Pitch Craft Laura Goode, 2025-09-16. An award winning author and Stanford writing instructor demystifies the business of writing with this practical, procedural guide to creating successful pitches, impressing editors and agents, negotiating compensation and more. Published multi-genre writer Laura Goode had an epiphany after finishing her MFA and building a freelancing career. Nobody is teaching writers how to wield their persuasive storytelling abilities to make money from their writing. So she decided to write the business of writing handbook she needed most. Pitch Craft draws on Goode's experience as a novelist, poet, essayist, filmmaker and creator of a pitching and publishing course to uncover what nobody else will tell you about the business strategy that creates a writing career. With unapologetic honesty earned from years of navigating the publishing world, each chapter in this valuable insider's guide reads a distinct element of putting your work out into the world, such as: Constructing effective author bios and websites; Leveraging your social media platform; Developing a reliable template for pitches and queries; Cultivating relationships with publishing gatekeepers; Strengthening your self-advocacy skills. Pitch Craft is for writers in all genres and of all experience levels, whether you're just getting started, are considering applying to a graduate program or have been in the trenches for decades. After reading and completing the assignments in Pitch Craft, you'll hold a finished pitch in hand and the knowledge and skills to navigate your dream literary career.

**The Oxford Handbook of Mystical Theology** Edward Howells, Mark A. McIntosh, 2020-02-25 The Oxford Handbook of Mystical Theology provides a guide to the mystical element of Christianity as a theological phenomenon It differs not only from psychological and anthropological studies of mysticism but from other theological studies such as more practical or pastorally oriented works that examine the patterns of spiritual progress and offer counsel for deeper understanding and spiritual development It also differs from more explicitly historical studies tracing the theological and philosophical contexts and ideas of various key figures and schools as well as from literary studies of the linguistic tropes and expressive forms in mystical texts None of these perspectives is absent but the method here is more deliberately theological working from within the fundamental interests of Christian mystical writers to the articulation of those interests in distinctively theological forms in order finally to permit a critical theological engagement with them for today Divided into four parts the first section introduces the approach

to mystical theology and offers a historical overview Part two attends to the concrete context of sources and practices of mystical theology Part three moves to the fundamental conceptualities of mystical thought The final section ends with the central contributions of mystical teaching to theology and metaphysics Students and scholars with a variety of interests will find different pathways through the Handbook
