The Father's Heart Bobby Howard, 2013-11-20 We Have a Problem Jesus said that where His Spirit is there is liberty yet too many believers today are not free We have embraced Christian belief but our faith is not working right The boldness joy and liberty of Christ do not yet mark us Instead we allow sin and its consequences to define our Christian faith and identity We strive to reach impossible standards of religious and moral performance which lead us through endless cycles of religious success and failure We are another Israel in bondage in need of deliverance We need another exodus In *The Father s Heart Another Exodus* you will encounter God s perfect love for you as you explore the Father s heart be empowered as you embrace your God breathed identity and purpose in Christ experience freedom from religion and moral performance as you shed shame and condemnation In *The Father s Heart Another Exodus* revisit the cross and allow its good news message of grace to shine as brightly for you today as it did the day Christ was nailed to it Leave behind the religious baggage you have carried and reclaim the faith that brings life as you embrace the heart of the Father Every generation has taken some issue with its predecessors and rightly so However few critics identify the real fundamental issues and even fewer give substantial solutions Bobby Howard has not only put his finger on the right issues of our religiosity but also gracefully pointed us in the right direction toward our liberty and acceptance in Christ This kid has done us all a big favor by writing this book Read it Alan Platt Founder and Leader of Doxa Deo Ministries **American Book Publishing Record** ,2004 **Forthcoming**
