## **Seventeenth Century England A Changing Culture Volume 2 Modern Studies:**

**Modern studies** W. R. Owens, 1980 This book will appeal to all readers of the seventeenth century It brings together a wide range of modern studies by some of the foremost authorities dealing with the significant and often controversial aspects of the history thought and literature of this period

**Establishing the New Science** Michael Hunter, 1989 Hunter's reputation as one of the foremost students of Restoration science in England can only be further enhanced by this volume

**NATURE** For anyone interested in the scientific revolution these essays are compulsory reading Elegantly written and carefully researched they are a welcome addition to the already extensive literature on the early years of the Royal Society

**HISTORY** In a series of detailed case studies Michael Hunter presents a fresh view of the formative years of Britain's oldest scientific institution The Royal Society of London founded in 1660

**Christopher Hill** Michael Braddick, 2025-02-25 A luminous biography of one of the 20th century's most influential historians Christopher Hill was one of the leading historians of his generation His work across more than 15 books and dozens of articles fundamentally rewrote the way we understand the English Revolution and the development of the modern British state While his career brought many of the trappings of establishment respectability he was both a Fellow of the British Academy and the Master of Balliol College Oxford he was also seen as a threat to that very same establishment Under surveillance by the security services for decades in the 1980s Hill was publicly accused of having been a Soviet agent during the war His was a Cold War life as well as a scholarly one In this brilliant work of biography Michael Braddick charts Hill's development from his abandonment of the respectable provincial Methodism of his youth through his embrace of Marxism his membership and eventual break with the Communist Party as well as his celebrated intellectual career While many of his books not least the thrilling work of historical resurrection *The World Turned Upside Down* and *God's Englishman* his classic biography of Oliver Cromwell are still widely read and admired his intellectual reputation was damaged by sustained academic criticism in the politically charged atmosphere of the 1980s Braddick's judicious biography not only situates Hill's life and work in their historical context but seeks to rescue Hill for a new generation of readers

**Zealous: A Darker Side of the Early Quakers** Erica Canela, **Early Modern English Dialogues** Jonathan Culpeper, Merja Kytö, 2010-02-18 This book analyses speech related genres in Early Modern English providing ideas of what spoken interaction in earlier times might have been like

**Class** Gary Day, 2001 This account traces the phenomenon of class from the medieval to the postmodern period examining its relevance to analysis It shows the role of class in literary constructions of the social and the relations between class and culture

**Symon Patrick (1626-1707) and His Contribution to the Post-1660 Restored Church of England** Nicholas Fisher, 2019-05-16 History has not been kind to Symon Patrick His fifty years of ministry spanned the closing years of Cromwell's rule and the start of Queen Anne's reign and ranged from service as a Church of England minister in two fashionable London parishes to appointment as the latitudinarian Bishop of Ely He influenced a major change in the character of the Established Church as it moved from a

confrontational fundamentalism to the broad tolerance that exists today Patrick recognised by his contemporaries as one of the three or four leading clergy of his generation wrote over one hundred books that helped to define his Church such as his pastoral work *The Heart's Ease* his devotional *The Parable of the Pilgrim* and his biting polemic against nonconformism *A Friendly Debate* This book assesses the significance and quality of Patrick's contribution to the Church of England carefully placing it against the background of the history and politics of the time and suggesting why his reputation faded after his death Puritanism Latitudinarianism pilgrimage women's religion and spirituality and prose style are all topics touched on here

Early Modern Conceptions of Property John Brewer, Susan Staves, 2014-01-14 Original historical and literary case studies Distinguished contributors from different fields law art history literature Challenging and sophisticated theory International perspective First book in series brilliantly reviewed

The Figural and the Literal Andrew E. Benjamin, G. N. Cantor, John R. R. Christie, 1987

**The "I" and the "Eye"** Pragyan Rath, 2011-05-25 The paradigmatic moment of the opposition between the verbal and the visual arts may be seen in Lessing's treatise on the Laocoön sculptural group written in 1766 a moment that is identified within a historical framework of modern aesthetics that begins

Edification and Beauty James M. Renihan, 2009-02-18 Edification and Beauty describes the practical application of confessional theological principles among English Particular Baptists at the close of the seventeenth century It examines the theological summary of their views as contained and expressed in the Second London Confession 1677-89 fleshed out in various published works and recorded in manuscript church books It describes in detail a wide variety of ecclesiological practices demonstrating that these churches and their leaders sought to work out in practice the principles they publicly confessed The book demonstrates that confessional subscription was taken seriously and practiced carefully within the Particular Baptist churches

