*Service with a Smile* Pelham Grenville Wodehouse,1999      *Service With a Smile* P. G. Wodehouse,2013-07-01 Blandings is an entire world unto itself and one senses Wodehouse pours into it his deepest feelings for England Stephen Fry The final Uncle Fred novel marks his return to Blandings Castle to relieve Lord Emsworth s woes a nagging secretary prankster Church Lads and a plot to thief his prize winning sow Uncle Fred must serve up his brand of sweetness and light to ensure that everything turns out very capital indeed      **Service with a Smile** Pelham Grenville Wodehouse,1966-01 The greatest creation of beloved British humorist P G Wodehouse is the character of Jeeves a gentleman s personal gentleman In Stiff Upper Lip Jeeves Jeeves must find a way to save his employer from marriage If he fails Bertie s bachelor days will be at an end      **Indiscretions of Archie** Pelham Grenville Wodehouse,1921 Purchase one of 1st World Library s Classic Books and help support our free internet library of downloadable eBooks 1st World Library Literary Society is a non profit educational organization Visit us online at [www.1stWorldLibrary.ORG](http://www.1stWorldLibrary.ORG) It wasn t Archie s fault really Its true he went to America and fell in love with Lucille the daughter of a millionaire hotel proprietor and if he did marry her well what else was there to do From his point of view the whole thing was a thoroughly good egg but Mr Brewster his father in law thought differently Archie had neither money nor occupation which was distasteful in the eyes of the industrious Mr Brewster but the real bar was the fact that he had once adversely criticised one of his hotels Archie does his best to heal the breach but being something of an ass genus priceless he finds it almost beyond his powers to placate the man eating fish whom Providence has given him as a father in law      **Sequels: Adult books** Mandy Hicken,1982      *Sequels* Janet G. Husband,Jonathan F. Husband,2009-07-30 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series      **Sequels** ,1967      **The Publishers Weekly** ,1961      *Blandings Castle* P. G. Wodehouse,2025-04-25 I envy those who ve never read Wodehouse before the prospect of reams of unread Wodehouse stretching out in front of you is something which is enticing to contemplate Tony Blair Welcome to Blandings Castle home of the well intentioned but often distracted Lord Emsworth and there are quite a few distractions at this stately country house Head gardener Angus McAllister has resigned before the Shrewsbury Agricultural Show when Emsworth needs him most Lady Constance Emsworth s officious sister has caged her daughter in the castle to keep her away from the persistent Beefy Bingham and the Blandings pigman Wellbeloved has been sent to prison for drunken and disorderly conduct just days before Emsworth s adored sow can win first prize at the 87th Annual Shropshire Show Through P G Wodehouse s expert wit we witness Lord Emsworth trying to solve these predicaments and others with the unexpected help and hindrance of a lively array of characters      **Middlebrow Wodehouse** Ann Rea,2017-05-15 While he is best known for his Jeeves and Bertie Wooster stories P G Wodehouse was a prolific writer who penned many other novels stories and musical comedy libretti the latter of which played an enormous role in the development of American musical theater This collection re examines Wodehouse in

the context of recent scholarship on the middlebrow attending to his self conscious relationship to the literary marketplace and his role in moving musical comedy away from vaudeville s lowbrow associations towards the sophistication of the Wodehouse style The focus on the middlebrow creates a critical context for serious critical consideration of Wodehouse s linguistic playfulness and his depictions of social class within England The contributors explore Wodehouse s fiction and libretti in reference to philosophy depictions of masculinity World War I Britain the periodical market ideas of Englishness and cultural phenomena such as men s fashion food culture and popular songwriting Taken together the essays draw attention to the arbitrary divide between high and middlebrow culture and make a case for Wodehouse as a writer whose games with language are in keeping with modernist experimentation with artistic expression The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950 George Watson, I. R. Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries **The Novel Life of PG Wodehouse** Roderick Easdale, 2014-06-18 Was PG Wodehouse really a traitor a naive simpleton dominated by his wife and out of touch with the world around him This book challenges many of the accepted wisdoms about PG Wodehouse and his work and skilfully entwines details of Wodehouse s life with an analysis of his work to show that contrary to popular belief many of the scenarios characters and issues he wrote about came from his own sometimes bitter personal experience It shows for instance how Bertie Wooster is a much misunderstood figure in literature and shared many of the characteristics and life story of PG Wodehouse himself Easdale also gives fresh insight into PG Wodehouse s alleged treachery during World War II and his motives for making five radio broadcasts from Germany which were to cast a shadow over the rest of his life Easdale often finds an original angle with which to shatter stale accepted perception this book is compelling Country Life This fascinating examination offers a refreshing and accessible study of Wodehouse s work Press Association **A Checklist of P. Husband, 1997 *Sequels* the most popular and long lasting guide to novels in series returns with greatly expanded series listings Mysteries continue to be a mainstay with fantasy science fiction and romance listings plus non genre fiction selections from authors such as Edward Abbey and Lawrence Durrell The authors have carefully sifted through a growing group of series to select those most likely to be available in a medium sized public library weeding out esoteric obscure and less popular series This classic reference includes hundreds of annotated series title and subject indexes and suggestions for reading order Library professionals will find Answers to the perennial question What should I
