Sex Discrimination in a Nutshell Claire Sherman Thomas,1982 *Sex Discrimination in a Nutshell* Claire Sherman Thomas,1982 Sex Discrimination Regulations United States. Congress. House. Committee on Education and Labor. Subcommittee on Postsecondary Education,1975 **We the Men** Jill Elaine Hasday,2025 In a nation whose Constitution purports to speak for We the People too many of the stories that powerful Americans tell about law and society include only We the Men A long line of judges politicians and other influential scene setters have ignored women s struggles for equality or distorted them beyond recognition by wildly exaggerating American progress Even as sexism continues to warp constitutional law political decision making and everyday life powerful Americans have spent more than a century proclaiming that the United States has already left sex discrimination behind Jill Elaine Hasday s *We the Men* is the first book to explore how forgetting women s struggles for equality and forgetting the work America still has to do perpetuates injustice promotes complacency and denies how generations of women have had to come together to fight for reform and against regression Hasday argues that remembering women s stories more often and more accurately can help the nation advance toward sex equality These stories highlight the persistence of women s inequality and make clear that real progress has always required women to disrupt the status quo demand change and duel with powerful opponents America needs more conflict over women s status rather than less Conflict has the power to generate forward momentum Patiently awaiting men s spontaneous enlightenment does not Transforming America s dominant stories about itself can reorient our understanding of how women s progress takes place focus our attention on the battles that are still not won and fortify our determination to push for a more equal future Fundamentals of Employment Law Kerry E. Notestine,2000 **Women and Men in Management** Gary N. Powell,Laura M. Graves,2003 Table of contents *Thinking About Sexual Harassment* Margaret A. Crouch,2000-12-28 This illuminating work on one of today s most provocative issues provides all the necessary information for careful critical thinking about the concept of sexual harassment Consisting mainly of two parts it first traces the construction of the concept of sexual harassment from the original public uses of the term to its definitions in the law in legal cases and in empirical research It then analyzes philosophical definitions of sexual harassment and a number of issues that have arisen in the law including the reasonable woman standard and whether same sex harassment should be considered sex discrimination FEMA Supervisors' Guide to Equal Employment Opportunity United States. Federal Emergency Management Agency,2000 **Gender in the Legal Profession** Joan Brockman,2001 An analysis of the causes and implications of the gendered structure of the legal profession in Canada and elsewhere The author concludes that until there is significant change in how women are perceived in relation to domestic duties it is unlikely that they will attain equality within the legal profession The Law of Sexual Harassment Mane Hajdin,2002 No previous familiarity with the law of sexual harassment is assumed other than the general knowledge that any casual reader of newspapers is bound to have The

book is devoted to arguments that are addressed to all open minded readers who wish to think about the topic critically

BOOK JACKET Organizing Silence Robin Patric Clair,1998-01-01 A thought provoking look at how silence is embedded in our language society and institutions Sexual harassment is explored as an example **Coping With Sexual Harassment and Gender Bias** Victoria F. Shaw, Ph.D.,1999-12-15 Gender equality is still a relevant issue despite many of the advancements that women have made Sexual harassment and sexism still exist day to day in the lives of most girls and women Shaw expertly discusses the emotional and legal impact of both gender bias and sexual harassment In addition she gives readers insightful and positive ideas on how to combat such inequality Shaw empowers readers to strive for fairness and in doing so provides us with an excellent book and resource Resources in Women's Educational Equity , **Tipping the Scales of Justice** Sondra Solovay,2012-03-28 What rights if any do fat people have If a child is obese are the parents legally responsible Can employers treat overweight employees as different or disabled Should fat people be protected by disability laws Cases of illegal hiring practices workplace prejudice harassment unfair treatment medical malpractice and denial of public access are being filed in increasing numbers as the nation continues to obsess over and misunderstand weight Two events in 1998 the controversial felony prosecution of a mother whose child died of obesity related complications and the National Institutes of Health declaration of a national weight standard forced the weight debate to a new level of public awareness Very little literature on the law and weight exists so each new case is a potential precedent setter Tipping the Scales of Justice presents actual cases and the stories behind the legal arguments showing for the first time the varied and surprising ways that fat has become a courtroom topic An attorney who focuses on weight related cases Sondra Solovay details court attitudes toward weight in relation to employment and discrimination law child family law disability law civil rights minorities public policy diets and exercise and much more while intermingling a personal narrative on major cases and their outcomes This fascinating book will be essential for law courses and libraries as well as a one of a kind perspective for anyone concerned about weight as a legal issue *Australian national bibliography* ,1961 *Library of Congress Subject Headings* Library of Congress,2007 *Resources in Women's Educational Equity: Special Issue* ,1979 **A Handbook for Workshops on Sex Equality in Education** Mary Ellen Verheyden-Hilliard,1976 Civil Rights Commission United States.
