Sex For Christians:

Sex Let the Church Say, Amen! Christy Jewell Kirkland, 2011-03-24 My description of my book is no more than 300 words Sex is Great and its made for the married couple for so many reasons But the number one reason is to procreate and enjoy the spouse God has ordained for you to be with No matter if your sex life is good or bad it can always get better If you are hurting in this area you can receive freedom and balance for your life You can begin to love again If you are willing then this book was written with you in mind One of the greatest statements ever spoken of and must be adopted by married couples is Anything worth having is worth fighting for Anonymous Whats in Store for you inside this Book 1 You will learn about the Spirit Realm that we are instructed to live in and how it affects the sex in your marriage 2 You will become aware of most marriage conflicts regarding sex Satan Self 3 You will explore several misconceptions about sex that Christians believe but shouldnt 4 As married couples in the body of Christ you will be able to enjoy sex again the way the Lord ordained it to be in your relationship You will have a better sex life after reading applying the tactics discussed in this book I believe God is already preparing a better sex life for you and your spouse thats worth having and fighting for Good Christian Sex Bromleigh McCleneghan, 2016-07-05 Moving beyond the deep seated cultural feelings of shame that have long fueled the conflict between Christianity and sex and the belief that there is only one right and valid way to practice one s sexuality this renowned University of Chicago pastor uses enlightening personal stories and examples from theology to show how sex is powerful and holy For years Christians have been told to adhere to one singular path when it comes to sex abstinence and purity Yet this limited focus ignores the reality that people's sexual and romantic lives differ widely even among those who consider themselves devout believers Church leaders have often refused to address the topic or have preached in ways that are harmful to the emotional and spiritual growth of the faithful in the pews Pastor McCleneghan is determined to reshape the issue and fundamentally transcend this disconnect between sexuality and spirituality that has left many Christians feeling guilty and sinful Written in her measured non judgmental voice Good Christian Sex combines humorous personal anecdotes with theological research to transform how Christians think and talk about this basic human need offering a new understanding that reconciles human love and religious faith Breaking with outdated conventions McCleneghan explains how the Bible and Christian tradition inform our beliefs about desire pleasure nudity fidelity premarital sex and the variety of sexual practices and encourages Christians to talk about their bodies their sensuality and their longings in a frank positive and realistic way Warm insightful and honest Good Christian Sex is a message of hope that at last lifts the veil of shame felt **Sex for Christians** Lewis B. Smedes, 1994-06-09 Considered one of the definitive statements on by many religious people sex and sexuality from a Christian perspective Sex for Christians offers frank yet compassionate discussion that is at once refreshingly open minded and strongly biblical This edition adds discussions of AIDS and talk of safe sex cohabitation homosexuality and the need to develop Christian strategies regarding sex What Wives Wish their Husbands Knew

about Sex Richard Rupp, Ryan Howes, Stephen Ph. D. Simpson, 2007-04-01 It s an unfortunate reality that many men grow up in churches that suppress their God given sexual urges As a result many Christian men single and married are frustrated with their love lives and their sex lives The authors of this book claim that Christian men should be the greatest lovers in the world and then work to show men how to do it They help men learn what the Bible says about a healthy sex life discover how to relate to women as men instead of as boys address psychological and spiritual issues that interfere with healthy sexuality learn specific techniques that create a strong relationship great foreplay and passionate sex Solidly based in Scripture and informed by the experiences of the authors all respected sex therapists What Wives Wish Their Husbands Knew about Sex dispels the myths that keep good Christian men from experiencing sex as God meant it to be Perfect for any man it is also a great book for counselors and pastors who work with men The Meaning of Sex Dennis P. Hollinger, 2009-06-01 Our culture is not only sex crazed but also deeply confused about sex and sexual ethics Unfortunately Christians seem equally confused and the church has tended to respond with simplistic answers The reason for this confusion is that the meaning of sex has been largely lost Dennis Hollinger argues that there is indeed a God given meaning to sex This meaning found in the Christian worldview provides a framework for a biblical sexual ethic that adequately addresses the many contemporary moral issues The Meaning of Sex provides a good balance between accessible theology and engaging discussion of the practical issues Christians are facing including premarital sex sex within marriage homosexuality reproductive technologies and faithful living in a sex obsessed world **Faith Love and Sex** Somtochukwu Ume, 2012-10 This book is about the three common words we normally say their meaning and their impacts in our daily lives Many Christians use the word faith often but only few truly have it This book will teach you more about faith the application importance and how we can apply it in our daily lives As human beings we need faith to help us stay strong in stormy times Another important topic discussed in this book is love In our world today love is the most common word used We use it mostly on daily basis we understand and define it in so many ways but only few know the true meaning of it I have seen many occasions where a guy will meet a girl for the first time and start prophesying how much love he has for the girl Some people believe in love at first sight I m not against it I know something will get you attracted from somebody before you can make a move but that atraction doesn t mean you love the person is only being close with someone that you will get to develop real love Real love develops is not based on physical attraction Another important word discussed is sex Nobody in this life can tell me he she has never heard of sex Sex is everywhere This book will teach you some things you have to know about sex it is not something you haven t heard of but teachings in biblical way Christian Sex Francis Leeman, 2012-05-31 Christians today find themselves caught between a church that doesn't talk much about sex and a culture that talks about it constantly but which has stripped it of any real meaning After exploring how our culture lost its sexual moorings and how the early church fathers misunderstood sex Francis Leeman paints a biblical picture of the glory of sex and shows how what we share physically is meant to both teach

