys the optimistic message that men are becoming increasingly involved in family life and that such participation is necessarily beneficial This book contends that evidence for the new father is in reality hard to find and that the paternal role persists in being limited by social institutional and personal forces The book's contributors psychologists and sociologists from Britain Australia Scandinavia and North America examine the problematic nature of fatherhood from three different perspectives Part One examines research evidence from studies of fathers in typical families Chapters look at the history of paternal roles the employment of both fathers and mothers and men's involvement with other members of the family all share the thesis that given contemporary ideologies fathering is necessarily limited Part Two critically reviews research on men who encouraged by enlightened social policy makers have attempted to become more involved in child care and domestic responsibilities The contributors point out the contradictions between the expectations of the policy makers and the realities of family life greater involvement in the home by men usually causes stress and difficulties for other members particularly mothers Part Three considers the position of men in therapeutic settings where the father is often seen as a passive opaque figure with whom it is difficult to work and offers sound advice on how family workers can incorporate men into counselling social work and therapy Two chapters also investigate the role that custody arrangements play in the divorced father's life

Reassessing Fatherhood provides a fresh and often provocative view of the modern father that will change the complacent and euphoric vision of the new family Reshaping Fatherhood Anna Dienhart, 1998-05-27 Current research on fatherhood often focuses on minimal changes men have made in their participation in family life Anna Dienhart argues that men have indeed made significant changes to their family roles but those changes are often masked in existing discourses on fatherhood In Reshaping Fatherhood Dienhart's qualitative study of 18 shared parenting couples explores both men's and women's resourcefulness and shows how these couples have deliberately co-created alternatives to traditional parenting roles Using these narrative accounts Dienhart offers several options for creating a family structure that allows both mothers and fathers to participate actively in parenting Dienhart emphasizes that tag team parenting a common technique that couples use to juggle the responsibilities of a hectic family life relies on both the interchangeability of parental tasks as well as the specialization by preference Dienhart compares shared parenting to a dance that demands continuous revision of the perceptions and activities of fatherhood and motherhood She challenges family researchers to move beyond deficit and comparative model perspectives about the complexities of gendered family life as she offers alternative ideas about division of labor patterns men's relational capabilities in child care the preeminence of men's provider role and traditional notions about gender and politics in families This timely book is ideal for professionals and students in family studies sociology of the family family psychology and gender studies **Fragmenting Fatherhood** Richard Collier, Sally Sheldon, 2008-09-05

Debates about the future of fatherhood have been central to a range of conversations about changing family forms parenting and society Law has served an important yet often neglected role in these discussions serving as an important focal point for broader political frustrations playing a central role in mediating disputes and operating as a significant symbolic state sanctioned account of the scope of paternal rights and responsibilities *Fragmenting Fatherhood* provides the first sustained engagement with the way that fatherhood has been understood constructed and regulated within English law Drawing on a range of disparate legal provisions and material from diverse disciplines it sketches the major contours of the figure of the father as drawn in law and social policy tracing shifts in legal and broader understandings of what it means to be a father and what rights and obligations should accrue to that status In thematically linked chapters cutting across substantive areas of law the book locates fatherhood as a key site of contestation within broader political debates regarding the family and gender equality Multiple visions of fatherhood evolving unevenly over time across diverse areas of law emerge from this analysis Fatherhood is revealed as an essentially fragmented status and one which is intertwined in complex ways with the legal cultural and political contexts in which discourses of parenthood are produced *Fragmenting Fatherhood* provides an important and unique resource speaking to debates about fatherhood across a range of fields including law and legal theory sociology gender studies social policy marriage and the family women s studies and gender studies

