Rebuilding Americas Cities:

Rebuilding America's Cities Paul R. Porter, 2017-09-04 A growing cooperation between the public and private sectors indicates that the tasks of redevelopment are too large and complex for either sector to accomplish alone Some people maintain that government can do few things right others are equally distrustful of the private sector As used here the private sector is considered to be all that is not government Each of the success stories illustrated is in part a road to recovery although none appear to have been influenced by a purpose that broad Paul R Porter and David C Sweet present stories of progress in self reliance that concern neighborhood and downtown recoveries school improvement job generation a regained fiscal solvency novel financing techniques helping tenants to become homeowners and a successful venture in self help and tenant management in crime infested neighborhoods The successes stem from the diverse community roles of Yale University a medical center the world s largest research organization the Clorox Company a gas company an insurance company a newspaper neighborhood and downtown organizations city governments and two religious organizations the Mormon Church and the tiny Church of the Savior These stories are located throughout the United States including Akron Baltimore Brooklyn Cincinnati Cleveland Columbus Fort Wayne Indianapolis Milwaukee New Haven Oakland Pittsburgh St Louis St Paul Salt Lake City Springfield Mass Tampa and Washington D C The editors have gathered the work of professionals known in the field of urban studies James W Rouse Donald E Lasater Rolf Goetze Dale F Bertsch Joel Lieske Eugene H Methvin James E Kunde T Michael Smith Robert Mier Carol Davidow Jay Chatterjee June Manning Thomas Norman Krumholz Larry C Ledebur and Robert C Holland

Rebuild America Scott Myers-Lipton, 2015-12-03 In Obama s America public works is once again a part of the national dialogue Today it is offered as a solution to the economic downturn and to the public infrastructure crisis This timely book examines the reasons for the economic crisis facing Main Street and connects them to why the nation has structurally deficient bridges weak levees poorly maintained dams and dilapidated schools The book goes on to analyse the history of US public works updating lessons from the New Deal to understand the most effective way to organise a modern US civic works project based on a civic works pilot project for the Gulf Coast One chapter features new contributions by Howard Zinn Angela Glover Blackwell and other leading scholars and thinkers weighing in on how an US civic works project might solve our economic infrastructure and environmental crises

City-building In America Anthony M Orum, 2018-10-08 Why do some cities grow and expand while others dwindle and decline Why is Milwaukee a town of the past while Minneapolis St Paul seems reborn and infused with future dynamism And what do Milwaukee and the Twin Cities have to tell us about other cities prospects the trials and destinies of industrial Cleveland and post industrial Austin Anthony Orum s new book tells the story of these cities and at the same time of all cities Here the urban past present and future are woven into one compelling tale Orum traces the shift in the sources of urban growth from entrepreneurs to institutions and highlights the emergence of local government as

a prominent force indeed as an institution in shaping the trajectory of the urban industrial heartland This complex trajectory includes all aspects of urban boom and bust population trends economic prosperity politics and culture as well as hard to pin down qualities like a city s collective hope and vision Interspersing social theory historical ethnography and comparative analysis to help explain the fates of different cities Orum lucidly portrays factory openings labor strikes elections evictions urban blight white flight recession and rejuvenation to show the core histories and future shape of cities beyond the particulars presented in these pages The reader will discover the key people and politics of cities along with the forces that direct them With a rich variety of sources including newspapers diaries census materials maps photo essays and perhaps most captivating original oral histories *City Building in America* is ideal for anyone interested in urban transformation and for courses in urban sociology urban politics industrial sociology social change and social mobility
