Sex After Fascism Memory And Morality In Twentieth Century Germany:

Sex after Fascism Dagmar Herzog, 2007-01-22 What is the relationship between sexual and other kinds of politics Few societies have posed this puzzle as urgently or as disturbingly as Nazi Germany What exactly were Nazism's sexual politics Were they repressive for everyone or were some individuals and groups given sexual license while others were persecuted tormented and killed How do we make sense of the evolution of postwar interpretations of Nazism's sexual politics What do we make of the fact that scholars from the 1960s to the present have routinely asserted that the Third Reich was sex hostile In response to these and other questions Sex after Fascism fundamentally reconceives central topics in twentieth century German history Among other things it changes the way we understand the immense popular appeal of the Nazi regime and the nature of antisemitism the role of Christianity in the consolidation of postfascist conservatism in the West the countercultural rebellions of the 1960s 1970s as well as the negotiations between government and citizenry under East German communism Beginning with a new interpretation of the Third Reich's sexual politics and ending with the revisions of Germany's past facilitated by communism's collapse Sex after Fascism examines the intimately intertwined histories of capitalism and communism pleasure and state policies religious renewal and secularizing trends A history of sexual attitudes and practices in twentieth century Germany investigating such issues as contraception pornography and theories of sexual orientation Sex after Fascism also demonstrates how Germans made sexuality a key site for managing the memory and legacies of Nazism and the Holocaust

Sexuality and German Fascism Dagmar Herzog, 2005 The interrelationship of fascism and sexuality has attracted a great deal of interest for some time now This collection offers fresh perspectives by leading scholars on the history of sexuality under national socialism on such topics as the persecution of Jewish gentile sex in the race defilement trials homophobic propaganda and the prosecution of same sex activity within the Wehrmacht and SS representations of female sexuality in film prostitution on home and battle fronts sexual relations between Germans and foreign forced laborers and reproductive practices among Jewish survivors Moreover the authors provide new insights into the relationships between Nazi sexual politics and antisemitism and challenge assumptions of Nazism as sexually repressive instead they emphasize the interrelationships between incitement to sexual activity and persecution and mass murder book jacket

Women in Twentieth-Century Europe Ann Allen, 2007-11-19 Women's lives changed more in the 20th century than in any previous century It was a period of transformation not only of the political realm but also the household family and workplace Ranging widely over Europe this fascinating account is one of the first comprehensive surveys of its kind

The Routledge History of Sex and the Body Sarah Toulalan, Kate Fisher, 2013 The Routledge History of Sex and the Body provides an overview of the main themes surrounding the history of sexuality from 1500 to the present day The history of sex and the body is an expanding field in which vibrant debate on for instance the history of homosexuality is developing This book examines the current scholarship and looks towards future directions across the field The volume is divided into

fourteen thematic chapters which are split into two chronological sections 1500 1750 and 1750 to present day Focusing on the history of sexuality and the body in the West but also interactions with a broader globe these thematic chapters survey the major areas of debate and discussion Covering themes such as science identity the gaze courtship reproduction sexual violence and the importance of race the volume offers a comprehensive view of the history of sex and the body The book concludes with an afterword in which the reader is invited to consider some of the tensions problems and areas deserving further scrutiny Including contributors renowned in their field of expertise this ground breaking collection is essential reading for all those interested in the history of sexuality and the body Sexuality in Modern German History Katie Sutton,2023-01-12 Sexuality in Modern German History offers both a detailed survey of this key subject and a new intervention in the history of sexuality in modern Germany It investigates the diverse and often contradictory ways in which individuals activists doctors politicians artists church leaders reform movements and cultural commentators have defined normal or natural sexuality in Germany over the past two centuries Katie Sutton explores how these definitions have been used to shape identities behaviours bodies and practices from norms of heterosexual marital reproductive sex to ideas around the policing and categorisation of unnatural or deviant bodies and practices Covering a range of crucial themes including birth control prostitution queer and trans rights and heterosexual intimacy this important text comes with 30 illustrations and a wealth of primary source extracts and secondary literature helpfully integrated to enable further insight and analysis This is a vital volume for all students and scholars with an interested in modern Germany or the history of sexuality in modern Europe **Traumatic Memories of the Second World War and After** Peter Leese,Jason Crouthamel,2016-10-05 This collection investigates the social and cultural history of trauma to offer a comparative analysis of its individual communal and political effects in the twentieth century Particular attention is given to witness testimony to procedures of personal memory and collective commemoration and to visual sources as they illuminate the changing historical nature of trauma The essays draw on diverse methodologies including oral history and use varied sources such as literature film and the broadcast media The contributions discuss imaginative communal and political responses as well as the ways in which the later welfare of traumatized individuals is shaped by medical military and civilian institutions Incorporating innovative methodologies and offering a thorough evaluation of current research the book shows new directions in historical trauma studies *The Politics of Fertility in Twentieth-Century Berlin* Annette F. Timm,2010-08-30 How a declining population influenced reproductive and sexual health policy in Germany A Badge of Injury Sébastien Tremblay,2023-12-04 A Badge of Injury is a contribution to both the fields of queer and global history It analyses gay and lesbian transregional cultural communication networks from the 1970s to the 2000s focusing on the importance of National Socialism visual culture and memory in the queer Atlantic Provincializing Euro American queer history it illustrates how a history of concepts which encompasses the visual offers a greater depth of analysis of the transfer of ideas across regions