Intimate Fatherhood Esther Dermott, 2014-06-11 Fatherhood is gaining ever more public and political attention stimulated by the increasing prominence of fathers rights groups and the introduction of social policies such as paternity leave *Intimate Fatherhood* explores discourses of contemporary fatherhood men s parenting behaviour and debates about fathers rights and responsibilities The book addresses the extent to which fatherhood has changed by examining key dichotomies culture versus conduct involved versus uninvolved and public versus private The book also looks at longstanding conundrums such as the apparent discrepancy between fathers acceptance of long hours spent in paid work combined with a preference for involved fathering Dermott maintains that our current view of good fatherhood is related to new ideas of intimacy She argues that in order to understand contemporary fatherhood we must recognise the centrality of the emotional father child relationship that the importance of breadwinning has been overstated and that flexible involvement is viewed as more important than the amount of time spent in childcare Drawing on original qualitative interviews and large scale quantitative research *Intimate Fatherhood* presents a sociological analysis of contemporary fatherhood in Britain by exploring our ideas of good fatherhood in relation to time use finance emotion motherhood and policy debates This book will interest students academics and researchers in sociology gender studies and social policy

The American Father Wade C. Mackey, 2013-06-29 In *The American Father* Wade C Mackey documents a wealth of information demonstrating the vast benefits to society when its children are raised in families with fathers The biopsychosocial approach Mackey in human employs is consistent with the current treatment of topics development This approach which is grounded in a variety of diverse sources assumes that we

understand little about people when we study them a bit at a time rather the fullness of the individual requires a fullness of examination For example in the cases of fathers we note that humans do not reproduce alone after all we are not an asexual species No human reproduction and its sequelae are social just as clearly as they are biological and involve the whole panoply of psychic function motivation sociability intelligence and the like The evidence marshaled by Mackey indicates strongly that individuals and societies have an essential requirement for something more than mothering they also need fathering Much of the discourse and publication on fathers during the past several decades has been posited on a more is better model of male parenting in which it is seldom stated who it is better for the father the child the mother the couple or the family Further much of this discussion infers that fathers are merely Mr Moms yet this is not so

Handbook of Studies on Men and Masculinities Michael S. Kimmel, Jeff Hearn, Robert W. Connell, 2004-07-20 In the past research in the field of gender has mainly addressed issues about women and has for the most part been developed by women Recently the study of gender has rapidly expanded and there has been a growing interest in men's and boys identities conduct and problems The Handbook of Studies on Men and Masculinities is an interdisciplinary and international culmination of the growth of men's studies that also offers insight about future directions for the field The Handbook provides a broad view of masculinities primarily across the social sciences with the inclusion of important debates in some areas of the humanities and natural sciences The various approaches presented in this Handbook range across different disciplines theoretical perspectives methodologies and conceptualizations in relation to the topic of men Editors Michael S Kimmel Jeff Hearn and Robert W Connell have assembled an esteemed group of contributors who are among the best known experts in their particular fields The Handbook of Studies on Men and Masculinities examines the construction of masculinities in four different frames the social organization of masculinities in their global and regional iterations the institutional reproduction and articulation of masculinities the ways in which masculinities are organized and practiced within a context of gender relations and the ways in which individual men express and understand their gendered identities The Handbook is organized in a way that moves from the larger global and institutional articulations of masculinities to the more intimate and personal expressions The Handbook of Studies on Men and Masculinities provides scholars researchers and students with the most current incisive scholarship available for the men's studies area of gender studies It is a vital resource for those interested in the practical or cultural issues about men boys and gender as well as an excellent addition to any academic library

Deconstructing Developmental Psychology Erica Burman, 2016-11-22 In this completely revised and updated edition Deconstructing Developmental Psychology interrogates the assumptions and practices surrounding the psychology of child development providing a critical evaluation of the role and contribution of developmental psychology within social practice Since the second edition was published there have been many major changes This book addresses how shifts in advanced capitalism have produced new understandings of children and a new and more punitive range of institutional responses to

children It engages with the paradoxes of childhood in an era when young adults are increasingly economically dependent on their families and in a political context of heightened insecurity The new edition includes an updated review of developments in psychological theory in attachment evolutionary psychology theory of mind cultural historical approaches as well as updating and reflecting upon the changed focus on fathers and fathering It offers new perspectives on the connections between Piaget and Vygotsky and now connects much more closely with discussions from the sociology of childhood and critical educational research Coverage has been expanded to include more material on child rights debates and a new chapter addresses practice dilemmas around child protection which engages even more with the raced and gendered effects of current policies involving children This engaging and accessible text provides key resources to inform better professional practice in social work education and health contexts It offers critical insights into the politics and procedures that have shaped developmental psychological knowledge It will be essential reading for anyone working with children or concerned with policies around children and families It was also be of interest to students at undergraduate and postgraduate levels across a range of professional and practitioner groups as well as parents and policy makers

