The Seven Sayings of the Savior on the Cross Arthur Walkington Pink, 2012-03-17     The Seven Sayings of the Savior on the Cross Arthur W. Pink, Rev Terry Kulakowski, 2016-09-27 THE DEATH OF THE LORD JESUS CHRIST is a subject of never failing interest to all who study prayerfully the scripture of truth This is so not only because the believer s all both for time and eternity depends upon it but also because of its transcendent uniqueness Four words appear to sum up the salient features of this mystery of mysteries the death of Christ was natural unnatural preternatural and supernatural The death of Christ was natural By this we mean that it was a real death It is because we are so familiar with the fact of it that the above statement appears simple and commonplace yet what we here touch upon is to the spiritual mind one of the main elements of wonderment The one who was taken and by wicked hands crucified and slain was none other than Jehovah s Fellow The blood that was shed on the accursed tree was divine The church of God which he purchased with his own blood     The Seven Sayings of the Savior on the Cross Arthur Walkington Pink, 1954     **The Seven Sayings of Our Saviour on the**

Lutzer, 2015-04-17 To stand at the foot of the cross is to witness the purpose for which God created the world The cross is a wonder unfathomable Time cannot contain its reach No heart can endure its weight And yet it is the center of everything It cannot be passed over Pastor and author Erwin W Lutzer believes that the better we grasp what the cross meant to Christ the better we grasp what it should mean to us To do this Lutzer examines Jesus cries from the cross Search with him and see how God s love and justice meet Know the weight of sin and the power of redemption Look upon Jesus in His weakness obedience sorrow and compassion Let the scandal of the cross give you pause The cross deserves our attention Journey forth into the heart of Jesus that your own heart may be shaped to His     **The seven sayings on the Cross; or, The dying Christ our prophet, priest, and king. Cross before the Crown Charles Spurgeon on Christs Last Words on the Cross the author brings together twenty two sermons and six expositions by Spurgeon one sermon by Octavius Winslow 18081878 and one selection by Matthew Henry 16621714 from his Commentary Meant to be used as a devotional this book will help you develop a deeper understanding of Christs ultimate sacrifice for us His believers In his sermons with the effective ministration of the Holy Spirit Spurgeon leaned very heavily on the aid of the Spirit he constantly exalted the One greater than all the patriarchs prophets priests and princesses The Cross before the Crown Charles Spurgeon on Christs Last Words of the Cross is a testament to Spurgeons power as the Prince of Preachers      **Last Words of Jesus** Stu Epperson Jr.,2015-02-17 Readers will experience a fresh encounter with Jesus Christ thorough examination of what Jesus said why He said it and how His powerful words continue to change lives forever      The Doctrine of Salvation; A Beginner's Guide to Understanding Biblical Theology: What Does Biblical Salvation Really Mean Michael Southard,2017-01-25 Have you ever just wanted to sit down and read something about God or Jesus just to get closer to him to know him more intimately or to expand your understanding of his creation and plan for you So you find a book that advertises just the subject matter you are interested in then you open it and begin to read but before long you realize you have to run and get the dictionary Then you may have to purchase a dictionary of theology then maybe an encyclopedia of Christian apologetics just to understand what you are reading When this happens readers often give up on the book and never finish it and may never buy another one It can get discouraging when confronted with terminology like infralapsarianism hamartiology and demythologization and that doesn t include the hundreds of nontheological words rarely used in common communication today Authors write this way to keep the book from becoming the size of an encyclopedia However I did buy all those books and persevered in study because of my great hunger for the deeper things of God Now you can too because this book conveys these wonderful biblical thoughts and great theologians writings into plain common language The Doctrine of Salvation takes deep theological concepts and brings their understanding down to a street level as it were This book describes on a practical level how these doctrines are to be applied to our lives and how we can relate them to others I refrain from using thirteen letter words but if they are needed I will use them and then immediately clarify their meaning so the reader will not lose their train of thought Enjoy reading about the wonders of God again in greater depth      **The United States Catalog; Books in Print January 1, 1912** H.W.
