Seven Novels Other Stories

Franz Kafka

Seven Novels Other Stories:

The Egg and Other Stories Sherwood Anderson, 2000 Published two years after the innovative influential 1919 masterpiece *Winesburg Ohio* this collection of short stories solidified the author's reputation as a major American writer. These stories explore intriguing psychological depths redolent with personal epiphanies, erotic undercurrents and sudden eruptions of passion among seemingly repressed inarticulate Midwesterners.

Dwight's House and Other Stories Meredith Sue Willis, 2004

Uncle Valentine and Other Stories Willa Cather, 1973-01-01 The seven stories in this volume were written during the ascending and perhaps most triumphant years of Willa Cather's career, the period during which she published nine books including *My Antonia*, *A Lost Lady*, and *Death Comes for the Archbishop*. For the most part, ironic in tone, these stories are, as Bernice Slote observes, bound by the geometrics of urban life, streets and offices, workers and firms, the business world of New York and Pittsburgh, the cities which by 1929 Willa Cather had known well for over thirty years. In her introduction, Slote discusses their biographical elements, connections with earlier and later work, and the intricate patterns that lie below the lucid shimmering surface of Willa Cather's prose.

The Duel and Other Stories Anton Chekhov, 2014-03-05 Six selections from the famed Russian showcase his natural aptitude for detail, dialogue, humor, and compassion. Includes *The Darling*, *The Kiss*, *Anna on the Neck*, the title story, and more.

Beginnings: five heroic fantasy adventure novels Lindsay Buroker, 2017-02-28 When her island home is invaded by enemy soldiers, her family captured, and the town enslaved, Taylina must find a way to fight back and free her people. But their enemies have powerful warships, sorcerers, and dragons. Her simple people are no match. Her only hope is to venture onto the forbidden half of the island and seek the one individual powerful enough to battle their enemies, a dragon known for eating humans rather than helping them. Find out what happens to Taylina and meet the dragon who thinks he's a god in *Dragon Rider*, a prequel to Lindsay's USA Today bestselling *Dragon Blood* series. In addition to *Dragon Rider*, *Beginnings* features four previously published fantasy adventure novels, all with new introductions from the author: *Encrypted*, *The Emperor's Edge*, *Balanced on the Blade's Edge*, *Warrior Mage*.

Home and Beyond Morris Allen Grubbs, 2013-04-06 A bountiful smorgasbord of classic and lesser-known stories by accomplished Kentucky writers who provide a feast for readers of modern short fiction. Ann Charters, author of *The Story and Its Writer*, with an introduction by Wade Hall Morris. Grubbs has sifted through vintage classics, little-known gems, and stunning debuts to assemble this collection of forty stories by popular and critically acclaimed writers. In subtle and profound ways, they challenge and overturn accepted stereotypes about the land their authors call home, whether by birth or by choice. Kentucky writers have produced some of the finest short stories published in the last fifty years, much of which focuses on the tension between the comforts of community and the siren-like lure of the outside world. Arranged chronologically from Robert Penn Warren's *Blackberry Winter* to Crystal E. Wilkinson's *Humming Back Yesterday*, these stories are linked by their juxtaposition of departures and returns, the familiar and the unknown, home and beyond. The story

of the Commonwealth of Kentucky is told and retold by a mixed but balanced chorus of voices that sings like the wind down the ridges and along the creekbeds Appalachian Journal Readers needn't be from Kentucky to appreciate these stories Prepare to be wowed by these superior examples of the form The Bloomsbury Review From Robert Penn Warren to Bobbie Ann Mason Kentucky hatches writers like other states create tourist traps The Nashville Tennessean If you love Kentucky authors this anthology of short stories is a must for your Kentucky collection Bourbon Times

The seven books of the Jewish war, with two books against Apion, and a discourse concerning Hades, to which are added three dissertations concerning Jesus Christ, John the Baptist, James the Just, and God's command to Abraham, etc., and an index to the whole Flavius Josephus, 1809 **The Metamorphosis and Other Stories** Franz Kafka, 2009-07-09

For the 125th anniversary of Kafka's birth comes an astonishing new translation of his best known stories in a spectacular graphic package *English Prose Fiction* St. Louis Mercantile Library, 1892 **Notes on books** Longmans, Green and co, 1885

Longmans' supplementary readers. Fairy tale books. Misers Timothy Alborn, 2022-05-05 This volume uses the extreme case of misers to examine interlocking categories that undergirded the emergence of modern British society including new perspectives on charity morality and marriage new representations of passion and sympathy and new modes of saving spending and investment Misers surveys this class of people as invented and interpreted in sermons poems novels and plays analyzed by economists and philosophers and profiled in obituaries and biographies to explore how British attitudes about saving money shifted between 1700 and 1860 As opposed to the century before the nineteenth century witnessed a new appreciation for misers as economists credited them with adding to the nation s stock of capital and novelists newly imagined their capacity to empathize with fellow human beings These characters shared the spotlight with real people who posthumously donned that label populating into a cottage industry of miser biographies by the 1850s By the time A Christmas Carol appeared in 1843 many Victorians had come to embrace misers as links that connected one generation s extreme saving with the next generation s virtuous spending With a broad chronological period this volume is useful for students and scholars interested in representation of misers in eighteenth and nineteenth century Britain
