Sex For One The Joy Of Selfloving:

Sex for One Betty Dodson,1996-03-12 The classic guide to fully enjoying the pleasures of self love full of warmth intelligence and informative line drawings from a renowned sex educator featured on Netflix s the goop lab with Gwyneth Paltrow Confronting one of our last and most deeply rooted taboos masturbation noted sex expert and pro sex feminist Betty Dodson Ph D takes the shame out of self love by creating a straightforward and appealing guidebook that reveals masturbation as a satisfying vital form of sexual expression Dr Dodson demonstrates how anyone can learn to make love alone with feelings of guilt or loneliness and explains why masturbation is sexually and spiritually fulfilling for both men and women Not only is it the safest sex but sharing masturbation can also be a sensual treat for couples who want to learn more about each other s sexual responses Sex for One demonstrates that self loving is not just for times in between lovers or for social misfits Masturbation is the joyful and ongoing love affair that each of us has with ourselves throughout childhood adulthood and the golden years of old age **The Joy of Self-Pleasuring** Edward L. Rowan,2010-09-30 Psychiatrist and sex therapist Edward L Rowan M D has written this unique book to encourage us all to come out of the closet Masturbation is surely one of the most common human activities and yet most of us react to the subject with embarrassment Americans are generally so uncomfortable with the topic that former Surgeon General Joycelyn Elders was fired for indiscreetly suggesting in public that high school kids masturbate as a way of avoiding HIV infection Dr Rowan points to the Elders incident as evidence that we are still victims of a negative cultural attitude spawned by the sin and sickness models of early Church fathers and medical practitioners who did not know any better Unfortunately they established a pattern of shame and guilt that is difficult to overcome in spite of our current knowledge Although masturbation is now recognized as a therapeutic tool in addressing sexual dysfunction and problematic arousal patterns Rowan argues that it can be much more Good orgasms whether alone or with a partner provide a sense of well being and personal autonomy Relationships are better when one does not have to depend solely on a partner to make them whole Masturbation is also the safest form of safe sex While masturbation is a universal behavior there are differences in motivation frequency technique and fantasy patterns between men and women Rowan discusses these differences while emphasizing that masturbation can be good sex and should be experienced for pleasure not just as a tension release Our attitudes are due for a change says Dr Rowan and The Joy of Self Pleasuring is designed to promote that change while offering the reader information insight and humor as well

Gender, Pleasure, and Violence Agnieszka

Kościańska, 2021-01-01 Behind the Iron Curtain the politics of sexuality and gender were in many ways more progressive than the West While Polish citizens undoubtedly suffered under the oppressive totalitarianism of socialism abortion was legal clear laws protected victims of rape and it was relatively easy to legally change one's gender In *Gender Pleasure and Violence* Agnieszka Kościańska reveals that sexologists experts such as physicians therapists and educators not only treated patients but also held sex education classes at school published regular columns in the press and authored highly popular sex manuals that sold millions of copies Yet strict gender roles within the home meant that true equality was never fully within reach Drawing on interviews participant observation and archival work Kościańska shares how professions like sexologists defined the notions of sexual pleasure and sexual violence under these sweeping cultural changes By tracing the study of sexual human behavior as it was developed and professionalized in Poland since the 1960s *Gender Pleasure and Violence* explores how the collapse of socialism brought both restrictions in gender rights and new opportunities

At Home with Pornography Jane Juffer, 1998-07-01 Twenty five years after the start of the feminist sex wars pornography remains a flashpoint issue with feminists locked in a familiar argument Are women victims or agents In *At Home with Pornography* Jane Juffer exposes the fruitlessness of this debate and suggests that it has prevented us from realizing women's changing relationship to erotica and porn Over the course of these same twenty five years there has been a proliferation of sexually explicit materials geared toward women made available in increasingly mainstream venues In asking what is the relationship of women to pornography Juffer maintains that we need to stop obsessing over pornography's transgressive aspects and start focusing on the place of porn and erotica in women's everyday lives Where she asks do women routinely find it for how much and how is it circulated and consumed within the home How is this circulation and consumption shaped by the different marketing categories that attempt to distinguish erotica from porn such as women's literary erotica and sexual self help videos for couples *At Home with Pornography* responds to these questions by viewing women's erotica within the context of governmental regulation that attempts to counterpose a dangerous pornography with the sanctity of the home Juffer explores how women's consumption of erotica and porn for their own pleasure can be empowering while still acting to reinforce conservative ideals She shows how for instance the *Victoria's Secret* catalog is able to function as a kind of pornography whose circulation is facilitated both by its reliance on Victorian themes of secrecy and privacy and on its appeals to the selfish pleasures of modern career women In her pursuit to understand what women like and how they get it Juffer delves into adult cable channels erotic literary anthologies sex therapy guides cyberporn masturbation and sex toys showing the varying degrees to which these materials have been domesticated for home consumption Representing the next generation of scholarship on pornography *At Home with Pornography* will transform our understanding of women's everyday sexuality

