

Step-by-step guide to two classic coin tricks

Materials

• medium to large coin, such as a quarter

Trick 1: The Knuckle Roll

Step 1: Start by holding the coin in your hand. Show it to your audience.

Step 2: Move the coin between your thumb and your index finger, and roll your hand over so the coin is facing down.

Step 3: With your thumb, slide the coin on the side of your index finger and it will roll on top of the finger.

Step 4: Move over the middle finger where the index finger is, then the two new coins appear. It looks like index finger and then the middle finger so that the coin looks like it's moving from the middle finger (which was underneath) and the coin falls to the middle finger.

Step 5: Repeat this by moving the middle finger and lowering the fourth finger, also called the ring finger, so that the coin falls again.

Step 6: Finally, flip the coin so that it is showing the top face and the coin.

Step 7: Have your fingers slightly so that the coin falls through the gap. Turn your hand so the palm faces up. With your thumb, push across and slide the coin back into your palm.

Now practicing until you can do this quickly and smoothly. Then try to do it in only three seconds in a row!

Trick 2: Classic Coin from Behind an Ear Trick

Step 1: Hold the coin in your palm with it resting between the joints of your fingers. Bend your fingers slightly so you are holding the coin in the crease of your fingers. You should be able to lose your hand and hold it down by your side without dropping the coin.

Step 2: Approach your subject and hold up constant with them while they are looking at you. Move your hand with the palm down toward their head.

Step 3: When your hand is by their ear, it will be outside their peripheral vision. Then you can straighten your hand and with your thumb push the coin to the end of your fingers.

Step 4: When they pull their hand forward with the coin between your fingers, to do!

Good and that are really important! Step 4, it and it should be completed in one second maximum.