Men, Gender Divisions and Welfare Jeanette Edwards, Jeff Hearn, Prof Jeff Hearn, Jennie Popay, 2002-05-03 A fresh look at the balance of responsibilities and control in care giving both in the public and private spheres Using previously unpublished empirical data contributors focus on male experiences of welfare services

Family Life and Family Policies in Europe Franz-Xaver Kaufmann, 2002 This volume is a comparative study of family change in Europe and its dependency on social policy regimes The authors explore family discourse family law single parents gender relations the new fathers divorce and abortion within the framework of national policies vis a vis the family Conventional wisdom assumes that policy decisions affecting the life situation of a population shape different opportunities for private living particularly in relation to children and the family But the authors argue it would be too simplistic to assume a direct causal link between welfare policies for the family and developments in the family sector Family change is in fact mediated by institutional factors as well as by cultural traditions and political intervention The chapters in this volume deal with the substantial and methodological problems of ascertaining the impact of different national policy regimes on family change

Fatherhood William Marsiglio, 1995-04-03 Shifting marriage and divorce patterns transformation in the workplace the growth of the women s movement and the development of the men s movement all these social and cultural changes have changed fathers traditional family roles and forced a reexamination of how fathers and children interact Progress in this new understanding of fathers is highlighted in Fatherhood a volume of empirical and theoretical research on fathers in families The research pieces written by such well known scholars as Furstenberg Seltzer and Greif examine differences in culture class nationality and custodial status The chapters focus on legal economic and policy questions as well as on the interaction between fathers and children within the family Some of the topics explored are fathers involvement in child care fathering in the inner city and single fathers who have custody of their

children Fatherhood is the most current assessment of our research base on fatherhood available for professional scholarly and classroom use and is important reading for those interested in men s studies family studies gender studies sociology psychology and social work

Slow Motion Lynne Segal,1990 The pioneering anthology *Home Girls* features writings by Black feminist and lesbian activists on topics both provocative and profound Since its initial publication in 1983 it has become an essential text on Black women s lives and writings This edition features an updated list of contributor biographies and an all new preface that provides a fresh assessment of how Black women s lives have changed or not since the book was first published Contributors are Tania Abdulahad Donna Allegra Barbara A Banks Becky BIRTHA Julie Carter Cenen Cheryl Clarke Michelle Cliff Michelle T Clinton Willie M Coleman Toi Derricotte Alexis De Veaux Jewelle L Gomez Akasha Gloria Hull Patricia Jones June Jordan Audre Lorde Raymina Y Mays Deidre McCalla Chirlane McCray Pat Parker Linda C Powell Bernice Johnson Reagon Spring Redd Gwendolyn Rogers Kate Rushin Ann Allen Shockley Barbara Smith Beverly Smith Shirley O Steele Luisah Teish Jameelah Waheed Alice Walker and Renita Weems

Constructing Fatherhood Deborah Lupton Lesley Barclay,Professor Deborah Lupton,Professor Lesley Barclay,1997-08-22 It is a very impressive book Its coverage of contemporary discourses of fatherhood is comprehensive The theoretical stance is one that allows for complexity and fluidity The authors write well making even esoteric sociological and cultural theory accessible I recommend it *British Journal of Social Work* *Constructing Fatherhood* provides an analysis of the social cultural and symbolic meanings of fatherhood in contemporary western societies The authors draw on poststructuralist theory to analyze the representation of fatherhood in the expert literature of psychology sociology and the health sciences and in popular sources such as television film advertisements and child care and parenting manuals and magazines Men s own accounts of first time fatherhood are also drawn upon including four individual case studies

Family Law John Dewar,Stephen Parker,2003-04-14 This volume contains an edited selection of the papers by contributors from around the world delivered at the 10th World Conference of the International Society of Family Law The papers cover three broad themes innovations in processes for resolving and determining family disputes changing patterns in family and professional practices and the political and other pressures operating on family law systems and law reform processes