us about and express what we share relationally With both clarity and vulnerability the author conveys what it looks like for a man and woman to bless each other such that in the end this book about sex is really a book about love Christian Sex also addresses difficult issues couples struggle with as well as questions most people are afraid to ask or talk about At the end of the book there are His Hers Self Assessment Tools to help couples begin to have important conversations about both their marriage and their intimate life Good Sex Martin Buss, Nickie Stipe, 2014-01-13 Good Sex presents sexual ethics in the light of faith Speaking on behalf of Christianity Buss describes love your neighbor as yourself as the only Christian rule it is a positive rule rather than one that focuses on prohibitions Since this call is never fulfilled in practice it is joined by forgiveness for oneself and others More concrete guidelines need to be aided by wisdom which is not specifically Christian Detailed biblical support is provided at the end Stipe a contemporary Pagan advocates respect for all living things and doing no harm as a minimal ethical guide leaving positive prescriptions to individual judgment Buss and Stipe discuss details of sexual ethics in largely positive terms what is good to do but also with a concern for problems that should be avoided They agree in many practical matters just as Christians and Pagans did many years ago before sexual equality became an ideal They discuss various kinds of sex including seeing and being seen touching masturbation and penetration different sexual identities committed and uncommitted relationships including the advisability of extended relations having and raising children abortion and sensuous awareness in a spiritual setting The Bible, Sex, and this Generation Monicque Sharman, 2003-08 Learn What The Bible Really Says About Sex How should Christians view and treat those living in defacto relationships Do men and women today really have to wait until they are married before having sex What happens if they don t Have you ever wondered why Jesus gives an exception for divorce in only one gospel Why were men described as righteous in the Old Testament allowed more than one wife Have you ever pondered how these and other Biblical teachings on sex can be translated into your life today Using Scripture we answer these questions and more in a sensitive yet straightforward way Discover real reasons why couples should stay together for life along with guidance to help those in your influence discontinue hurtful sexual patterns As well as being a must read for parents counselors church leaders and scholars this resource will be valuable for anyone who has ever or will ever have sex Christians in a Sex-Crazed Culture Bill Hybels, 1989-03-01 **Intended for Pleasure** Ed Wheat MD, Gaye Wheat, 2022-01-11 God gave humankind the gift of sex But many couples don t experience the kind of joy and fulfillment God intended If you ve ever been frustrated with a lack of intimacy in your marriage or if you just want to know more about how you can get the most out of your relationship Intended for Pleasure is for you This honest and frank resource will answer your questions about sex and sexuality improving sexual response sex techniques for pregnancy birth control sex at any age solutions for sexual problems and much more All of the questions you ve been afraid to ask or didn t even know to ask are answered right here A perfect gift for newlyweds and a trusted resource for pastors and marriage counselors this classic book has helped more than a million people understand and

