the symbolic meaning of the Revelation to John the last book of the New Testament He clearly stated that this book is not
about a horrific end time but rather humankind's journey back home to God Also Jesus the Christ told us about his true
journey two thousand years ago correcting some misconceptions providing original wording of mistranslations in the Bible
and expressing concern that his message was not passed on as he intended Instead of his message of love and forgiveness we
got caught up in the miracles he performed
