SAIS Review ,1993 *No Entry Without Strategy* Carolyn Gardner Bull,2008 For international actors seeking to consolidate peace and democracy in disrupted states the importance of establishing the rule of law is now well recognized UN peace operations have struggled to ensure lasting security against violence and to build legitimate structures to redress disputes peacefully UN actors have confronted a fundamental dilemma if embedding the rule of law rests on complex political and social transformations regarding conflict power and the state can external actors make a difference The book investigates the challenges faced by UN transitional administrations in establishing the rule of law in Cambodia Kosovo and East Timor In so doing it explores conceptual understandings of the UN s state building agenda and speaks to broader questions about the role of external actors in disrupted states Publisher s description **Accountability for Human**

Rights Atrocities in International Law Steven R. Ratner,Jason S. Abrams,2001 The fall of dictatorial regimes and the eruption of civil conflicts around the world have resulted in individuals being held accountable for human rights atrocities This text details the promise and limitations of international law as a means of enforcing human rights and humanitarian law

Bibliography of Southeast Asia Kim See Ch'ng,2003 TheBibliography of Southeast Asia A Decade of Selected Social Science Publications in the English Language 1990 2000 comprises 6 521 entries of published works The selection broadly represents the documentation of the political economic and social and cultural processes of one of the most interesting eras of the previous millennium Cambodia Toshiyasu Kato,2000 This study prepared by the Cambodia Development Resource Institute under the overall supervision of ADB shows that the Government of Cambodia s reform programs if implemented on a full scale would likewise have a major positive impact on Cambodia s economy in the coming two decades The Journal of East Asian Affairs ,1994 Indochina Chronology ,1995 International Law and Post-Conflict Reconstruction Policy

Matthew Saul,James A. Sweeney,2015-05-15 The trend for international engagement in post conflict reconstruction has produced a host of best practice postulates on topics such as local involvement in decision making accountability for past atrocities sensitivity to context and the construction of democratic institutions of governance International law has potential relevance for many of these themes yet the question of how the implementation of best practice policy recommendations might be affected by international law remains under examined This book offers a fuller understanding of the role of international law in the practice of post conflict reconstruction It explores how international legal issues that arise in the post conflict period relate to a number of strands of the policy debate including government creation constitution making gender policy provision of security justice for past atrocities rule of law development economic recovery returning displaced persons and responsibilities of international actors The chapters of the book work to reveal the extent to which international law figures in the policy of internationally enabled post conflict reconstruction across a range of sectors They also highlight the scope for international law to be harnessed in a more effective manner from the perspective of the transition to peace and stability The book lays out a basis for future policy making on post conflict reconstruction one that is informed about the

international legal parameters and more aware of how international law can be utilized to promote key objectives
