

SERVING THE URBAN POOR

DAVID FANSHEL,
STEPHEN J. FINCH,
and JOHN F. GRUNDY

Serving The Urban Poor

J Rink

Serving The Urban Poor:

Serving the Urban Poor David Fanshel, Stephen J. Finch, John F. Grundy, 1992-08-24 The urban poor suffer many problems beyond pressing financial concerns including those involving housing health and family relationships Social welfare agencies struggle to cope with the enormity of need presented by individuals and families The providers frequently lack a framework to guide their priorities and the delivery of services This volume based on the authors close and extensive collaboration with New York s Lower East Family Union affords a substantive insightful and effective approach not only to defining the services needed but also to the delivery thereof It also examines the cognitive and emotional states which the clients bring as they seek help Means are provided for establishing priority of needs assessing the value of preventive services and formulating family specific service responses Potential family dissolution and implicit child welfare concerns are viewed as especially critical and receives extensive constructive discussion Stressed poverty level families often approach helping agencies in a nearly exhausted condition The needs of such clients can only be answered and the last straw avoided if the agencies are structured to identify the most immediate needs and to supply the understanding supportive relationship and the requisite practical assistance This book with its extensive base of experience guides the process wisely It offers informed hope that the awful conditions of the urban poor can be ameliorated through better planned and effective service delivery and caring interventions

Serving with the Urban Poor Tetsunao Yamamori, Bryant L. Myers, Kenneth L. Luscombe, 1998 **Access to Justice for the Urban Poor** Asian Development Bank, 2010-11-01 This publication suggests solutions that can be built into the design of urban development projects undertaken by the Asian Development Bank ADB to address the common problems and grievances of the urban poor and to improve urban governance overall It also identifies successful or promising community based approaches to dispute resolution that can be useful in urban project design It uses ADB s Governance Policy as a framework for analyzing key findings of Access to Justice for the Urban Poor a regional technical assistance grant to four developing member countries in Asia and the Pacific Bangladesh Indonesia the Philippines and Thailand The findings consist of case studies illustrating typical problems encountered by the poor in connection with access to urban assets and services and identifies the types of grievances or disputes that may arise because of these issues The publication reproduces key case studies to illustrate significant concepts

Water Service Provision for the Peri-urban Poor in Post-conflict Angola Allan Cain, Martin Mulenga, 2009 This paper is an output of the Sida DANIDA and DFID funded project entitled Improving urban water and sanitation provision globally through information and action driven locally This project was carried out by IIED and five of its partners in Angola Argentina Ghana India and Pakistan The project aims to document innovative and inspiring examples of locally driven water and sanitation initiatives in deprived urban areas The project provides a basis for better understanding of how to identify and build upon local initiatives that are likely to improve water and sanitation services The project also looks at how local organisations in those countries have managed to scale up successful projects

work collaboratively finance water and sanitation schemes and use information systems such as mapping to drive local action and monitor improvements *Guidelines for Formulating Projects to Benefit the Urban Poor in the Developing Countries* PADCO.,1976 *Urban Poor Funds* Diana Mitlin,2008 **Mental Health Issues and the Urban Poor** Dorothy Alita Evans,William L. Claiborn,2013-10-22 Mental Health Issues and the Urban Poor is a collection of papers presented at the Third Annual Symposium on Current Issues in Community Clinical Psychology Mental Health Issues and the Urban Poor held at the University of Maryland in March 1973 This book presents the relevance of mental health theory and technology to problems in coping faced by the urban poor Comprised of five parts the book first highlights the trends and issues concerning mental health and poverty It then discusses existing perspectives on values theory and research and illustrates models for mental health action aimed at alleviating the problems of the urban poor This text also provides examples of training and service programs in mental health professions This book is valuable to mental health professionals interested in fresh and realistic perspectives on mental health services provided to the poor **Tapping the Market** A. Nickson,R. Franceys,2003-08-12 This book examines the challenge of reform of the urban water supply sector in developing countries based on case studies of state owned water companies in Ghana India Sri Lanka and Zimbabwe The growing public private partnership for urban water supply is analyzed focussing on the concession contract model The implications for meeting the water needs of the urban poor for the regulatory role of the state and for state capacity building are also discussed

