Women's Roles in Sub-Saharan Africa Toyin Falola, Nana Akua Amponsah, 2012-01-06 This exhaustive exploration of the sociocultural, political and economic roles of African women through history demonstrates how African women have shaped and continue to shape their societies. Women play essential critical roles in every society. African women south of the Sahara are certainly no different. Women's Roles in Sub-Saharan Africa adds significantly to our understanding of the ways in which women contribute to the fabric of human civilization. This book provides an in-depth exploration of African women's roles in society from precolonial periods to the contemporary era. Topical sections describe the roles that women play in family, courtship and marriage, religion, work, literature and arts and government. Each of the six chapters has been structured to elucidate women's roles and functions in society as partners, as active participants, as defenders of their status and occupations and as agents of change. Authors Nana Akua Amponsah and Toyin Falola present a thought-provoking work that looks at the complicated victimhood/powerful female paradigm in women and gender studies in Africa and challenges ideological interest in African historiography that privileges male representation.

deputies and ministers **Changing Differences** Rhodri Jeffreys-Jones, 1995 There are more than fifty women in the United States Congress and nearly one fourth of foreign service posts are held by women Nevertheless the United States has yet to entrust a senior foreign policy job outside of the United Nations to a woman Beneath these statistics lurk central myths that Jeffreys Jones cogently identifies and describes the Iron Lady too masculine the lover of peace too pink the weak or the promiscuous These are to name only a few With an eye to the feminist foreign policy leaders of the future the author traces the successes and failures of collectivities such as Women Strike for Peace and individuals who were influential in international politics since World War I including Alice Paul Jane Addams Jeannette Rankin Dorothy Detzer Eleanor Roosevelt Margaret Chase Smith Helen Gahagan Douglas Bella Abzug Margaret Thatcher and many others These women often found ways to employ the myths to their own and to their country's benefit and more recently have had the freedom to defy the stereotypes altogether
