blessing The single most important requirement of prayer is faith in God When personal faith in God is absent prayer dies and the experience of the power and blessings from prayer are lost Faith however may not necessarily translate into victory in every circumstance what acts of faith do guarantee is that we will please God and eventually be rewarded by him The purpose of this book The Prayer of Faith Praying with Hope is to help everyone who prays to understand that prayer is first building a relationship with God through Jesus and not just to receive or see miracles It explains that anyone who exercised faith in Jesus can literally move the mountains in their lives if they prayed and prayed the right way Faith treats things hoped for as a reality with a conviction that what is being asked for has a real answer Faith is therefore mandatory for those who approach God Faith is never easy it wasn't meant to be so But the more convinced we are of the reality of an all good all loving all powerful God the more our trust will grow and the less we will be overwhelmed by doubts and temptations How strong is your faith As thou has believed so be it done unto thee Discover the secret the power and joy of praying by faith to move your mountains as you read on

Tools for Effective Prayer Clarence Washington Sr.,2016-02-12 Just like your lifestyle your current prayer life is also perfectly designed to produce the result you are getting If you want a prayer life that will enable you to experience God s presence like you never have before and move Him to bless you like He has never blessed you before then you must start praying like you have never prayed before Tools for Effective Prayer will teach you how to do that There are some mechanics of prayers such as persistency and fervency that

are essential for effective prayer However without the proper dynamics of prayer working to produce spiritual power in a person s life the positive effects of the discipline of proper mechanics are nullified Such is also the case with the contents of prayer If one s prayers don t include the essential contents effectiveness or power will be greatly diluted *Readers' Guide to Periodical Literature* ,1906 Effective Prayer Al Danks,2014-08-01 The Bible does not give us a definition of prayer It does however give us many examples of prayer From these examples we may gain understanding of what prayer is the kinds of results to pray for and how to pray In addition to these examples the Bible also contains a number of declarations that tell us what is required of us to pray effective prayer Even though there are many different types of prayer we find a number of common elements All prayer involves a verbal communication with God and the power of God Word of God and faith All prayer also works to produce a result The application of the Word of God through faith and the results produced are constrained by the requirements declared in scripture The application of physical power is governed by physical law It should not be surprising to find that the application of spiritual power is governed by spiritual law and that the requirements declared in scripture correspond to the spiritual laws that govern prayer Effective Prayer looks at what the Bible tells us about prayer and shares insight into why we pray what prayer is the process of prayer how we grow and strengthen faith complying with spiritual law in prayer getting the path of the prayer applying the power of God in prayer measuring progress and results in prayer and receiving and keeping the results of our prayer *Forthcoming Books* Rose Arny,1992-10