enjoy the gift God intended for pleasure **Sex Difference in Christian Theology** Megan K. DeFranza, 2015-05-08 Charts a faithful theological middle course through complex sexual issues How different are men and women When does it matter to us or to God Are male and female the only two options In Sex Difference in Christian Theology Megan DeFranza explores such questions in light of the Bible theology and science Many Christians entrenched in culture wars over sexual ethics are either ignorant of the existence of intersex persons or avoid the inherent challenge they bring to the assumption that everybody is born after the pattern of either Adam or Eve DeFranza argues from a conservative theological standpoint that all people are made in the image of God male female and intersex and that we must listen to and learn from the voices of the intersexed among us Making Sense of Sex Adrian Thatcher, 2012-06-21 All living creatures are sexed Human beings belong to societies where traditions about who can have sex with whom and how and when are centuries old Making sense of sex assumes that there is a rational way of understanding our basic drives But our inevitable failure to get sex right is the beginning of a proper and theological understanding of sex The Christian tradition especially in its conservative forms is often thought to be unhelpful in making sense of sex Christian sexual ethics may seem overly demanding holistic in theory yet sexist and pessimistic in practice Adrian Thatcher argues however that instead of being pessimistic about sex Christians can be grateful realists instead Making Sense of Sex draws on the resources of Liberal Theology to promote a mature union of spirituality and sexuality Exploring topics such as desire bodies and the Body of Christ sexual difference homosexuality marriage and Paul's reflection on flesh and spirit it will help to guide readers towards a spiritual understanding of shared Venus and Virtue Jerry L. Walls, Jeremy Neill, David J. Baggett, 2018-01-30 Venus and Virtue are a match made sexual love in heaven While popular culture often tends to think of Christianity as negative about sexuality and sexual pleasure the fact is that Christians have the best of reasons to joyfully celebrate sex as a gift Unfortunately there is as much confusion about sex in Christian circles as there is in the culture at large The authors of this book believe that this confusion can only be adequately addressed by drawing from the deep wells of biblical truth and traditional theology. The writers however are not only experts in biblical scholarship theology and philosophy but also pastoral ministry counseling pop culture criticism and women's issues This book is not sexy in the typical sense of that word but by situating sexuality within the cosmic drama of biblical revelation the true beauty and goodness of sex most clearly emerges And as that beauty emerges we can begin to see why Christian morality not only makes profound sense but also why it positively enriches the meaning of sex in ways that far outstrip the sexy secular alternative How Should Christians Think about Sex? Christopher Ash,2021-10-06 Why God cares about your sex life Everyone is talking about sex Be true to yourself love whomever and however you want The world claims to be affirming and inclusive But Jesus says to deny yourself Is Christianity repressive In How Should Christians Think about Sex Christopher Ash turns to the Bible to find the wisdom and beauty in God's good design What is marriage What is sexuality for Only God's word makes sense of it all Jesus way is better more liberating and more affirming Experience the

freedom that comes through living not for your own gratification but for God's glory The Ouestions for Restless Minds series applies God's word to today s issues Each short book faces tough questions honestly and clearly so you can think wisely act Sexy Christians Dr. Ted Roberts, Diane Roberts, 2010-03-01 Sexy Christians with conviction and become more like Christ The phrase sounds like an oxymoron but God never intended it to be Sexual fulfillment is in fact God s idea Yet many Christians seem to think the more spiritual they are the less sexual they will be and the more sexual they are the less spiritual they will be Dr Ted and Diane Roberts want to turn this thinking on its head Readers will learn why men and women see sex differently what the greatest approdisiac is and how to avoid the most lethal killer to a great sex life The authors also explore what men s and women s sexual needs are and why they are so different what sex is all about from God s perspective and what the differences are between male and female sexual response cycles End of chapter questions encourage couples to apply the book s principles at home Readers and groups can go a step further with the Sexy Christians Workbook Loaded with additional content this workbook is designed to challenge couples to explore the rewarding work of intimacy What Is the Meaning of Sex? Denny Burk, 2013-10-31 Sex is a big deal And as the spirit of the age moves rapidly away from traditional sexual norms Christians are feeling the pressure to abandon their ancient beliefs to conform to society s evolving views on sexuality and gender Responding to the pressure with conviction and clarity this book spells out the Bible's teaching on sex arguing that the ultimate goal of all human sexuality is the glory of God After outlining key biblical standards and explaining the true purposes for sex procreation pleasure love etc the latter portion of the book explores controversial issues such as homosexuality queer theory and polygamy Firmly rooted in the pages of Scripture this book sets forth a compelling vision of human sexuality that is both soul satisfying and God glorifying Sanctified Sexuality Sandra Glahn, 2020-09-22 Expert biblical and practical advice for handling today s most challenging sexual issues Although modern culture constantly changes its views on sexuality God's design for sexuality remains the same Bringing together twenty five expert contributors in relevant fields of study Gary Barnes and Sandra Glahn address the most important and controversial areas of sexuality that Christians face today From a scriptural perspective and with an irenic tone the contributors address issues such as The theology of the human body Male and female in the Genesis creation accounts Abortion Celibacy Sexuality in marriage Contraception Infertility Cohabitation Divorce and remarriage Same sex attraction Gender dysphoria An ideal handbook for pastors counselors instructors and students Sanctified Sexuality provides solid answers and prudent advice for the many questions Christians encounter on a daily basis **Rethinking Sexuality** Dr. Juli Slattery, 2018-07-24 This ground breaking resource challenges and equips Christians to think and act biblically and compassionately in matters of sexuality Sexual abuse sex addiction gender confusion brokenness and shame plague today s world and people are seeking clarity and hope By contesting long held cultural paradigms this book equips you to see how sexuality is rooted in the broader context of God s heart and His work for us on earth It provides a framework from which to understand the big picture of sexual challenges
