Places i got to be It will point out some of these parallels about life in Chicago s during my early childhood development There is always a reason for the things that happen to us in life Sometimes we can control it sometimes it will control us It really depends on the Choices we make The Writer ,1920 **Inappropriation** Paul Hillmer,Ryan Bean,2023-03-31 In 1926 Harold Keltner a YMCA Boys Work secretary from St Louis and Joe Friday a member of the Canadian Ojibwe First Peoples channeled white middle class fascination with Native Americans into what became the Y Indian Guides youth program engaging over a half million participants across the nation at the height of its 77 year history Intended to soften the stereotypical stern father the program traced a complicated thread of American history touching upon themes of family race class and privilege The Y Indian Guides was a father son and later parent child program that encouraged real and enduring bonds through play and an authentic appreciation of family While playing Indian seemed harmless to most participants

during the program's heyday Paul Hillmer and Ryan Bean demonstrate the problematic nature of its methods In the process of seeking to admire and emulate Indigenous Peoples Y Indian Guide participants often misrepresented American Indians and reinforced harmful stereotypes Ultimately this history demonstrates many ways in which American culture undermines and harms its Indigenous communities
