*Heretic Blood* Michael W. Higgins,2016-10-31 Thirty years after his death we are finally catching up to Thomas Merton as one of the greatest spiritual figures of the twentieth century The genius and spirituality of this unusual man could not be contained in his life as a monk but spilled over richly into his life and work as a poet critic rebel sage and even artist and photographer Merton was aware that he had heretic blood within him and it soon became apparent to the world The balding French English intellectual living as a Trappist monk at Our Lady of Gethsemani Abbey in Kentucky took a vow of silence yet corresponded with and befriended such luminaries as Joan Baez Jacques Maritain John Howard Griffin Martin Luther King Jr Erich Fromm and Boris Pasternak His famous autobiography *The Seven Storey Mountain* captured the imagination of a generation selling more than six hundred thousand copies in its first year Merton also took a vow of obedience yet feuded constantly with his second abbot As a monk he promised to remain celibate yet he found himself passionately in love with a nurse he met while in hospital in Louisville Kentucky And at the end of his life Merton a monk within the western Roman Catholic tradition was moving closer and closer to Eastern spirituality This brilliant new book is the first to use recently released diary entries and correspondence by Merton and includes new insights about the recently published diary of his episode of the heart Higgins compares Merton with William Blake the monk s intellectual and spiritual hero and comes to

startling conclusions about the emotional and intellectual passions that drove Thomas Merton a man and thinker for all seasons

*A Chastened Communion* Andrew J. Auge, 2013-12-03 A Chastened Communion traces a new path through the well traversed field of modern Irish poetry by revealing how critical engagement with Catholicism shapes the trajectory of the poetic careers of Austin Clarke Patrick Kavanagh John Montague Seamus Heaney Eil an N Chuillean in Paul Durcan and Paula Meehan Underlying their divergent poetic styles and thematic concerns Auge discerns a common pattern He shows how a demythologizing critique of some elemental features of Irish Catholicism the sacraments of confession and the Eucharist the pilgrimages to holy wells and Lough Derg the veneration of the Blessed Virgin the imperative to self sacrifice the narrowly patriarchal nature of the institution elicit for each of these poets a radical reshaping of these traditional religious phenomena Auge provides compelling new readings of major Irish poets and establishes a basis for distinguishing modern Irish poetry from its Anglophone counterparts

**An Asian Woman's Religious Journey with Thomas Merton** Jung Eun Sophia Park, 2021-11-30 Join Jung Eun Sophia Park on her personal quest for God and her true self through the writings of Thomas Merton Approaching Merton as an Asian immigrant feminist in the postcolonial era Park's perspective is a unique one and in this dance sometimes it is her and sometimes Merton who leads Throughout Eastern and Western spirituality are organically woven together in reflection on Merton's narratives and in the examination of late capitalism poverty beauty and violence These reflections are insightful provocative and illuminating particularly with regard to his androcentric spirituality especially as it relates to his relationships with women

**Closing Comments** Brian A. Smith, 2000-12 *The Spirit of Project Management* Judi Neal, Alan Harpham, 2017-03-02 Projects have always been essentially human endeavours Large modern projects are generally highly complex fraught with technical difficulties and supported by diverse often apparently conflicted stakeholders The spirituality that originally defined

some of the great construction projects of the classical era surely has a role in project management today The Spirit of Project Management explains the context for spirituality in projects and explores how it can be used to create a larger sense of purpose and achievement to help encourage an esprit de corps amongst all those involved to act as a touchstone for ethical and sustainable decision making This is a very pragmatic book The first part includes an explanation and a variety of useful models for understanding the significance and value of spirituality in projects Judi Neal and Alan Harpham devote the second part of the book to help you integrate these ideas into your day to day management of projects Thus there are chapters on spirituality from the perspective of the individual the project team the project organization and even project management within a sustainable world framework Read this book use the ideas to help you articulate your projects engage and sustain your project team and your stakeholders and frame how you work in terms of your organisation society and the environment
