Description :

*Sex post-50 can be the best ever, but it requires a different skill-set -- more communication, longer foreplay, different positions, sexual toys and aids -- to stay hot and exciting. It also needs to accommodate the myriad of physical, emotional, and social changes that happen in late middle-age. The Sex Bible For People Over 50 addresses common physical and sexual issues that 50+ couples encounter, and provides tips and solutions that are fun and exciting, like modified positions or the use of sexual toys and aids. It also shows readers how to build new sexual skills by providing exercises and new ways to enjoy sexual pleasure on their own, and with their partner.*