than texts alone would offer It also underlines how gay and lesbian history needs to be reframed under a queer lens and understood in a global perspective Following the journey of the Pink Triangle and its many iterations *A Badge of Injury* pinpoints the roles of cultural memory and power in the creation of gay and lesbian transregional narratives of pride or the construction of the historical queer subject Beyond a success story the book dives into some of the shortcomings of Euro American queer history and the power of the negative writing an emancipatory yet critical story of the era

Conflict, Catastrophe and Continuity Frank Biess, Mark Roseman, Hanna Schissler, 2007 Offers fresh perspectives on key debates surrounding Germany's descent into and emergence from the Nazi catastrophe This book explores relations between society economy and international policy and provides fresh insights into the complex continuities and discontinuities of modern German history

Jesuit Kaddish James Bernauer, S.J., 2020-03-30 While much has been written about the Catholic Church and the Holocaust little has been published about the hostile role of priests in particular Jesuits toward Jews and Judaism *Jesuit Kaddish* is a long overdue study that examines Jesuit hostility toward Judaism before the Shoah and the development of a new understanding of the Catholic Church's relation to Judaism that culminated with Vatican II's landmark decree *Nostra aetate* James Bernauer undertakes a self examination as a member of the Jesuit order and writes this story in the hopes that it will contribute to interreligious reconciliation *Jesuit Kaddish* demonstrates the way Jesuit hostility operated examining Jesuit moral theology's dualistic approach to sexuality and in the case of Nazi Germany the articulation of an unholy alliance between a sexualizing and a Judaizing of German culture Bernauer then identifies an influential group of Jesuits whose thought and action contributed to the developments in Catholic teaching about Judaism that eventually led to the watershed moment of *Nostra aetate* This book concludes with a proposed statement of repentance from the Jesuits and an appendix presenting the fifteen Jesuits who have been honored as Righteous Among the Nations by Israel's Yad Vashem Holocaust Center *Jesuit Kaddish* offers a crucial contribution to the fields of Catholicism and Nazism Catholic Jewish relations Jesuit history and the history of anti-Semitism in Europe

Transatlantic Democracy in the Twentieth Century Paul Nolte, 2016-10-10 Transatlantic democracy in the 20th century this concept goes beyond the idea of an American civilizing mission in Europe after two World Wars and certainly beyond the notion of re educating Germans and making them fit for Western institutions after Nazism As democracy is being contested anew in the beginning of the 21st century a much more complicated landscape of democracy since 1900 emerges Transfer was not a one way street and patterns of conflict and transformation affected both American and European political societies American democracy may not be reduced to a resilient defense of original traditions while the narrative of German democracy is more than redemption from catastrophe The essays in this volume contribute to a new history of transatlantic democracy that accounts for its manifold experiences and constant renegotiations up to the current challenges of American and European populism

Re-envisioning Jewish Identities Efraim Sicher, 2021-08-30 This innovative study shows how the imaginary constructions of self and Other are

