

An illustration of an open tomb. A large, rough-hewn stone is rolled away from the entrance of a dark, rocky cavity. A brilliant, golden light emanates from the opening, illuminating the interior. In the background, three crosses are visible on a hill under a sky with soft, colorful clouds. The overall scene conveys a sense of hope and new life.

Resurrection Evidences:

On the Resurrection, Volume 1 Gary Habermas, 2024-01-15 The first volume of Gary Habermas's magnum opus *On the Resurrection Evidences* represents the culmination of fifty years of research on the probability of Jesus's resurrection. Using his minimal facts argument, Habermas demonstrates why we ought to trust the biblical and historical testimony of Scripture regarding the resurrection. This book is a must-read for pastors, students, and scholars interested in the historical evidence for the resurrection of Jesus Christ. *A View of the Evidences of Christianity* William Paley, 1872 **A View of the Evidences of Christianity ... With annotations by R. Whately** William Paley, 1872 *Evidences of Christianity* Lonsdale Ragg, 1909

Debate on the evidences of Christianity, held between R. Owen and A. Campbell [ed. by A. Campbell]. Robert Owen, 1839 *Evidence for the Resurrection* Josh McDowell, 2010-10 A fascinating look at the claims of the Gospel writers and 2,000 years of believing Christians. Bestselling author Josh McDowell and his son Sean examine the compelling evidence and conclude that Jesus Christ conquered death and the grave. In clear, concise, and accessible chapters, Josh and Sean present the facts about the resurrection and what it means for readers today. **Christian Literature: Evidences**, 1847

Handbook of Biblical Evidences John Ankerberg, John Weldon, 2008-03-01 Many Christians are afraid to talk about their faith for fear of not knowing what to say. How can they prepare themselves? That's the purpose of *Handbook of Bible Evidences*, written by two bestselling apologetics experts, John Ankerberg and John Weldon. They provide clear and thoughtful responses to the tough questions seekers are most likely to ask, such as: Hasn't evolution proved that Genesis is wrong? Isn't the Bible filled with historical and scientific errors? What evidence is there that Jesus rose from the dead? Focused on topics related to the Bible, Jesus Christ, and creation, this powerful resource deals head-on with false assumptions and frequent misconceptions people have. And it's based on more than 30 years of apologetics research and ministry to unbelievers. A superb tool for helping readers know how to share their faith with confidence. Formerly titled *Ready with an Answer*. *Archdeacon Paley's View of the Evidences of Christianity ...* William Paley, 1849 **Christian Evidences**

Viewed in Relation to Modern Thought Charles Adolphus Row, 1877 **Resurrected?** Gary R. Habermas, Antony G. N. Flew, 2010-04-16 The Resurrection of Jesus of Nazareth is the central tenet of the Christian faith. St. Paul put it succinctly: if Christ did not rise from the dead, our faith is in vain. This remarkable dialogue between the leading Christian scholar of the Resurrection and the world's best-known philosophical atheist resulted from a three-hour discussion on a popular religious television talk show moderated by John Ankerberg. The dialogue began with both participants agreeing to 12 separate historical facts that occurred when Jesus died and shortly afterward. Habermas and Flew then explored how each of their perspectives could account for what happened. Flew offered a psychological thesis interpreting the biblical accounts in natural terms. Habermas supported the historicity of the Resurrection by using contemporary critical methods. The discussion goes on to examine subjects such as medical details regarding crucifixion, extra-biblical sources for Jesus, the Jesus Seminar,

St Paul's conversion experience and his contribution to the early Christian testimony The interchange is marked by mutual respect and exceptional clarity of thought and expression This is a book that will appeal to a wide audience of believers seekers and non believers The topic is timely the participants renowned and the presentation inviting to both scholar and layperson *God, Evidences, and Creation: Who God Is and Reasons for Believing* David Pratte, 2019-12-25 A study of Bible teaching about the nature of God evidences for God Jesus and the Bible including a careful study of creation vs evolution Topics studied are God's power wisdom love and holiness The providence of God The number of individuals in the Godhead The Deity of Jesus The Holy Spirit and spiritual gifts Fulfilled prophecy miracles and the resurrection The significance of the Bible doctrine of creation The consequences of evolution Humanism compared to the Bible The length of the days of creation

Man, and his traits of character Henry Donald Maurice Spence-Jones, Joseph Samuel Exell, Charles Neil, 1889 *Four Proofs of Jesus' Resurrection* James B. Polson, 2018-07-24 The resurrection of Jesus from the dead is like the signature of God certifying that everything Jesus did was the work of God and everything Jesus taught and promised is absolutely true The disciples were not expecting Jesus to come back from the dead even though He had told them beforehand that He would They had to be convinced of the resurrection What was some of the evidence they encountered that convinced them that Jesus was alive and drove them to face persecution and death as they proclaimed that message This book portrays some of that evidence so that the reader can judge for himself or herself whether the claims of the disciples were based on wishful thinking or on solid evidence and sound reasoning **Principles of the Law of Evidence and Rationality Applied in the Johannine Christology** Henry Hock Guan Teh, 2016-02-10 Those who give primacy to evidence in the apologetic task have long maintained that 1 this is exactly the biblical writers approach maintaining as they do that they saw and heard the things of which they speak and 2 such reasoning is fundamental to society in general as exemplified in every civilised legal system Henry Hock Guan Teh concretises these vital points by way of the Gospel of John where the Apostle consistently marshals eyewitness evidence to show that Jesus is the Christ the Son of God and that believing you might have life through His name John 20:31 No finer or more scholarly support for a biblically grounded factual juridically sophisticated defence of Christian truth is available Professional and lay evangelists and anyone endeavouring to preach the gospel to every creature simply must obtain and benefit from this book And sceptical lawyers needless to say owe it to themselves to wrestle with the author's case for the only historical religion that holds up in court John Warwick Montgomery
