

A photograph of a beach at sunset or sunrise. The sky is a mix of orange, yellow, and blue. Waves are crashing onto the shore, creating white foam. The sand is wet and reflects the light. There are some dark rocks or debris on the beach.

The true secret of spiritual
strength is self-distrust
and deep humility.

The Secret to Spiritual Strength Bill Vincent, 2023-04-28 The thing God kept speaking to me today was how many And how often might we have robbed ourselves of a blessing How many times and how often do you think it takes place that you tie down hands or rob yourself of a blessing Because sometimes we ll react rashly or so negatively about a situation instead of responding in the way God wants us to respond And I believe we have blown our blessings I believe some of this we started talking about last week but God s saying he wanted me to talk about this part this week where we need to understand that sometimes it s not the devil Sometimes it s not it s not somebody else But it s we have robbed ourselves of a blessing You say oh God doesn t work that way You got anybody here ever have a father everybody has a father a dad anybody here has a mother Everybody has a mother even no matter what And I m telling you when we look at this let s say for an example we have two girls both the same mother and let s say this one cleans a room This one gets all the things are taken care of she s supposed to do And this one does not There are certain benefits this one s gonna get Because this one has done and has been obedient to do what they re supposed to do The one that was disobedient and said I don t want to do it right now I don t care I don t want to clean my room it is too messy They don t receive the blessings because of obedience they believe they receive a blessing for their disobedience And what that means is they re going to get something because of their obedience And they re not because of their disobedience So the way God looks at us is the same way whenever he tells us to do something and we don t respond the way we re supposed to But it actually can rob us And just so you know not every time does God necessarily say Joshua you re supposed to write those things down and study them through because I m just trying to speak to you doesn t necessarily mean that you have to be obedient by something that God said to you Sometimes it s about God put laying something on your heart I went through a season of being robbed by the Spirit because God told me to give somebody 20 So when I finally caught up and I realized I shouldn t give them 20 I gave them 40 Because I figured I had some interest to make up Sometimes we get to the place
