The Secret Meaning of Things Lawrence Ferlinghetti,1969 The Secret Meaning of Things is Lawrence Ferlinghetti s fourth book of poems **Literature and the Bible** David Bevan,1993 *Art and Revolution in Latin America, 1910-1990* David Craven,2006-01-01 In this uniquely wide ranging book David Craven investigates the extraordinary impact of three Latin American revolutions on the visual arts and on cultural policy The three great upheavals in Mexico 1910 40 in Cuba 1959 89 and in Nicaragua 1979 90 were defining moments in twentieth century life in the Americas Craven discusses the structural logic of each movement s artistic project by whom how and for whom artworks were produced and assesses their legacies In each case he demonstrates how the consequences of the revolution reverberated in the arts and cultures far beyond national borders The book not only examines specific artworks originating from each revolution s attempt to deal with the challenge of socializing the arts but also the engagement of the working classes in Mexico Cuba and Nicaragua with a tradition of the fine arts made newly accessible through social transformation Craven considers how each revolution dealt with the pressing problem of creating a dialogical art one that reconfigures the existing artistic resource rather than one that just reproduces a populist art to keep things as they were In addition the author charts the impact on the revolutionary processes of theories of art and education articulated by such thinkers as John Dewey and Paulo Freire The book provides a fascinating new view of the Latin American revolutionaries from artists to political leaders who defined art as a fundamental force for the transformation of society and who bequeathed new ways of thinking about the relations among art ideology and class within a revolutionary process **After Revolution** Florence E. Babb,2010-01-01 Nicaragua s Sandinista revolution 1979 1990 initiated a broad program of social transformation to improve the situation of the working class and poor women and other non elite groups through agrarian reform restructured urban employment and wide access to health care education and social services This book explores how Nicaragua s least powerful citizens have fared in the years since the Sandinista revolution as neoliberal governments have rolled back these state supported reforms and introduced measures to