Spaces of Masculinities Kathrin Hörschelmann,Bettina van Hoven,2013-03-07 Changing circumstances in Western and global societies have introduced new constraints and opportunities for men and the formation of male identities Meanwhile the emerging diversity of atypical identities atypical when compared with traditional conceptions of middle class white heterosexual men poses new challenges for the production and use of spaces *Spaces of Masculinities* provides a comprehensive introduction to the innovative and diverse research on spaces of masculinity Drawing on a variety of geographical research projects the central concern of the book is to highlight the significance of research on masculinity in sociological and geographical work dealing with constructions of gender

Fathers in Cultural Context David W. Shwalb,Barbara J. Shwalb,Michael E. Lamb,2013 First Published in 2013

Routledge is an imprint of Taylor Francis an informa company **Taking Care of Men** Anthony McMahon,1999-08-13 The idea of the sensitive post feminist new man has received great attention This book sets out to determine how much of the hype is based on fact and why such images have proliferated in the media McMahon focuses on the pivotal issue of men s relationship to the vital daily work of caring for people both physically and emotionally revealing much confusion about the extent and the interpretation of change Using statistical data as well as interview transcripts and media analysis McMahon draws insightful distinctions between pleasure and performance assistance and responsibility gendered personality and gendered jobs and underlying all between consumption and production Incorporating social theory psychology and popular culture this book argues that recent social conversation about men largely avoids the important political point that men s material interests provide a major motivation for resistance to pro equity change **Birth Fathers and their Adoption**

Experiences Gary Clapton,2002-10-21 Written in an accessible style with insights into adoption and social work practice past and present Birth Fathers and their Adoption Experiences offers a vital new perspective on understanding the causes and consequences of adoption and makes positive suggestions for working with those whom it affects **Midwifery Practice** Jo Alexander,Valerie Levy,Sarah Roch,1993-11-11 This latest volume in the immensely popular Midwifery Practice Series deals with a further set of important issues this time drawn from all three stages of care during pregnancy The chapter structure adopted in the first three books is retained and as before presentation of a broad ranging survey and analysis of key research literature placed in the context of clinical practice is the guiding philosophy behind the whole book

Fathers and Families Henry B. Biller,1993-01-21 Biller well known for his extensive research into the impacts of involved fathering or the absence thereof provides a comprehensive straightforward analysis of just how important paternal involvement really is He describes the great advantages accruing to a child when the father as well as the mother actively participates in the parenting process Fathers who sustain high interest and a true presence in a child s nurturing significantly influence body image self esteem moral standards intellectual achievement and social competency The benefits Biller shows extend beyond the father child relationship and include heightened spousal satisfaction and a sense of overall family well being The reciprocal influences of father mother and child development are considered within a lifespan biopsychosocial perspective This is an important and compelling treatment of a topic of immense concern not only to individual families but to society as a whole Biller by relating specific issues to fathers roles and influences offers the first integrated analysis of just how important a father s caring presence and active involvement is to his child s and spouse s psychosocial well being This balanced study of paternal factors addresses not only such issues as nurturance discipline and the cultivation of self esteem intelligence and creativity but also family problems so evident in current society There is a thorough analysis concerning complex connections among gender roles parenting and personality development The work is highly substantive realistic and encouraging in its potential for guidance and offers insightful useful conclusions on paternal

behavior and influences *Fathering, Masculinity and the Embodiment of Care* Gillian Ranson, 2015-11-03 Many fathers are now providing hands on engaged care to babies and young children This book draws on observations of and interviews with caregiving fathers as well as analyses of fathers memoirs and online blogs to examine fathers caregiving work as embodied practice and as lived experience

Reassessing Fatherhood Introduction

In today's digital age, the availability of Reassessing Fatherhood books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Reassessing Fatherhood books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Reassessing Fatherhood books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Reassessing Fatherhood versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Reassessing Fatherhood books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Reassessing Fatherhood books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Reassessing Fatherhood books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the

Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Reassessing Fatherhood books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Reassessing Fatherhood books and manuals for download and embark on your journey of knowledge?

FAQs About Reassessing Fatherhood Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Reassessing Fatherhood is one of the best book in our library for free trial. We provide copy of Reassessing Fatherhood in digital format, so the resources that you find are reliable.
