**Information agency** United States. Congress. House. Committee on Appropriations,1962 *Bridge Builders* Nathan Bomey,2021-05-13 In these turbulent times defined by ideological chasms clashes over social justice and a pandemic intersecting with misinformation Americans seem hopelessly divided along fault lines of politics race religion class and culture Yet not everyone is accepting the status quo In *Bridge Builders Bringing People Together in a Polarized Age* journalist Nathan Bomey paints a forensic portrait of Americans who are spanning gaping divides between people of difference From clergy fighting racism in Charlottesville to a former Republican congressman engaging conservatives on climate change and Appalachian journalists restoring social trust with the public these countercultural leaders all believe in the power of forging lasting connections to bring about profound change Though the blueprints for political social and cultural bridges vary widely bridge builders have much in common and we have much to learn from them In this book Bomey dissects the transformational ways in which bridge builders are combatting polarization by pursuing reconciliation rejecting misinformation and rethinking the principle of compromise

**Traditional Cures for Modern Conflicts** I. William

Zartman,2000 This text identifies contributions of traditional mechanisms for conflict management in Africa and elsewhere With African conflicts eluding efforts to be controlled this work is guided by the question can traditional methods yield insights and approaches that might help end the violence

**Echo Chambers of Conflict** Jonathan Matusitz,Jonah

Lynne,2025-10-20 This volume offers a detailed description of how media propaganda shapes public perception in conflict zones drawing on key communication theories like framing and agenda setting It analyzes disinformation campaigns by Hamas and Israel showing how psychological warfare plays out on social media platforms The book delves into polarization and radicalization emphasizing social media s role in exacerbating these processes and exploring how individuals especially youths are radicalized online through gradual stages of desensitization This discussion is expanded through an analysis of digital activism and the role of social media in facilitating global protest movements

Welfare, Happiness, and Ethics L. W. Sumner,1996 Moral philosophers agree that welfare matters But they disagree about what it is or how much it matters Wayne Sumner presents an original theory of welfare investigating its nature and discussing its importance He considers and rejects all notable theories of welfare both objective and subjective including hedonism and theories founded on desire or

preference His own theory connects welfare closely with happiness or life satisfaction Reacting against the value pluralism that currently dominates moral philosophy he advances welfare as the only basic ethical value He concludes by discussing the implications of this thesis for ethical and political theory Written in clear non technical language and including a definitive survey of other work in this area Sumner s book is essential reading for moral philosophers political theorists and welfare economists
