reference for scholars and students of Chinese history      **Contemporary Studies on Modern Chinese History I** Zeng Yeying, 2020-10-29 The study of modern Chinese history has developed rapidly in recent decades and has seen increased exploration of new topics and innovative approaches Resulting from a special issue of Modern Chinese History Studies this volume is devoted to showcasing the healthy development of Chinese modern history studies and has already been revised twice in the original language This volume exhibits major achievements on the study of modern Chinese history and shows how the role of history was in debate transformation and re evaluation throughout this tortuous yet prosperous period Articles on eight different topics are collected from 11 prominent historians in order to represent their insights on the developmental paths of Chinese historical studies Drawing on a large number of case studies of critical historical events such as the founding of the Communist Party of China and the May 4th Movement this volume reflects on economic history and military history while moving on to explore more pioneering topics such as intellectual history and cultural history This book will be a valuable reference for scholars and students of Chinese history      **General Register** University of Michigan, 1962 Announcements for the following year included in some vols      Manslaughter, Markets, and Moral Economy Thomas M. Buoye, 2006-11-02 In this book Thomas Buoye examines the impact of large scale economic change on social conflict in eighteenth century China He draws upon a large body of actual documented homicide cases originating in property disputes to recreate the social tensions of rural China during the Qianlong reign 1736 1795 The development of property rights a process that had begun in the Ming dynasty was accompanied by other changes that fostered disruption and conflict including an explosion in the population growth and the increasing strain on land and resources and increasing commercialization in agriculture Buoye challenges the markets and moral economy theories of economic behaviour Applying the theories of Douglass North for the first time to this subject he uses an institutional framework to explain seemingly irrational economic choices Buoye examines demographic and technological factors ideology and political and economic institutions in rural China to understand the link between economic and social change      **Twentieth Century China** James H. Cole, 2004 Emphasizing reference works published since 1964 these volumes cover books periodicals and inclusions i e chapters in edited volumes on the 1911 Revolution the Republic of China 1949 post 1911 Taiwan post 1911 Hong Kong and Macao and post 1911 overseas Chinese      **Catalogue of the University of Michigan** University of Michigan, 1967 Announcements for the following year included in some vols      *Sowing the Seeds of Change* Paula Harrell, 1992 In the critical decade between the Sino Japanese and Russo Japanese wars perhaps as many as 10 000 Chinese students converged on Tokyo in what was the first large study abroad movement anywhere in the world Following China s defeat by Japan in 1895 sending young Chinese to Japan for schooling seemed wise policy to leaders in both countries To reform minded pragmatists at the helm of Ch ing government study in Japan meant access to modern ideas and technology that would strengthen the state and their own power To Japan s leaders training thousands of young Chinese fit their objective of

creating a strong China under Japanese tutelage together the two countries could form an Asian bulwark against the encroachments of the West But this blueprint for study abroad failed to consider what the students own goals might be for a modernizing China For the Chinese students exposure to an economically stronger intellectually more open Japan inspired visions of a new China free of Ch ing mismanagement more broadly representative politically and capable of holding back imperialism in any form Western or Japanese Increasingly alienated from the Ch ing state Japan educated activists boldly proclaimed their anti authoritarian views and were a key force in the rising tide of dissidence propelling China to revolution in 1911 Among the topics the author considers are the emergence of official and popular support for study in Japan the socio economic background of the students their psychological interaction with the Japanese case studies of student protest movements and the nature of students intellectual and political concerns In developing a new political outlook the students grappled with many of the issues confronting China nearly a century later how far to open the door to Western influence how to relate to an economically strong Japan how much political reform should accompany technological and economic change and above all how to become modern and remain distinctively Chinese BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

**Civil War in China** Suzanne Pepper,1999 Many books have tried to analyze the reasons for the Chinese communist success in China s 1945\_1949 civil war but Suzanne Pepper s seminal work was the first and remains the only comprehensive analysis of how the ruling Nationalists lost that war not just militarily but by alienating the civilian population through corruption and incompetence Now available in a new edition this authoritative investigation of Kuomintang failure and communist success explores the new research and archival resources available for assessing this pivotal period in contemporary Chinese history Even more relevant today given the contemporary debates in Hong Kong and Taiwan over the terms of reunification with a communist led national government in Beijing this book is essential reading for anyone seeking a nuanced understanding of twentieth century Chinese politics Japanese Studies of Modern China John King Fairbank,Masataka Banno,1955