**Court, Country, and Culture** Bonnelyn Young Kunze, Dwight D. Brautigam, 1992 Focusing on the political intellectual and cultural context of England in the early modern period 14th century to 18th century these timely studies explore political theory and the English Revolution the revisionist debates over the court and the country and the role of Laudian policies in the years prior to the Civil War The volume also explores aristocratic rule in 17th century England as compared to that of the Polish Commonwealth the resonance of political events in literary culture Hobbes's theory of passions the role of the gentle apprentice in London and the problem of religious dissent in the 17th century Contributors include PAUL SEAVER PAOLO PASQUALUCCI WILLIAM HUNT GORDON SCHOCKET LINDA PECK EDWARD HUNDERT JOHN GUY ANTONIO D ANDREA WILLIAM DRAY JOSEPH LEVINE PETER LAKE DWIGHT BRAUTIGAM and BONNELYN YOUNG KUNZE

Tragedies and Christian Congregations Christopher Southgate, Carla Grosch-Miller, Hilary Ison, Megan Warner, 2019-09-26 When tragedy strikes a community it is often unexpected with long lasting effects on the people left in its wake Too often there aren't adequate systems in place to aid those affected in processing what has happened This study uniquely combines practical theology pastoral insight and scientific data to demonstrate how Christian congregations can be helped to be resilient in the

face of sudden devastating events Beginning by identifying the characteristics of trauma in individuals and communities this collection of essays from practitioners and academics locates sudden trauma inducing tragedies as a problem in practical theology A range of biblical and theological responses are presented but contemporary scientific understanding is also included in order to challenge and stretch some of these traditional theological resources The pastoral section of the book examines the ethics of response to tragedy locating the role of the minister in relation to other helping agencies and exploring the all too topical issue of ministerial abuse Developing a nuanced rationale for good practical pastoral liturgical and theological responses to major traumas this book will be of significant value to scholars of practical theology as well as practitioners counselling in and around church congregations

**Consumption and Culture in the Seventeenth and Eighteenth Centuries** John Brewer,1991      **The Scriblerian and the Kit-Cats** ,1993      The Cambridge History of Ireland: Volume 2, 1550-1730 Jane Ohlmeyer,2018-03-31

This volume offers fresh perspectives on the political military religious social cultural intellectual economic and environmental history of early modern Ireland and situates these discussions in global and comparative contexts The opening chapters focus on Politics and Religion and War and offer a chronological narrative informed by the re interpretation of new archives The remaining chapters are more thematic with chapters on Society Culture and Economy and Environment and often respond to wider methodologies and historiographical debates Interdisciplinary cross pollination between on the one hand history and on the other disciplines like anthropology archaeology geography computer science literature and gender and environmental studies informs many of the chapters The volume offers a range of new departures by a generation of scholars who explain in a refreshing and accessible manner how and why people acted as they did in the transformative and tumultuous years between 1550 and 1730      **Infanticide**

Rachel Dixon,2023-02-02 Infanticide examines medical expert evidence in infanticide cases focusing specifically on the shifting notion of certainty in medical testimony Beginning in the Early Modern period and concluding in the mid twentieth century it considers how courts determined whether an infant died from natural causes or other reasons including violence The book explores expert evidence in cases of infanticide and examines the extent of certainty created by medical specialists who founded their testimony on anatomical exploration and science As the book progresses it becomes clear that medical specialists were unable to scientifically establish cause of death and in doing so conveyed uncertainty in court proceedings Rather than being regarded as a professional failing Dixon argues that the uncertainty created by medical specialists redirected the outcomes of infanticide cases The combination of uncertainty and the changing perceptions of infanticidal women by the court lead juries to find infanticidal women not guilty of a capital offence in many cases This book will be of great interest to students and scholars of Criminology Law and History      Printing History and Cultural Change Richard Wendorf,2022 This study provides one of the most detailed and comprehensive examinations ever devoted to a critical transformation in the material substance of the printed page it carries out this exploration in the history of the book

moreover by embedding these typographical changes in the context of other cultural phenomena in eighteenth century Britain The gradual abandonment of pervasive capitalization italics and caps and small caps in books printed in London Dublin and the American colonies between 1740 and 1780 is mapped in five year increments which reveal that the appearance of the modern page in English began to emerge around 1765 This descriptive and analytical account focuses on poetry classical texts Shakespeare contemporary plays the novel the Bible the Book of Common Prayer sermons and religious writings newspapers magazines anthologies government publications and private correspondence it also examines the reading public canon formation editorial theory and practice and the role of typography in textual interpretation These changes in printing conventions are then compared to other aspects of cultural change the adoption of the Gregorian calendar in 1752 the publication of Johnson s Dictionary in 1755 the transformation of shop signs and the imposition of house numbers in London beginning in 1762 and the evolution of the English language and of English prose style This study concludes that this fundamental shift in printing conventions was closely tied to a pervasive interest in refinement regularity and standardization in the second half of the century and that it was therefore an important component in the self conscious process of modernizing British culture publisher s website      **Shakespeare Studies** Susan Zimmerman, Garrett Sullivan, Linda Neiberg, 2007-10 Contains essays and studies by critics and cultural historians from both hemispheres This title features essays on Shakespeare s tragedies in the context of early modern cultural history It also includes reviews that consider studies of such historical issues as gender and literacy sexual practices and England s cultural encounters with Italy
