R. H. Trowbridge,2014-03 This Is A New Release Of The Original 1908 Edition **Seven Splendid Sinners** William Rutherford Hayes Trowbridge,1909 **Seven Splendid Sinners** W R H 1866-1938 Trowbridge,2015-11-18 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Seven Splendid Sinners (Classic Reprint)** W. R. H. Trowbridge,2017-12-26 Excerpt from Seven Splendid Sinners The importance not to speak of the interest of the latter decreases in proportion to their distance from posterity till they are finally submerged in the ocean of time To this sweeping assertion there is of course as usual an exception and certain epoch making events in the history of mankind a Renaissance a Reformation a Revolution for instance rear their crests above the waste of time like those volcanic islands in tropic seas whose summits tower as high above the waves from which they rise as their bases are sunk beneath them But with regard to individuals the opposite is the case It has been said that the Muse of History has no politics on the contrary she has belonged to every political party from the Absolutists to the Republicans save the Social ists The faith of the latter

indeed it is impossible for her to profess in history the Individual is all in all The dagger of Brutus the eloquence of Antony the corpse of Caesar possess greater significance for us than all the influences that converted Rome from a republic into an empire Apart from some examination paper or treatise by Herr Dryasdust of what account is the Agrarian Question which once so deeply agitated the mistress of the world Yet the Gracchi are deathless Or coming quite near our own times can there be any doubt as to the relative importance and interest between the march of events in France's stupendous struggle for freedom and the careers and characters of the men and women who engaged in the front rank of that struggle The mere names of Marie Antoinette Mirabeau Marat Robespierre Napoleon speak more than whole volumes on the Revolution For the memory of a personality let it be stated again endures longer than the memory of an epoch a fact that all the greatest historians both scientific and unscientific have always recognized About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
