Rainbow's Shadow and the Other Side of Paradise John Cicero,2012 We conclude the Rainbow s Shadow trilogy with a journey into the Other Side of Paradise Faced with the ultimate decision Will has to choose between true paradise or chasing a madman into the other side The decision is easy His brothers soul and the ability to eliminate evil is motivation enough to forego experiencing paradise Only one destination is at hand He has to enter the belly of the beast and he knows it Accompanied by his buddy Jimmy Foster Will sets out on a journey unlike anything they have witnessed Not only have they agreed to travel through the ten spheres of the other side they have also committed to eliminate Malkuth once and for all A

total eclipse of the sun symbolizes Malkuth's ascension as Will's ultimate purpose emerges. He has to rise to the challenges which confront him. Malkuth doesn't go easy as he assembles armies beyond expectations. It takes faith and a unique visit to Writers Block to energize Will and his forces as they endeavor to cleanse the book of souls for all mankind. The quest to eliminate evil drives him. But it's his perseverance and the forerunner's legacy which elevate him into iconic leadership.

Facts, Fiction, and African Creative Imaginations Toyin Falola, Fallou Ngom, 2009-09-11 This volume brings together insights from distinguished scholars from around the world to address the facts, fiction, and creative imaginations in the pervasive portrayals of Africa, its people, societies, and cultures in the literature and the media. The fictionalization of Africa and African issues in the media and the popular literature that blends facts and fiction has rendered perceptions of Africa, its cultures, societies, customs, and conflicts often superficial and deficient in the popular Western consciousness. The book brings eminent scholars from a variety of disciplines to sort out the persistent fictionalization of Africa from facts pertaining to the genesis of powerful cultural, political, or religious icons; the historical and cultural significance of intriguing customs such as tribal marks, gender relations, causes of conflicts, and African responses; and creative imaginations in contemporary African films, fiction, and literature among others.

Mark Tracy Cotterell, 2021-10-21 The revelation of God in Jesus Christ ignites desire to live his way in the world. Resurrection power fuels it. Part of LICC's Gateway Seven series, this small group study explores how Mark, the shortest of the gospels, invites you to immerse yourself in the life, death, and resurrection of Jesus and consider his life-changing announcement that the kingdom of God has come. Set out in six easy-to-follow sessions, this is a brilliant Bible study on Mark that is packed full of astute questions, mini features, and contemporary stories which will draw you into Mark's remarkable account of the astounding person of Jesus and help you dig deeper into the radical implications of his joyful news for all of life today. Mark is an ideal Bible study for small groups looking to really get the most out of the beloved gospel, but it can also be used individually to support your discipleship in everyday life. It can be read on its own or it can be used alongside the other volumes in LICC's Gateway Seven series to open up the riches of all of Scripture for the whole of life. Hope-filled and healing, disruptive and demanding, love-growing and fear-beating, this is the way of King Jesus. You're invited to live Monday through Sunday.

1 Peter Joe Warton, 2019-10-17 We don't approach a novel in the same way we tackle an insurance form. We don't read a bank statement in the same way that we read poetry. So we shouldn't read the 66 different books of the Bible in the same way. Story, song, law, letters, and more all make up the rich repository of writing that is God's words to us. The Gateway Seven series selects books that each represent a different kind of writing. This study of 1 Peter is a guide written to people whose context he understood well and with which we can resonate today. Through his encouragement, challenge, insight, and knowledge of God, we will gain confidence to live well for Christ in our complex world on our everyday frontlines.

Libertarians on the Prairie Christine Woodside, 2016-09-06 Generations of children have fallen in love with the pioneer saga of the Ingalls family of Pa and Ma Laura and her sisters and their loyal dog Jack. Laura Ingalls

Wilder's Little House books have taught millions of Americans about frontier life giving inspiration to many and in the process becoming icons of our national identity Yet few realize that this cherished bestselling series wandered far from the actual history of the Ingalls family and from what Laura herself understood to be central truths about pioneer life In this groundbreaking narrative of literary detection Christine Woodside reveals for the first time the full extent of the collaboration between Laura and her daughter Rose Wilder Lane Rose hated farming and fled the family homestead as an adolescent eventually becoming a nationally prominent magazine writer biographer of Herbert Hoover and successful novelist who shared the political values of Ayn Rand and became mentor to Roger Lea MacBride the second Libertarian presidential candidate Drawing on original manuscripts and letters Woodside shows how Rose reshaped her mother's story into a series of heroic tales that rebutted the policies of the New Deal Their secret collaboration would lead in time to their estrangement A fascinating look at the relationship between two strong-willed women Libertarians on the Prairie is also the deconstruction of an American myth Skyhorse Publishing along with our Arcade Good Books Sports Publishing and Yucca imprints is proud to publish a broad range of biographies autobiographies and memoirs Our list includes biographies on well-known historical figures like Benjamin Franklin Nelson Mandela and Alexander Graham Bell as well as villains from history such as Heinrich Himmler John Wayne Gacy and O J Simpson We have also published survivor stories of World War II memoirs about overcoming adversity first-hand tales of adventure and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home
