E Street Shuffle Clinton Heylin, 2013-01-03 The celebrated popular music scholar presents an intimate portrait of The Boss and his legendary band Bruce Springsteen fans know that the band makes the man which is why millions of people have jammed stadiums and arenas to see The Boss play countless shows with his incredible E Street Band In this revelatory and unapologetic biography respected music scholar Clinton Heylin turns a critical eye towards Springsteen's early days capturing this classic phase of his career and his rise from Asbury Park hood rat to global rock star Using long buried archival recordings and bootlegs Heylin expertly traces Springsteen's creative process as a songwriter and performer and illuminates the roles of the E Street Band members in creating their distinctive sound Highly nuanced and as fiery as Springsteen himself *E Street Shuffle* offers the most revealing portrait yet written on this American icon *Garcia: An American Life* Blair Jackson, 2000-08-01 He was there when Dylan went electric when a generation danced naked at Woodstock and when Ken Kesey started experimenting with acid Jerry Garcia was one of the most gifted musicians of all time and he was a member of one of the most worshiped rock n roll bands in history Now Blair Jackson who covered the Grateful Dead for twenty five years gives us an unparalleled portrait of Garcia the musical genius the brilliant songwriter and ultimately the tortured soul plagued by his own addiction With more than forty photographs many of them previously unpublished Garcia *An American Life* is the ultimate tribute to the man who Bob Dylan said had no equal Dark Horse Records Aaron Badgley, 2024-11-06 In 1974 with Apple winding down George Harrison still aspired to help new artists so rather than trying to salvage Apple he set up his own label Dark Horse Records on a much smaller scale His plan was to release records from new artists as well as some of his old friends with an eye to eventually releasing his own music While Dark Horse had an encouraging beginning with a hit single from Splinter the label suffered increasing problems failing to establish itself in the way Harrison hoped However some incredible and varied music was created from 1974 to 1977 including some of Harrison's best solo material Towards the end of its initial life Dark Horse dropped most of its artists and released mainly Harrison's solo work Thankfully since 2020 Dhani Harrison has taken the reins and has made Dark Horse viable once again signing Cat Stevens and Billy Idol and releasing music from Joe Strummer and Leon Russell Finally in 2023 it was announced that Harrison's entire solo catalog was going to be re-released on Dark Horse This book tells the story of the label from the beginning through its struggles and on to its exciting renaissance in the new millennium At a very young age Aaron Badgley developed a profound love of The Beatles and music in general also developing a fascination with record labels At the age of 19 he started working in radio and by the age of 20 he was a production manager for a number of stations in Canada In 2005 he debuted his syndicated radio show The Beatles Universe which ran for six years Currently he is the host of Here Today and Backwards Traveller radio shows and co-hosts From Memphis To Merseyside and The Way Back Music Machine with Tony Stuart He writes for Spill Magazine and Immersive Audio Album He has also contributed to the All
