Vigilance of the Heart Roy Horan, 2018-06-07 Our world is changing rapidly while social division appears to be increasing Some of these developments may seem alarming Often we find ourselves struggling to keep up get ahead or simply relax Life appears both impermanent and imperfect It doesn t have to be this way What we may not realize is that all of us friend and foe alike are perfect complete right here right now and always *Vigilance of the Heart* traces that state of pure perfection and abiding joy we all seek without realizing it is actually seeking us All our experiences from the mundane to the sublime from hardships to blessings emerge from three powerful forces of the mind awareness attention and reward They underlie our sense of opposites ignorance wisdom distraction absorption bondage freedom and everything in between These same three forces interact to reveal mindfulness heartfulness and playfulness the natural wellsprings of who we truly are *Vigilance of the Heart* starts out as a journey of the heart and mind It comes full circle as mindfulness heartfulness and

playfulness merge into a provocative yet compelling way for understanding yourself and the world In short you realize your innate perfection Vigilance of the Heart offers an innovative approach to self realization achievement and well being in all facets of life Vigilance of the Heart provides a digital Workbook which covers the fifty one activities highlighted and described in the book The Workbook is available for purchase at <https://www.royhoran.com> for US \$9.99 **The Word of the Lord, Year B** Philip J. Campbell,2022-01-01 The Book of Revelation can be read in various ways Where interpretation opts not to venture beyond Revelation or approach the book as a forecast of end time events it typically favours either going behind the text in search of a socio historical context of origin to which it might refer or else standing in front of the text and investigating the book s reception history or its present relevance and impact Comparatively little interpretative work has been undertaken inside the text exploring the mechanics of how Revelation works still less how its complex parts might fit together into a meaningful whole Gordon Campbell considers Revelation to be a coherent narrative composition that draws its hearer or reader into its text world In Reading Revelation A Thematic Approach Campbell gives an innovative account of Revelation s sophisticated thematic content Mindful of Revelation s narrative verve or its architecture en mouvement as Jacques Ellul

once put it Campbell plots a series of thematic trajectories through the book On this reading parody and parallelism fundamentally shape the whole narrative As a first ever integrated account of Revelation s macro themes Reading Revelation makes an important contribution to Revelation scholarship In its light the book may justifiably be seen as the crowning achievement of the Scriptures
