Honoring God with Body and Mind Steven D.

Hoogerwerf,2019-11-13 Have you ever wondered how it would look to live out a Christian sexual ethic amid the varied and confusing sexual messages that are part of modern culture Does the Christian tradition provide us with a way to think about and act on our natural God given sexual desires Honoring God with Body and Mind invites readers to consider these questions and some ways of answering them by guiding them into a conversational style of moral reflection Unlike many books about Christians and sex this one doesn t simply tell you what to do or not to do Instead you will be led to think about how the meaning of sex can provide sexual boundaries but also how the relational dimension of sex and the virtue of sexual integrity can provide a context for sexual decision making Informed by many years of conversations with college students the author also invites you to think about practical questions such as these Can men and women be friends without the complications of sexual attraction If I haven t always included Christian values in my sexual practices and carry some painful memories and regrets is there any hope of healing What is lust Is masturbation sinful Can virginity be reclaimed

Abstinence Cinema Casey Ryan Kelly,2016-03-08 From the perspective of cultural conservatives Hollywood movies are

cesspools of vice exposing impressionable viewers to pernicious sexually permissive messages Offering a groundbreaking study of Hollywood films produced since 2000 *Abstinence Cinema* comes to a very different conclusion finding echoes of the evangelical movement's abstinence only rhetoric in everything from *Easy A* to *Taken* Casey Ryan Kelly tracks the surprising sex negative turn that Hollywood films have taken associating premarital sex with shame and degradation while romanticizing traditional nuclear families courtship rituals and gender roles As he demonstrates these movies are particularly disempowering for young women concocting plots in which the decision to refrain from sex until marriage is the young woman's primary source of agency and arbiter of moral worth Locating these regressive sexual politics not only in expected sites like the *Twilight* films but surprising ones like the raunchy comedies of Judd Apatow Kelly makes a compelling case that Hollywood films have taken a significant step backward in recent years *Abstinence Cinema* offers close readings of movies from a wide spectrum of genres and it puts these films into conversation with rhetoric that has emerged in other arenas of American culture Challenging assumptions that we are living in a more liberated era the book sounds a warning bell about the powerful cultural forces that seek to demonize sexuality and curtail female sexual agency