Sexual Life in Sweden Hans Zetterberg, 2021-10-14 Now available in English Sexual Life in Sweden is a classic piece of sex research by one of Sweden's most distinguished social scientists Sponsored by the Royal Commission on Sex Education more than thirty years ago it remains the only study of sexual behavior in a randomly selected adult population sample ever funded by a government Because an astonishing response rate was achieved 91 percent during the course of Zetterberg's research the claim that Sweden is one of the few countries where generalizations about national sexual behavior can be made may be stated with confidence Zetterberg's study matches the gender of interviewers to that of subjects From a theoretical perspective Zetterberg analyzes the change in Sweden from a restrictive to a contraceptive society The study makes it clear that with over 1 000 acts of intercourse for every live birth 90 percent of sexual activity between consenting adults in modern Sweden does not result simply for procreation Nevertheless the research yields a picture of a highly responsible society Zetterberg explores the emergence of two powerful new norms when having sex you must use contraception and when in an existing sexual relationship you must not start another one He also examines the issue of abortion as part of a concept of social justice The author compares the behavior of those who experience an unwanted pregnancy with those who do not and explains that abortion is seen by Swedes as part of the provision of the welfare and social justice system Included is an examination of the sexual behavior of young people the age of their first sexual experience the circumstances surrounding it

whether positive parental involvement in their children's lives has any influence on their sexual conduct and sex education programs in the schools This translation of Zetterberg's study has been prepared by British sociologist Graham Fennell who also authored a new introduction positioning Zetterberg's work in the history of sex research and comparing its findings with contemporary studies in Scandinavia Western Europe and North America In light of the ongoing controversies about sex education its conclusions remain relevant to policy discussions today

Masturbation in Pop Culture Lauren Rosewarne, 2014-10-15 Through reference to over six hundred scenes from film and television as well as a diverse and cross disciplinary academic bibliography *Masturbation in Pop Culture* investigates the role that masturbation serves within narratives while simultaneously mirroring our complicated relationship with the practice in real life and sparking discussions about a broad range of hot button sexual subjects From sitcoms to horror movies teen comedies to erotic thrillers autoeroticism is easily detected on screen The portrayal however is not a simple one Just as in real life a paradox exists where most of us masturbate and accept it as normal and natural there simultaneously exists a silence about it that we do it but we don't talk about it that we enjoy it but we laugh about it The screen reflects this conflicted relationship It is there hundreds and hundreds of times but it is routinely whispered about mocked and presented as a punchline and is inevitably portrayed as controversial at the very least *Masturbation in Pop Culture* investigates the embarrassment and squeamishness sexiness and inappropriateness of masturbation showcasing and analyzing how our complex off screen relationship is mirrored in film and television

Already Doing It Michael Gill, 2015-03-27 Why is the sexuality of people with intellectual disabilities often deemed risky or inappropriate by teachers parents support staff medical professionals judges and the media Should sexual citizenship depend on IQ Confronting such questions head on *Already Doing It* exposes the sexual ableism that denies the reality of individuals who despite the restrictions they face actively make decisions about their sexual lives Tracing the history of efforts in the United States to limit the sexual freedoms of such persons using methods such as forced sterilization invasive birth control and gender segregated living arrangements Michael Gill demonstrates that these widespread practices stemmed from dominant views of disabled sexuality not least the notion that intellectually disabled women are excessively sexual and fertile while their male counterparts are sexually predatory Analyzing legal discourses sex education materials and news stories going back to the 1970s he shows for example that the intense focus on stranger danger in sex education for intellectually disabled individuals disregards their ability to independently choose activities and sexual partners including nonheterosexual ones who are frequently treated with heightened suspicion He also examines ethical issues surrounding masturbation training that aims to regulate individuals sexual lives challenges the perception that those whose sexuality is controlled or rejected should not reproduce and proposes recognition of the right to become parents for adults with intellectual disabilities A powerfully argued call for sexual and reproductive justice for people with intellectual disabilities *Already Doing It* urges a shift away from the compulsion to manage deviance better known today as harm

reduction because the right to pleasure and intellectual disability are not mutually exclusive In so doing it represents a vital new contribution to the ongoing debate over who in the United States should be allowed to have sex reproduce marry and raise children
