Inventing Edward Lear Sara Lodge, 2018-11-30 Edward Lear the father of nonsense wrote some of the best loved poems in English He was also admired as a naturalist landscape painter travel writer and composer Awkward but funny absurdly sympathetic Lear invented himself as a Victorian character Sara Lodge offers a moving account of one of the era's most influential creative figures **Ways of Writing with Young Kids** Sharon A. Edwards, Robert W. way it becomes clear that literature is an outstanding archive of representations and transformations in the cultural history of anxiety Literature is an aesthetic medium of expression and reflection that represents anxiety in a number of ways that may enrich our understanding of anxiety today This work thus contributes to cultural and literary scholarship that contests the subjugation of anxiety to a scientific world view and aims to expose the imaginative and creative dimensions of anxiety that are often ignored in contemporary public discourse and policy
