Sex Facts for Girls Family Planning Association, **Sex, Preference, and Family** David M. Estlund, Martha C. Nussbaum, 1998-06-18 The public furor over issues of same sex marriages gay rights pornography and single parent families has erupted with a passion not seen since the 1960s This book gathers seventeen eminent philosophers and legal scholars who offer commentary on sexuality including sexual behavior sexual orientation and the role of pornography in shaping sexuality on the family including both same sex and single parent families and on the proper role of law in these areas The essayists are all fiercely independent thinkers and offer the reader a range of bold and thought provoking proposals Susan Moller Okin argues for instance that gender ought to be done away with that differences in biological sex ought to have no more social relevance than one s eye color or the length of one s toes and she urges that we look to same sex couples as a model for households and families in a gender free society And Cass Sunstein suggests that the Supreme Court case *Loving vs Virginia* which overthrew the ban on interracial marriages in Virginia might be a precedent for overturning laws that bar same sex marriage just as *Loving* overturned miscegenation laws because they were at the service of white supremacy Sunstein shows the laws against same sex marriages and homosexuality are at the service of male supremacy and might also be overturned Of vital importance to anyone interested in sexuality homosexuality gender feminism and the family *Sex Preference and the Family* both clarifies the current debate and points the way toward a less divisive future *True Facts for the Healthy Family* Patsy Wylie, 2017-10-18 This book will make you take a long hard look at yourself and it will help you to make all the changes you need for you and your family to live a long and healthy life from a diet that will help you reach a healthy goal weight to stabilizing you so as you can maintain for the rest of your life This book has all the information laid out for you to follow at your own pace This book has information on GMOs and what you are eating This book is for today's family You need to read this book and then read it again Hope you enjoy it and learn from it I sure did [Family Law, Sex and Society](#) Peter De Cruz, 2010-02-25 Comparative in both approach and framework *Family Law Sex and Society* provides a critical exposition of key areas in family law exploring their evolution and development within their historical cultural political and legal context Cross referencing to English law throughout this comparative textbook pays particular attention to the transformation of marriage the development of divorce laws matrimonial property the legal recognition of unmarried heterosexual and same sex cohabitants the universal adoption of the best interests standard for children in domestic and international legislation and the impact of the Human Rights Act 1998 on family law in a variety of jurisdictions Divided into different sections *Family Law Sex and Society* includes coverage of a jurisdictional and historical survey of some of the main themes in Family Law as well as consideration of the evolution of the Western family the English law relating to divorce marital property and children and a comparison with the equivalent law in the civil law jurisdictions of France and Germany family law developments in other common law countries such as Australia and New Zealand selected American jurisdictions
