**The Contender Vol. 25 No 5** Rev. Raymond Jackson,1993-07-15 I want us to go back and instead of leaving the Jews in Babylon and hurrying to the 70 weeks of Daniel pick up the course the Jews followed and see how the ark of the covenant fit into the picture We need to see what it symbolized I touched on certain things earlier to get certain things in your mind but now we need to go back to Ezekiel to the 11th chapter and familiarize ourselves with the whole setting      The 70 Weeks of Daniel Gerald Sigal,2013-12 The interpretation of the Seventy Weeks passage of Daniel 9 has been the center of many discussions between Jews and Christians as to its meaning These controversies have generally revolved around three areas of dispute The division of the weeks The starting date of the Seventy Weeks The number of anointed individuals mentioned in the text and or his their identification In agreement with the Masoretic accents and textual indicators e g verse 26 Jewish commentators divide the time period into three periods seven weeks sixty two weeks and one week The last week culminates with the destruction of the Temple but with an addendum giving hope for the future Christian renderings of Daniel generally follow the present day King James Version s division into two periods of weeks sixty nine weeks consisting of seven weeks plus sixty two weeks and one week This is also the position maintained by most Christian commentators in explaining this passage What is the overall purpose of the Seventy Weeks passage Is this passage messianic Who are the two anointed individuals mentioned in this passage How does its description of things to come and eventual fulfillment centuries later give proof of the eventual fulfillment of all God s promises to Israel What message does it hold for Jewish history past and future Does it refer to Christian eschatological beliefs Does this passage refer in any way to Jesus To investigate these questions is the purpose of this volume      A Commentary on the Prophecy of Daniel, relating to the Seventy Weeks John Marten Butt,1807      **Daniel's Prophecy of the Seventy Weeks** James Whatman Bosanquet,1836      **Daniel's Prophecy of the Seventy Weeks** Alva J. *The Determined Time* Larry M Wishon, 2022-08-06 The Seventy Weeks Prophecy spanning 490 years foretells the period of Israel s history from the time when the Jews were granted permission by Cyrus the king of Persia to return to the land of promise and rebuild their city and temple This return and rebuilding was in preparation for the fulfillment of God s promises to the fathers in the person of the Messiah Prince Rom 15 8 Most of the prophecy s subject is taken up with the ministry of the Messiah Prince As is noted inside He is mentioned at least six times in the course of the prophecy He would come to address the six objectives listed in the prophecy concerning the people and the city All six of these objectives are related to the Messiah s fulfillment of God s promises to their fathers Rom 15 8 The purpose of these 490 years marked out of Israel s history was to lead Israel from their antiquated Sinai Covenant and into their promised New Covenant Jer 31 31 37 It was to be their faith in the coming Messiah Prince which would lead them out of the Old and into the New Inside *The Determined Time* you will find that Only Cyrus the king of Persia could have given the word for the Judean captives to return and rebuild Jerusalem In the record of the Scriptures only Cyrus and Darius are credited with issuing decrees to rebuild Jerusalem and its temple The decree of Darius is nothing more than an affirmation of Cyrus original decree The long accepted dates for Cyrus decree are off by 80 years The Seventy Weeks are divided into three consecutive time periods 7 62 1 There are no gaps of time between any of them The Prophecy identifies who is the Messiah Prince The identity of this Prince will not change at any point in the prophecy It is this one and the same Messiah Prince who is cut off who is the cause for the sacrifice and oblation to cease in the midst of the Seventieth Week whose people destroys the city and temple who confirms a covenant for a period of one week of years It is the act of confirming that lasts for seven years not the covenant itself i e it is not a seven year covenant or agreement made with Israel who due to the overspreading of abominations will make the city and temple desolate There is an obvious absence

of the mention of an antichrist and a seven year tribulation period Both of these are the result of Dispensational Eisegesis i e reading into the text what is not there **Daniel's Prophecy of the 70 Weeks** Alva J. McClain,2007 In this short but important work McClain introduces the first 69 weeks and answers questions such as What is the measure of time indicated by the weeks of this prophecy and When did the whole period of the seventy weeks begin Continuing with a discussion of the parenthesis of time between the Sixty ninth and the Seventieth weeks he concludes with an exposition of the Seventieth week and the coming of the roman prince *Observations on Daniel's Prophecy of the Seventy Weeks* Daniel Macqueen,1751
