**Rebellion and Factionalism in a Chinese Province** Keith Forster, 1990 A detailed case study of provincial politics during the decade long Cultural Revolution which analyzes the form and changing nature of mass organizations established in China by 1966 The text traces their evolution activities and ultimate dissolution ten years later

**Mao's Invisible Hand** Sebastian Heilmann, Elizabeth J. Perry, 2020-10-26 Observers have been predicting the demise of China's political system since Mao Zedong's death over thirty years ago The Chinese Communist state however seems to have become increasingly adept at responding to challenges ranging from leadership succession and popular unrest to administrative reorganization legal institutionalization and global economic integration What political techniques and procedures have Chinese policymakers employed to manage the unsettling impact of the fastest sustained economic expansion in world history As the authors of these essays demonstrate China's political system allows for more diverse and flexible input than would be predicted from its formal structures Many contemporary methods of governance have their roots in techniques of policy generation and implementation dating to the revolution and early PRC techniques that emphasize continual experimentation China's long revolution had given rise to this guerrilla style decisionmaking as a way of dealing creatively with pervasive uncertainty Thus even in a post revolutionary PRC the invisible hand of Chairman Mao tamed tweaked and transformed plays an important role in China's adaptive governance

*Maoism and Grassroots Religion* Xiaoxuan Wang, 2020-03-04 Maoism and Grassroots Religion explores grassroots religious life under and after Mao in Rui'an County Wenzhou of southeast China a region widely known for its religious vitality Drawing from unexplored local state archives records of religious institutions memoirs and interviews it tells the story of local communities encounter with the Communist revolution and its consequences especially competition and struggles for religious property and ritual space Rather than being totally disrupted Xiaoxuan Wang shows religious life under Mao was characterized by remarkable variety and unevenness and was contingent on the interactions of local dynamics with Maoist campaigns including land reform the Great Leap Forward and the Cultural Revolution The revolutionary experience strongly determined the trajectories and development patterns of different religions inter religious dynamics and state religion relationships in the post Mao era Wang goes beyond the image of totalistic control and suppression to show how Maoism is relevant to religious revitalization in the post Mao era and more broadly the modern fate of Chinese religions and secularism in East Asia Maoism permanently altered the religious landscape in China especially by inadvertently promoting the localization and even in some areas expansion of Protestant Christianity as well as the reinvention of traditional communal religion Contrary to the popular image of total suppression and disruption during the

Mao years this book shows that religious changes under Mao were highly complex and contingent on a confluence of political campaigns local politics and community responses The post Mao religious revival had deep historical roots in the Mao years Wang argues and cannot be explained by contemporary economic motives and cultural logics alone This book calls for a new understanding of Maoism and secularism in the People s Republic of China

**Provincial Strategies of Economic Reform in Post-Mao China** Peter T.Y. Cheung, Jae Ho Chung, Zhimin Lin, 2016-12-05 Focusing on the role of provincial leadership in the initiation and implementation of economic reform this text studies economic decentralization in eight Chinese provinces In each area resource allocation and acquisition of foreign capital and investment are investigated

The Chinese Economy in Crisis Xiaohu (Shawn) Wang, An'gang Hu, 2015-04-29 The authors of this work argue strongly that the decentralization that has taken place in China over the past two decades threatens to undermine the future of reform and perhaps even the state itself They contend that reform has undermined state capacity in China and that the state s fiscal revenues as a percentage of GNP have declined and will continue to decline into the foreseeable future thereby weakening China s ability to mobilize resources for modernization

**Chinese Provincial Leaders** Alan M. Glassman, Deone Zell, Shari Duron, 2005 An emergent approach to organizational strategy making assumptions that few organizations actually realize the goal of deliberative top down strategic planning and that effective strategy making occurs on a continual basis and is a shared activity of the entire organization This innovative book provides the first in depth look at how real organizations are formulating and implementing strategic change under this new paradigm The authors have dug deep into three large and varied organizations Hewlett Packard the California State University system and the County of Los Angeles and identified each one s efforts to develop a new strategic planning process better suited to match the current pace of change and environmental unpredictability The book is filled with vignettes quotes and real world examples that illustrate the trend toward faster more adaptive strategic planning processes It is relevant for a wide range of business governmental and non profit settings and should be required reading in any course on strategic planning

Chinese Political Culture Shiping Hua, Andrew J. Nathan, 2016-07-08 Until this book there has been no comprehensive methodologically aware study of all aspects of Chinese political culture The book is organized into three major areas Chinese identities and popular culture regional identities anti politics attitudes Hong Kong identity public opinion surveys the Beijing area Chinese workers the Shanghai area and ideological debates the new Confucianism masculinity and Confucianism why authoritarianism is popular in China the decline of Chinese official ideology Here is the first work that reveals just how much how rapidly and how dramatically China is changing and why our perceptions of China must keep pace
