Seven Initiations Of The Spiritual Path:

The Seven Initiations on the Spiritual Path Michael Mirdad, 2008-03-31 Michael Mirdad has written a book that can assist us all on the path to wholeness and help us live a life of balance and peace. By using life's little lessons and tests also called initiations, Dr. Mirdad explains that as we learn, we open our hearts and our souls' connection to God becomes stronger. As this happens, we move closer to a more spiritual and enlightened life. The seven basic initiations involve different parts of ourselves: from our bodies, minds, emotions, and spirit. This book is not only to be read but experienced. The message is to take those triumphs and tragedies of life and use them as pavers to continue to build our road to peace and happiness. *Beyond Ascension* Joshua David Stone, 1995 This book brings forth incredible new channeled material that completely demystifies the seven levels of initiation and how to attain them. It contains revolutionary new information on how to anchor and open our thirty-six chakras and how to build our light quotient at a rate of speed never dreamed possible. The book includes a chapter on cosmic ascension and a unique cosmic map that outlines the process of planetary ascension. The map also charts the course for full cosmic ascension through the seven cosmic planes and forty-eight dimensions of reality back to the Godhead and undifferentiated Source. **Cosmic Ascension** Joshua David Stone, 1998-02-01 Cosmic Ascension Your Cosmic Map Home Almost all the books on the planet on the subject of ascension are written about planetary ascension. However, because of the extraordinary times in which we now live in terms of Earth's history, there is a new opening and potentiality to also begin one's cosmic ascension process. This has never before been available. It must be understood as Vywamus has said that in completing our planetary ascension, we are no more than one-tenth of the way up a ten-inch ruler in terms of our cosmic ascension process. This includes most of the ascended masters. We on Earth who are working to complete our seven levels of initiation must remember that there are 352 levels of initiation to return to the godhead of Father Mother God at the top of creation. Most of the Ascended Masters of the entire Spiritual Hierarchy are not beyond the 12th initiation. This is not a criticism, just a simple statement of fact. The question is: What lies beyond the next nine-tenths of the ruler and how do we achieve our cosmic ascension as well as our planetary ascension, which is no small feat in and of itself? It is for this purpose that the author was guided to write this book. Beyond Ascension Joshua David Stone, 1996-12-12 This book brings forth incredible new channeled material that completely demystifies the seven levels of initiation and how to attain them. It contains revolutionary new information on how to anchor and open our thirty-six chakras and how to build our light quotient at a rate of speed never dreamed possible. The book includes a chapter on cosmic ascension and a unique cosmic map that outlines the process of planetary ascension. The map also charts the course for full cosmic ascension through the seven cosmic planes and forty-eight dimensions of reality back to the Godhead and undifferentiated Source. *How to Be Financially Successful* Joshua David Stone, 2005-07-01 The guiding principle in Dr. Stone's classic work on business and prosperity consciousness is this: If you desire abundance for yourself, dedicate your life to helping others find abundance as

well As one of the most successful businessmen of the New Age movement Dr Stone has written an easily digestible book full of tools and advice for achieving prosperity This book conveys esoteric secrets of the universe that if mastered can lead to maximum manifestation results Based on personal experience and the deep spiritual psychological and earthly insights from Dr Stone s extensive research and application of these principles this book is like no other in the financial field because it is a holistic approach for life study rather than just another book about money it will change not only your finances but your life
