Smith, 2020-04-27 This book is dedicated to all the honest seekers who are searching for the truth After fifty years of sharing my faith I realized that most people who reject the Bible have

common objections Here are some of the usual arguments voiced by people 1 There are so many religions claiming to be the truth So why should we believe the Bible 2 The Bible must be flawed because it was written by man and all men have flaws 3 It was written so long ago how can we trust it 4 It makes the most unbelievable claims God coming in the form of a man born of a virgin walked on water gave sight to the blind died on a cross and was raised from the dead It is not my intent to convince or to convert skeptics The purpose of this book is to present the facts concerning the Bible and let the reader come to his or her own conclusion If the Bible is true then its content compels every human to make a choice concerning its message IT LEAVES NO ROOM FOR NEUTRALITY NOR INDIFFERENCE      *Seven Reasons Why We Need Jesus* Lin Wills, 2021-03-01 Many of us can feel empty and don't really understand why It is because we were made by God for God We were born with this need inside us When we go our own way in life and don't count God in we can get in a mess because we don't understand what is really best for us Only God knows that We were not made to carry guilt Our shoulders are not big enough When guilt weighs heavily on us it can cause all sorts of problems mental emotional and physical When we say sorry for the wrong things we've done God wipes our slate clean He wipes it all away We are justified just as if we had never sinned      *Seven Reasons To Refute The Idea That We Are Visited By Aliens* Joseh Hamington, In a world where the idea of extraterrestrial visitors captures the imagination of many this book offers a thoughtful and meticulous analysis of the possibility that we are genuinely visited by beings from other worlds Delving into scientific evidence astronomical observations challenges of interstellar travel and the biological aspects of beings the author paints a picture that challenges popular conceptions of alien visitors on Earth From the inherent challenges of traveling across the vast distances of outer space to the intricate details of biological interactions the combination of his research with a critical and unbiased perspective makes *Seven Reasons to Refute the Idea That We Are Visited by Aliens* an essential read for anyone intrigued by the UFO phenomenon and the possibility of alien life on Earth Whether you are a skeptic or an enthusiast on the subject this book will provide valuable insights that will deepen your understanding of one of the greatest mysteries of our time      7

D., 2022-03-22 That money talks I'll not deny I heard it once it said goodbye I grew up hearing this saying and it often made me chuckle Maybe that's because on our farm we had plenty of land and livestock but little cash Once I began pastoring a church however the humor in that little jingle began to fade There is little doubt that one of the great challenges for Christian leaders today is the task of securing adequate funding and other resources for ministry There are numerous reasons for this and Brother Vincent Nwankpa does a tremendous job uncovering these and other issues in his new book *The Joy of Faithful and Cheerful Giving*

Wonderful Principles to Embrace Enjoying the read I found his research to be biblically solid up to date and relevant to today's realities The people in our pastorate were generous Even though our salary was low they gave affection time energy food and faithful support to my wife and me as we began our ministry life together But along the road our years in ministry have been a financial struggle and for most pastors and missionaries today the difficulties are a real and present danger to their health wealth and mission Kudos to Dr Nwankpa for taking the time and energy to share biblical wisdom and a lifetime of experience to encourage and teach all of us in Christian service You are correct Brother Vincent when you assert that too little instruction about giving is being given in churches today It is time for a renewed focus on the basic principles of giving and the joy that comes from giving generously in the body of Christ Mick Boersma PhD Professor Emeritus of Christian Ministry and Leadership Talbot School of Theology Biola University January 17 2021 When you think of giving to the Lord do you feel burdened Or do you get excited about the amazing opportunities that will open up when you surrender your resources to His control In this wonderful little book Vincent Nwankpa unlocks Biblical secrets about giving that will show you how giving to the Lord and to others is a pathway to joy and victory that you have never known Putting these principles in practice will not only transform your giving but also your walk with God for the rest of your life by Jack Littlefield     **The Club Woman's Magazine** ,1925     Herald of Gospel Liberty Elias Smith,1903
