Research and teaching activities in the fields of language literature and culture are still being carried out even during the Covid 19 era that hit the world. It is undeniable that the results of research and learning of language literature and culture at this time were a bit hindered because most activities were carried out from home. During the Covid 19 period which started in early 2020, practically more activities were done at home. Likewise, institutions during the Covid 19 era were carried out online. For example, the Language Agency continues to carry out activities but it is carried out online such as online webinars that contribute to the wider community in accordance with the duties and functions of the Language Agency carried out using a hybrid method or completely online. Various events are packaged creatively and innovatively to produce a new spirit in speaking. Research and teaching of language literature and culture during the Covid 19 period resulted in many amazing innovations and creativity in line with technological developments. Covid 19 has inspired many in research on language literature and culture. In the field of language, you can see research on the language used in Covid 19 such as said cases of suspected respiratory tract infection ODP People Under Monitoring confirmed cases, a person who is late known to be infected with Covid 19, etc. That's the content. Content on YouTube about the use of language is a hot object of research to research. In terms of culture, the Government is making various efforts to break the chain of the spread of the Covid 19 pandemic in a massive and systematic manner. Covid 19 is not only a deadly virus but has a domino effect that is also terrible. One of the policies used by the government in preventing and controlling the spread of Covid 19 is implementing the Large Scale Social Restrictions PSBB policy. As an investment, culture also requires strategies and enablers so that it is able to achieve the target of the happiness and welfare of the Indonesian people. This strategy is implemented through providing for a diversity of cultural expressions, developing cultural practices, utilizing cultural promotion objects, accelerating institutional reform, and increasing the government's role as a facilitator. Teaching issues, especially teaching methods of language literature and culture, need to be highlighted in terms of IT-based innovation and creativity after Covid 19. How, especially teaching methods in applying the material. Research on learning methods has also been carried out a lot, especially methods that focus on students entering the new normal era or the new era after Covid 19 with innovative research and learning of language literature and culture. It is interesting to reveal a major event, namely the 3rd International Conference on Linguistics and Cultural Studies sponsored by the Faculty of Cultural Sciences Hasanuddin University Makassar. *The ESL/ELL Teacher's Book of Lists* Jacqueline E.
