

ASME Materials Division 2019 Fall News

MESSAGE FROM THE CHAIR

Yong Zhu, Ph.D.
2018/2019 Chair, Materials
Division, ASME
North Carolina State University

It has been a great honor for me to serve on the ASME Materials Division Executive Committee for the past five years (2014-2019) and as the Division Chair for the past year. I have worked with a truly remarkable and dedicated group, including past Chairs (in chronological order) **Karl Jacob** (Georgia Institute of Technology), **Junlan Wang** (University of Washington), **George Voyiadjis** (Louisiana State University), **Xi Chen** (Columbia University), and **Valeria La Saponara** (University of California, Davis). It has also been a true pleasure to work with the current Executive Committee (EC) members including **Toshio Nakamura** (Vice Chair) of the State University of New York – Stony Brook, **Philippe Geubelle** (Program Chair) of University of Illinois – Urbana and Champaign, **Min Zhou** (Program Vice Chair) of Georgia Institute of Technology, **Hareesh Tippur** (Secretary) of Auburn University, and **Caglar Oskay** (Member-at-Large and Newsletter Editor) of Vanderbilt University. I want to thank them all for their support and dedicated service to the Division.

The Executive Committee has a number of major responsibilities including conference planning and execution, oversight of its two journals, management and development of awards, and interacting with the MD technical committees. According to the EC succession plan, Toshio will become Chair; Philippe, Vice Chair; Min, Program Chair; Hareesh, Program Vice Chair; and Caglar, Secretary. An incoming EC member will be selected at IMECE 2019. I will leave my post as the Division Chair after the IMECE with much confidence that the Materials Division will continue to prosper and grow under the great leadership and dedication of the future Executive Committee as well as Technical Committees.

The Materials Division has gone through a very active and successful year in 2018-2019 with the following highlights:

IMECE: The Materials Division continues to play active roles in the annual ASME International Mechanical Engineering Congress and Exposition (IMECE), largely owing to the hard work of all
