Retha's Song Retha Bogard, 2012-10 In *Retha's Song* A Rhapsody of the Soul Retha hears her God the sun speak to her for the first time at the age of seven He speaks of a baby boy being born who lived far away from her and is her beloved As long as she listens to God's voice and stays on her path and the young boy stays on his path with God's guidance they will meet She strays many times from the voice of God and her path During the journey she is struck with a devastating Bipolar Disorder and her young son is diagnosed with Crohn's disease which nearly took his life Her faith began taking new direction and she began experiencing phenomenal supernatural events in her life Her intuition became increasingly powerful however internal mind altering suffering kept plaguing her Music directed by the angels was the compelling force that was the interwoven thread that could bring these two souls together as they are both singers and songwriters Could a miracle happen

High Tea Asa, 2003-08 *Can't Nobody Take Me Away* is a wonderful journey into the mind of a writer who is blossoming into the full power of creative expression Presented in lyric verse the body of work is deeply moving and emotional expressing a wide variety of emotions and social commentary Deeply introspective and ambient the author creates a mood and sets a stage that will captivate the audience's senses and transport them to another place and time The embodiment of four years of writing *Can't Nobody Take Me Away* is a telling tale of the author's growth as a writer and a person The title poem has earned several awards as well as publications and audio recordings Confident vulnerable defiant and endearing this book is a testament to strength and fortitude showing that strength comes through vulnerability honesty and self knowledge The author stands in radiant defiance declaring I am here to stay and I believe him
