Seven Days To Forever:

3 1-2 Days to Forever B. Craig Moore, 2024-08-28 3 1 2 Days to Forever is the book that unlocks the secrets of the identity of Mystery Babylon which are hidden in the name and number 666 of the beast all the while proving the meaning of the rapture The sum total of which is written in a sealed timeline until now Daniel the prophet and John the apostle both saw it and understood it and now it is time for you to know it The Bible the whole Bible is a clock which proves our story This world s days as we know them come to their end It is time for you to drop your religion and believe what God has been saying all this time A story the same story written from the beginning Genesis to the end Revelation All having the same purpose A proving of whose image will still be standing when the smoke clears Remember this is not an allegory this is literal The sixth trump nuclear war comes soon the first of three great end time battles that will end mankind s reign as kings with dominion over this earth Know this the name and the number of the beast are here right now Be warned Noah was a preacher of righteousness who proclaimed the end was coming and no one believed him Read this book and believe what the Bible says because when Jesus the Bible says something it means something that makes sense something that affects the whole world When you understand who s who and who the witnesses are everything becomes clear 3 1 2 Days to Forever proves the Bible s timeline and reveals the final reasons this piece of the master the Bible was given to mankind And that reason is so that we can all know when the Holy One of God will return Not the day and hour but a specific timeline to things past present and future We are the timekeepers
