## A RECENT MARTYR

*"Martinelli writes the regional corruption story in as much a part of the theme of Peter B. Kellman. . . . It is a very good read."*

**Johnnie Moore, Jerry Pattengale**

## Recent Martyr:

*The Last Martyr* John Mackowicz, 2004-10 After World War III world leaders abolished all forms of religion seeing them as the cause of the war Any evidence of religion has been eliminated Alden is dissatisfied with a tedious job and unfulfilling marriage Certainly there must be greater meaning to his existence The government sends Alden on a vacation to an uncivilized land in order that he might appreciate all that he has It is here that he discovers Christianity When the new Christian returns from his trip his passion for his faith does not end What will the government do when they discover Alden s treasonous actions

**The Last Martyr** Steven Ostrega, 2011-12-20 The story of one man s desperate fight to save his family from the wrath of the coming Apocalypse as the End Times spiral toward the final judgement Today s headlines mirror ancient prophecy to weave a tale of the frightening events as society chooses sides The minority systematically hunted till there can only be one last martyr

*The Martyred Inquisitor: The Life and Cult of Peter of Verona (†1252)* Donald Prudlo, 2017-05-15 Peter Martyr was one of the central Dominican saints of the thirteenth century in some cases eclipsing Dominic himself Born in Verona around 1206 to those with Cathar sympathies he became a convert to Catholicism As one of the first generations of Dominicans he represents aspects of their primitive history both as a spellbinding preacher and as one of the earliest and most famous papal inquisitors In 1252 shortly after his official appointment to the post of inquisitor for Lombardy Peter was assassinated at the hands of a cabal of Milanese heretics That there is no modern monograph on Peter represents a considerable lacuna in the study of medieval saints This work therefore fills a very important gap in both thirteenth century hagiographical studies and studies of the interrelationship of heresy and imperial politics in the mid thirteenth century The first half of the book is a systematic study of the stages in the life miracles and posthumous cult of Peter of Verona Part One deals with many controversial issues of Peter s life such as his role in the growth of the Dominican order and related confraternities in Lombardy and Tuscany his status as papal inquisitor and his preaching Part Two explores the cult of Peter Martyr The brief time which elapsed between death and canonization makes Peter Martyr an especially interesting case in the field of cult study as for him life led immediately to cult a cult dominated by those who knew him personally The second half of the book is a translation into English of the major primary sources concerning Peter These will be of interest to students of papal canonization the Dominican order the Inquisition hagiography and local history

**The New Book of Christian Martyrs** Johnnie Moore, Jerry Pattengale, 2023-03 An inspiring keepsake that honors the heroic sacrifice of today s martyrs for the Christian faith and shows how their actions mirror the courage of a long line of brave Christians In the twenty first century we are witnessing an escalation in Christian persecution like we have rarely seen since the first century Many people don t realize that today thousands of Christians are dying cruel deaths throughout much of the world There were in fact more martyrs in the last century than in all the previous Christian centuries combined Millions have given their lives since the fall of Rome and today tens of thousands die annually for their faith in Jesus Most of these modern

stories are not legendary in fact many are unknown The New Book of Christian Martyrs commemorates those modern day heroes In this update to Foxe s Book of Martyrs Johnnie Moore and Jerry Pattengale highlight key martyrs of past centuries and feature stories of contemporary martyrs around the world Through tears Johnnie and Jerry offer this compendium of heroes from the first century to the twenty first century from Europe to Africa and from Asia to the Americas to inspire Christians around the globe Today we live in solidarity with them and in the next life we will rejoice by their side We will never forget their sacrifice for the truth *Martyrologia; or, Records of religious persecution, a new and comprehensive book of martyrs compiled partly from the Acts and monuments of J. Foxe and partly from other genuine and authentic documents by J.S. Stamp [and W.H. Rule]. John Sundins Stamp,1849* *Suffering and Martyrdom in the New Testament* William Horbury,Brian McNeil,1981 *Perfect Martyr* Shelly Matthews,2012-07-12 This book analyzes the story of Stephen the first Christian martyr both in terms of rhetorical fittingness and Christian tradition concerning the significance of his dying forgiveness prayer It questions the historicity of the account of his death underscores Acts rhetorical violence and reads Acts against narratives of the martyrdom of James as a means to a richer history of early Jewish Christian relations