Catholic Schools in the Public Interest Patricia A. Bauch,2014-03-01 This book is a study of the contributions of Catholic K 12 schools in the United States to the public interest from the 1800 s to the present It presents seven strategies that have the possibility of leading Catholic schools in positive new directions Outsiders often misunderstand the mission purpose and inclusivity of Catholic schools This book brings a new focus on Catholic schools from the perspective of their service to this country through the education of Catholics and non Catholics In 16 chapters a variety of scholars examine these schools across three periods echoes of the past realities of the present and future directions The intention of the editor and authors of this volume is that Catholic schools and those interested in conducting Catholic school research will find guidance especially in examining newer types of partnerships flourishing in different types of Catholic schools in different regions of the country and types of schools from rural suburban to city and inner city schools By increasing the data we have such studies could help stem the tide of Catholic school demise In addition Catholic school leaders and parents who chose them or are thinking about choosing them will find here a balanced description of what constitutes a Catholic school and how they are different from public schools In understanding better the role and function of Catholic schools in serving the public interest new ideas innovations and improvements can help these schools survive and grow *The Betrayal of the Urban Poor* Helene Slessarev,Helene Slessarev-Jamir,1997 Presents the history from 1960 of how policies allegedly designed to promote the welfare of the urban poor have been half hearted This book shows how little the Civil Rights Act of 1964 and the

War on Poverty provided for the urban poor and demonstrates the weakness of job training programs devised at the federal level

Place Matters Peter Dreier, John H. Mollenkopf, Todd Swanstrom, 2004 Analyzes the problematic trends facing America's cities and older suburbs and challenges us to put America's urban crisis back on the national agenda

The Urban Poor in Latin America Marianne Fay, 2005 About half of the region's poor live in cities and policy makers across Latin America are increasingly interested in policy advice on how to design programmes and policies to tackle poverty This publication argues that the causes of poverty the nature of deprivation and the policy levers to fight poverty are to a large extent site specific It therefore focuses on strategies to assist the urban poor in making the most of the opportunities offered by cities such as larger labour markets and better services while helping them cope with the negative aspects such as higher housing costs pollution risk of crime and less social capital

Serving with the Urban Poor, 1998

Basic Needs and the Urban Poor P. J. Richards, A. M. Thomson, 2017-10-12 Originally published in 1984 The diverse problems suffered by the urban poor in Asia and the means by which their welfare levels can be raised are investigated comprehensively in this study All chapters written by specialists deal with a particular subject but the general theme remains that the factors causing urban poverty and low income levels are interconnected and transmitted from one generation to another It is intended that this study will lead to discussion of the problems involved in providing services for the urban poor and result in the increased responsiveness of urban management This title will be of interest to students of urban and development studies

Readings for Social Work Practice, **Kenya Gazette**, 2007-10-05 The Kenya Gazette is an official publication of the government of the Republic of Kenya It contains notices of new legislation notices required to be published by law or policy as well as other announcements that are published for general public information It is published every week usually on Friday with occasional releases of special or supplementary editions within the week

Urban Waste and Sanitation Services for Sustainable Development Bas van Vliet, Joost van Buuren, Shaaban Mgana, 2013-11-12 Urban sanitation and solid waste sectors are under significant pressure in East Africa due to the lack of competent institutional capacity and the growth of the region's urban population This book presents and applies an original analytical approach to assess the existing socio technical mixtures of waste and sanitation systems and to ensure wider access increase flexibility and ecological sustainability It shows how the problem is not the current diversity in waste and sanitation infrastructures and services and variety of types and scales of technology of formal and informal sector involvement and of management and ownership modes The book focuses instead on the lack of an integrative approach to managing and upgrading of the various waste and sanitation configurations and services so as to ensure wider access flexibility and sustainability for the low income populations who happen to be the main stakeholders This approach coined Modernized Mixtures serves as a nexus throughout the book The empirical core addresses the waste and sanitation challenges and debates at each scale from the micro level households to the macro level international support and is based on the results of a five year long interdisciplinary empirical research program It assesses

the socio technical diversity in waste and sanitation and provides viable solutions to sanitation and waste management in East Africa This book provides students researchers and professional in environmental technology sociology management and urban planning with an integrated analytical perspective on centralized and decentralized waste and sanitation configurations and tools for improvement in the technology policy and management of sanitation and solid waste sectors