shaping identification with Jewishness in the twenty first century The texts and artworks discussed in this book test a diverse range of ways of identifying as Jews and with the Jewish people while engaging with postmodern and postcolonial discourses of hybridity and multiculturalism This book selects six key areas in which the boundaries of Jewish identities have been interrogated and renegotiated nation ethnicity gender sexuality religion and the Holocaust In each of these areas Sicher explores how major and emerging contemporary writers and artists re envision the meaning of their identities Such re envisioning may be literally visual or metaphorical in the search for expression of artistic self between the conventional paradigms of the past and new ways of thinking *Violent Women in Print* Clare Bielby, 2012 West Germany's terrorist period of the 1970s is still a troubling and fascinating subject for Germans not least because of the high proportion of women involved most notoriously Ulrike Meinhof The present study examines the West German print media of the 1960s and 1970s from the right wing Bild to the left leaning Der Spiegel to explore how violent women both terrorists and others were represented in image and text This is the first book to explore print media representations of German terrorism from an explicitly gendered perspective and one of very few books in English to address **New Dangerous Liaisons** Luisa Passerini, Liliana Ellena, Alexander C.T. Geppert, 2010-10-01 In Europe love has been given a prominent place in European self representations from the Enlightenment onwards The category of love stemming from private and personal spheres was given a public function and used to distinguish European civilisation from others Contributors to this volume trace historical links and analyse specific connections between the two discourses on love and Europe over the course of the twentieth century exploring the distinctions made between the public and private the political and personal In doing so this volume develops an innovative historiography that includes such resources as autobiographies love letters and cinematic representations and takes issue with the exclusivity of Eurocentrism Its contributors put forth hypotheses about the historical pre eminence of emotions and consider this history as a basis for a non Eurocentric understanding of new possible European identities **Hitler's Ethic** R. Weikart, 2009-07-20 In this book Weikart helps unlock the mystery of Hitler's evil by vividly demonstrating the surprising conclusion that Hitler's immorality flowed from a coherent ethic Hitler was inspired by evolutionary ethics to pursue the utopian project of biologically improving the human race *After The History of Sexuality* Scott Spector, Helmut Puff, Dagmar Herzog, 2012-07-01 Michel Foucault's seminal *The History of Sexuality* 1976 1984 has since its publication provided a context for the emergence of critical historical studies of sexuality This collection reassesses the state of the historiography on sexuality a field in which the German case has been traditionally central In many diverse ways the Foucauldian intervention has governed the formation of questions in the field as well as the assumptions about how some of these questions should be answered It can be argued however that some of these revolutionary insights have ossified into dogmas or truisms within the field Yet as these contributions meticulously reveal those very truisms when revisited with a fresh eye can lead to new unexpected insights into the history of sexuality necessitating a return to and reinterpretation of

Foucault's richly complex work This volume will be necessary reading for students of historical sexuality as well as for those readers in German history and German studies generally who have an interest in the history of sexuality West Germany and the Global Sixties Timothy Scott Brown, 2013-10-10 The anti authoritarian revolt of the 1960s and 1970s was a watershed in the history of the Federal Republic of Germany The rebellion of the so called 68ers against cultural conformity and the ideological imperatives of the Cold War against the American war in Vietnam and in favor of a more open accounting for the crimes of the Nazi era helped to inspire a dialogue on democratization with profound effects on German society Timothy Scott Brown examines the unique synthesis of globalizing influences on West Germany to reveal how the presence of Third World students imported pop culture from America and England and the influence of new political doctrines worldwide all helped to precipitate the revolt The book explains how the events in West Germany grew out of a new interplay of radical politics and popular culture even as they drew on principles of direct democracy self organization and self determination all still highly relevant in the present day **Magnus Hirschfeld and the Quest for Sexual Freedom** E. Mancini, 2010-11-08 This volume is the first full length study on pioneering sexologist and sexual rights activist Magnus Hirschfeld that examines his impact on the politics and culture of late nineteenth century and early twentieth century Germany and the value of his rationalist humanist approach for contemporary debates on sexual rights *Religious Crisis and Civic Transformation* Kimba Allie Tichenor, 2016-05-26 A rich analysis of how issues related to gender and sexuality transformed the West German Catholic Church **Sexuality in Austria** Anton Pelinka, 2017-07-05 Scholars have increasingly been investigating human sexuality as an important field of social history in particular national cultures This volume examines both continuities and changing patterns of sexual behavior in Austria

Sex After Fascism Memory And Morality In Twentieth Century Germany Introduction

In today's digital age, the availability of Sex After Fascism Memory And Morality In Twentieth Century Germany books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sex After Fascism Memory And Morality In Twentieth Century Germany books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sex After Fascism Memory And Morality In Twentieth Century Germany books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sex After Fascism Memory And Morality In Twentieth Century Germany versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sex After Fascism Memory And Morality In Twentieth Century Germany books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sex After Fascism Memory And Morality In Twentieth Century Germany books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and

downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sex After Fascism Memory And Morality In Twentieth Century Germany books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sex After Fascism Memory And Morality In Twentieth Century Germany books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sex After Fascism Memory And Morality In Twentieth Century Germany books and manuals for download and embark on your journey of knowledge?

FAQs About Sex After Fascism Memory And Morality In Twentieth Century Germany Books

What is a Sex After Fascism Memory And Morality In Twentieth Century Germany PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sex After Fascism Memory And Morality In Twentieth Century Germany PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sex After Fascism Memory And Morality In Twentieth Century Germany PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sex After Fascism Memory And Morality In**

Twentieth Century Germany PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sex After Fascism Memory And Morality In Twentieth Century Germany PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
