Restoration Theatre And Crisis:

Restoration Theatre and Crisis Susan J. Owen, 1996

Restoration Theatre and Crisis Susan J. Owen, 1996

Restoration Theatre and Crisis is a seminal study of the drama of the Restoration in particular that of the Popish Plot and Exclusion Crisis. This was a time of unprecedented political partisanship in the theatre. This book considers all the known plays of this period including works by Dryden and Behn in their historical context. It examines the complex ways in which the drama both reflected and intervened in the political process at a time when the crisis fractured an already fragile post interregnum consensus and modern party political methods first began to develop. Susan Owen discusses the ways in which Tory and Whig playwrights engaged in a dramatic dialogue deliberately commenting on and reversing each other's themes and tropes. The book also explores the arena of sexual politics examining the political significance of themes such as disharmony in the family and the importance of rape as a dramatic signifier of monstrosity associated with rebellion by the Tories and tyranny and popery by the Whigs. *Restoration Theatre and Crisis* considers the use of sexuality as a political discourse and ways in which ideas about libertinism and constructions of masculinity and femininity intersect with political concerns in the drama. Thus the book bridges the gap between gender blind political accounts and studies which have focused on gender themes in the drama in isolation from party politics.

Restoration Theatre and Crisis Susan J.

Owen, 1996. This work studies the drama of the Restoration in particular that of the Popish Plot and Exclusion Crisis. It considers all the known plays of this period including works by Dryden and Behn in their historical context.

The Theatre of Aphra Behn D. Hughes, 2001-02-20. During the nineteen years of her play writing career Aphra Behn had far more new plays staged than anyone else. This book is the first to examine all her theatrical work. It explains her often dominant place in the complex theatrical culture of Charles II's reign, her divided political sympathies and her interests as a free thinking intellectual. It also reveals her as a brilliant theatrical practitioner who used the seen as richly and significantly as the spoken.

Stillness in Motion in the Seventeenth-century Theatre P. A. Skantze, 2003. In the seventeenth century emerging practices such as print collecting and performance influenced early modern discussions of stillness and motion.

Persia in Early Modern English Drama, 1530-1699 Chloë Houston, 2023-05-01. This book is a study of the representation of the Persian empire in English drama across the early modern period from the 1530s to the 1690s. The wide focus of this book encompassing thirteen dramatic entertainments both canonical and little known allow it to trace the changes and developments in the dramatic use of Persia and its people across one and a half centuries. It explores what Persia signified to English playwrights and audiences in this period, the ideas and associations conjured up by mention of Persia and where information about Persia came from. It also considers how ideas about Persia changed with the development of global travel and trade as English people came into people with Persians for the first time. In addressing these issues this book provides an examination not only of the representation of Persia in dramatic material but of the broader relationship between travel

politics and the theatre in early modern England **Gentility and the Comic Theatre of Late Stuart London** Mark S. Dawson, 2005-06-17 The book examines how gentility was portrayed at London's theatres during the early modern era

The Cambridge Companion to John Dryden Steven N. Zwicker, 2004-05-20 John Dryden Poet Laureate to Charles II and James II was one of the great literary figures of the late seventeenth century This Companion provides a fresh look at Dryden's tactics and triumphs in negotiating the extraordinary political and cultural revolutions of his time The newly commissioned essays introduce readers to the full range of his work as a poet as a writer of innovative plays and operas as a purveyor of contemporary notions of empire and most of all as a man intimate with the opportunities of aristocratic patronage as well as the emerging market for literary gossip slander and polemic Dryden's works are examined in the context of seventeenth century politics publishing and ideas of authorship A valuable resource for students and scholars the Companion includes a full chronology of Dryden's life and times and a detailed guide to further reading *The Politics of Opera in Handel's Britain* Thomas McGeary, 2013-04-25 Thomas McGeary's book explores the relationship between Italian opera and British partisan politics in the era of George Frideric Handel **Theatre Institutions in Crisis** Christopher Balme, Tony Fisher, 2020-12-30 Theatre Institutions in Crisis examines how theatre in Europe is beset by a crisis on an institutional level and the pressing need for robust research into the complex configuration of factors at work that are leading to significant shifts in the way theatre is understood organised delivered and received Balme and Fisher bring together scholars from different disciplines and countries across Europe to examine what factors can be said to be most common to the institutional crisis of European theatre today The methods employed are drawn from systems theory social scientific approaches economics and statistics theatre and performance and other interpretative approaches hermeneutics and labour studies This book will be of great interest to researchers students and practitioners working in the fields of performance and theatre studies It will be particularly relevant to researchers with a particular interest in European theatre and its networks Chapter 9 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Decoding **Restoration Theatre And Crisis**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Restoration Theatre And Crisis**," a mesmerizing literary creation penned with a celebrated wordsmith, readers embark on an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
