Sex As Bait Eve Casanova And Don Juan:

Art, Crime and Madness Shlomo Giora Shoham, 2003-01-01 Art Crime and Madness explores the relationship between creative innovation deviance and morbidity To innovate one has to be able to view the medium and the object of creativity in a different hitherto unexplored manner The essence of art is creative innovation coupled with an ability in varying degrees to transcend the boundaries of consciousness But this ability is also the prerogative of the mentally deranged Likewise the criminal and the deviant are more likely to transcend normative barriers while creating hence the wide range of criminal and deviant behaviour in society Although the inverse hypothesis does not hold the mere existence of deviance or morbidity does not predispose the individual to creativity nevertheless criminal and mad behaviour are often very innovative This thesis is illustrated by historical case histories of creative deviance and genius madness and contemporary observations The painter Michelangelo Merisi Caravaggio killed a man while still a teenager and a second victim during a ball game In his lifetime he was considered degenerate but today he is considered the greatest painter of the Italian Settecento and his portrait adorns the Hundred Thousand Lira note Jean Genet the homosexual thief was born out of wedlock and as a teenager he transgressed almost all the paragraphs of the French criminal code But he became a famous French playwright the mouthpiece for criminals and deviants His plays built up a philosophical apology for the *raison d'être* of the criminal group **Sex as Bait**

God as the Shadow of Man S. Giora Shoham,2000 God as the Shadow of Man is based on the pioneering work of Claude Levi Strauss who postulated that myths are links between nature and culture Shoham enlarges this concept and claims that myth in the form of a mythogene the structural longings and experiences of the individual as projected onto mythology links history and transcendence the individual and society and consciousness and energy matter The mythogenes are related to Shoham s personality theory which in essence postulates that personality types can be paxonomized along a continuum with one pole having the Tantallic type which aims to melt into the object and the other pole having the Sisyphean type which aims to overpower and control the object **The Enlightenment and Its Legacy** Sara

Friedrichsmeyer,Barbara Becker-Cantarino,1991 **A Primer in the Sociology of Crime** S. Giora Shoham,John P. Giora Shoham,1994 In The Bridge to Nothingness author Shlomo Giora Shoham explicates myth as a projection of human experience Human development dynamics according to Shoham are represented by myths and reflected in religious creeds Myths constitute projective evidence of the development of psychic processes at early orality they at once reveal and conceal their psychological content In this work Shoham deals with ideas that are common to Gnosticism Kabala and existentialism irrespective of their historical interrelationships He compares the Heideggerian notion of the thrownness of the individual into the world with the Gnostic teaching of the divine descent and incarnation the incarceration of the divine in objects and life forms All three ideologies speak of God as the spiritual core of human being Union with God is unachievable but one can achieve symbiosis with God and humanness through creativity and revelation The author s integration of psychology and mythic symbolism is stimulating The Bridge to Nothingness is filled with deep psychological and spiritual insights His portrayal of kabalistic thought is perceptive and erudite He makes use of the latest scholarship and more importantly what

he says will contribute to the field and provoke discussion and debate His sensitivity to the dynamics of mystical experience enables him to see clearly its positive dimension Very little has been written on the interface between Gnosticism Kabala and psychology Shoham s work is original provocative and insightful The Bridge to Nothingness will break new ground in these studies and enrich the understanding of psychological and religious symbolism BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved The Promethean Bridge S.
