The ethics of the dust. The crown of Wild Olive. The queen of the air** John Ruskin,1887 The Works of John Ruskin E. T. Cook,Alexander D. O. Wedderburn,2001* *Sesame and Lilies; The Ethics of the Dust; The Crown of Wild Olive* John Ruskin,2016-07-12 Excerpt from Sesame and Lilies The Ethics of the Dust The Crown of Wild Olive With Letters on Public Affairs 1859 1866 These two lectures are fragmentary and ill arranged but not I think diffuse or much compressible The entire gist and conclusion of them however is in the last six paragraphs 135 to the end of the third lecture which I would beg the reader to look over not once nor twice rather than any other part of the book for they contain the best expression I have yet been able to put in words of what so far as is within my power I mean henceforward both to do myself and to plead with all over whom I have any influence to do also according to their means the letters begun on the first day of this year to the workmen of England having the object of originating if possible this movement among them in true alliance with whatever trustworthy element of help they can find in the higher classes After these paragraphs let me ask you to read by the fiery light of recent events the fable at p 116 and then 129 131 and observe my statement respecting the famine at Orissa is not rhetorical but certified by official documents as within the truth Five hundred thousand persons at least died by starvation in our British dominions wholly in consequence of carelessness and want of forethought Keep that well in your memory and note it as the best possible illustration of modern political economy in true practice and of the relations it has accomplished between Supply and Demand Then begin the second lecture and all will read clear enough I think to the end only since that second lecture was written questions have arisen respecting the education and claims of women which have greatly troubled simple minds and excited restless ones I am sometimes asked my thoughts on this matter and I suppose that some girl readers of the second lecture may at the end of it desire to be told summarily what I would have them do and desire in the present state of things This then is what I would say to any girl who had confidence enough in me to believe what I told her or do what I ask her About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
