Tobie,1882      **Some Personal Reminiscences of Service in the Cavalry of the Army of the Potomac** Hampton Sidney Thomas,2019-12-12 In Some Personal Reminiscences of Service in the Cavalry of the Army of the Potomac Hampton Sidney Thomas offers an evocative first hand account of his experiences in the American Civil War The narrative is rich with vivid descriptions and personal anecdotes that illuminate the emotional and physical trials faced by cavalry soldiers Thomas s literary style is imbued with a sense of immediacy using a blend of reflective prose and detailed observation that captures both the chaos of battle and the camaraderie amongst soldiers This work sits in a unique literary context blending elements of memoir historical documentation and soldier s narrative that contribute to a deeper understanding of the Civil War period particularly in its portrayal of the often overlooked cavalry operations within the Army of the Potomac Hampton Sidney Thomas born into a military family was profoundly shaped by the turbulent times of the 1860s His own service in the cavalry provided him a fusion of introspection and reportage lending authenticity to his recollections His commitment to documenting the war was perhaps fueled not only by personal honor but also by a desire to preserve the legacy of those who fought alongside him a generation marked by bravery loss and profound change This book is highly recommended for readers interested in American history military studies or personal narratives of the Civil War Thomas s engaging storytelling and heartfelt reflection make this work not just a historical document but also a poignant testament to the spirit of those who served It invites readers to immerse themselves deeply in the past fostering a greater appreciation for the sacrifices of the young men who fought in this pivotal conflict      **Some Personal Reminiscences of Service in the Cavalry of the Army of the Potomac** Hampton Sidney Thomas,1889      **Some Personal Reminiscences of Service in the Cavalry** Colonel Hampton S. Thomas,2015-05-10 Some Personal Reminiscences of Service in the Cavalry The Army of the Potomac By Colonel Hampton S Thomas The Army of the Potomac was the major Union Army in the Eastern Theater of the American Civil War The Army of the Potomac underwent many structural changes during its existence The army was divided by Ambrose

Burnside into three grand divisions of two corps each with a Reserve composed of two more Hooker abolished the grand divisions Thereafter the individual corps seven of which remained in Virginia reported directly to army headquarters Joseph Hooker also created a Cavalry Corps by combining units that previously had served as smaller formations In late 1863 two corps were sent West and in 1864 the remaining five corps were recombined into three Burnside s IX Corps which accompanied the army at the start of Ulysses S Grant s Overland Campaign was added later At the earnest solicitation of my many military friends I have thrown together some reminiscences of my personal experience as a cavalryman during the late War of the Rebellion Though my four years of campaigning began with a three months tour of tramping with the dough boys under General Patterson in the spring and early summer of 1861 the latter was only a prolonged picnic Two days before I was mustered out of the Ninth Pennsylvania Infantry I enrolled myself in the First Pennsylvania Cavalry and soon discovered that I was more fitted for riding a horse than for trudging through the slush and mud with a heavy Harper s Ferry musket on my shoulder I will pass over the tedious instructions of the school of the trooper mounted and dismounted and begin my reminiscences as a full fledged Yankee cavalryman The First Pennsylvania Cavalry which originally belonged to the Pennsylvania Reserve Corps began its experience as a fighting regiment in a skirmish and charge near Dranesville Virginia on November 26 1861 and strange to relate the first man killed was our assistant surgeon Dr Alexander The regiment s first experience of heavy firing was in the battle of Dranesville on December 20 This engagement was fought by a brigade of the Pennsylvania Reserve Corps commanded by General E O C Ord my regiment supporting Eastman s battery The enemy had the same number of regiments and guns that we had and their commanding officer was General J E B Stuart but Ord outgeneraled him and gave us the victory the rebels retreating from the field
