Foreword by Mother Teresa

"I am very happy for this book

Sex God And Marriage:

Sex, God, and Marriage Johann Christoph Arnold, 2008 In *Sex God and Marriage* Arnold addresses the pain resulting from broken relationships and the misuse of sexual intimacy He provides fresh biblical insights into critical issues including the sacredness of sex the struggle against temptation the decision to remain single or to marry child rearing and divorce and remarriage *Sex God and Marriage* offers hope healing and a new beginning to those who have experienced discouragement or failure

God, Sex, and Your Marriage Juli Slattery, 2022-06-07 Many Christian books talk about sexual issues within broader works on marriage but few resources comprehensively and biblically guide couples specifically on sexual intimacy *God Sex and Your Marriage* challenges the common assumptions couples have about sexuality and presents the richer biblical narrative of sex as a metaphor of God's covenant love Dr Juli Slattery applies that biblical framework to the practical challenges in sexual intimacy Godly sexuality extends far beyond sexual purity and calls us to sexual integrity God invites every couple to view their sexual relationship including their greatest struggles as an avenue to learn about the nature of His covenant love It's God's desire to make us more like Himself and sex within marriage is often a powerful training ground for godly character That desire gives purpose and context to addressing pornography healing from past wounds sexual incompatibility pursuing pleasure together and forgiveness

Marriage Christopher Ash, 2005-01-01 The way of a man with a maiden was too wonderful for the writer of Proverbs to understand Preoccupying so many thoughts and dreams the subject of countless songs films and fairy tales the love between a man and a woman has always been a profound and perplexing mystery And yet we do not live happily ever after Four out of ten marriages will end in divorce Couples now choose to live together rather than marry and those relationships are even less likely to last People are having fewer children later and with a succession of partners Ironically just when so much is expected of love Western societies are witnessing lower levels of public commitment in sexual relationships than ever before The scale of this change amounts to a revolution a major historical paradigm shift The statistics mask a depth of pain that every pastor and counsellor knows only too well We must face the inevitable questions if faithfulness is no longer esteemed why get married at all What is marriage What did God intend when he gave us marriage Christopher Ash argues that our modern idolization of the sexual relationship contains within itself the seeds of its own destruction To begin to rebuild a biblical confidence in marriage we need to understand that the primary blessing and purpose of marriage is not sexual intimacy but rather serving God in partnership This in turn leads to the blessings of love friendship children and order in society and will help us to rediscover that faithfulness which is the heart of marriage One of those precious rarities a major piece of biblical scholarship which addresses an issue in today's headlines directly and warmly One to own not to borrow David Field Deeply scholarly extraordinarily thorough and biblically faithful as well as courageously fresh in rethinking the role of marriage in God's intention for human life David Wright Christopher Ash studied at Wycliffe Hall Oxford and then joined the staff at St Andrew the Great Cambridge From there he

headed to a church plant and is now Rector of All Saints Little Shelford He is married to Carolyn and they have four children

Intended for Pleasure Ed Wheat, Gaye Wheat, 1981 In this revised version of his well read book on sexuality in Christian context Dr Wheat identifies the sexual problems people are hesitant to discuss and provides insights and solutions He brings a perfect balance between the theoretical and the practical

Sex and the Marriage Covenant John F. Kippley, 2005 The thesis of this book is that God intends that sexual intercourse should be at least implicitly a renewal of the marriage covenant From this it follows that the marriage covenant provides the criterion to evaluate the morality of every sexual act Thus the title Sex and the Marriage Covenant is an appropriate description of the book s contents Marriage comes into being by a couple unreservedly entering God s covenant of marriage contraceptive intercourse contradicts the very essence of the marriage covenant From these considerations Kippley developed the covenant theology of sexuality described in this book

Sacred Sex Tim Alan Gardner, 2002-05-21 For years Christians have been told that sex is God s creation designed by him as a gift to husbands and wives Yet few couples actually experience sex as a spiritual God ordained experience Rather than admit their lack of fulfillment many couples hide their disappointment and confusion while others attempt to solve the problem through better sexual technique Unfortunately all the advice on improved technique fails to explain the one thing that makes sense of it all Despite the proliferation of resources to enhance sexual satisfaction couples continue to struggle in their sexual relationship In fact author and licensed counselor Tim Gardner estimates that as few as 2 percent of married couples ever experience a truly exciting energizing and soul touching physical bond But now that can change A couple s sexual relationship has a far higher purpose than pleasure or procreation Scripture makes it clear that sex is the one thing on earth that joins two people into one Now readers can learn how to approach marital sex in a way that brings the fulfillment of true oneness Sacred Sex shows how they can experience a beautiful God ordained life of intimacy that blesses them far beyond the bedroom walls serves as an act of worship to God and touches their hearts and souls in ways they never could have imagined

Real Marriage Mark Driscoll, Grace Driscoll, 2013-01-07 Most marriage books assume the author did it right Most marriage books barely mention friendship Most marriage books use intimacy as code for sex This is not one of those books In Real Marriage Pastor Mark Driscoll and his wife Grace share how they have struggled and how they have found healing through the power of the only reliable source the Bible They believe friendship is fundamental to marriage but not easy to maintain So they offer practical advice on how to make your spouse your best friend and keep it that way And they know from experience that sex related issues need to be addressed directly Five chapters are dedicated to answering questions like Should I confess my pre marital sexual sin to my spouse Is it okay to have a work spouse What does the Bible say about masturbation and oral sex Stunningly honest and vulnerable Real Marriage is like a personal counseling session with a couple you cannot surprise you cannot shock into silence who will respond to every question with wisdom humility and realism If you want to have a long lasting fulfilling marriage you should read this book Wrestle with this book Pray over this book Share this book And discover how God can use

it to change your life Endorsements If you re married or plan to be someday do yourself a favor and read every page of this book DRS LES LESLIE PARROTT Founders of RealRelationships com and authors of Love Talk Whether engaged newlywed or veteran Real Marriage will serve as an invaluable resource I highly recommend this book ANDY STANLEY author of The Grace of God and Senior Pastor North Point Community Church One of my greatest concerns is that culture is going to continually define and redefine what marriage is and is not and the church is going to simply sit on the sidelines and react rather than seeking to actually become proactive by confidently teaching what the Bible has to say about it That is why I am so thankful that Mark and Grace Driscoll wrote this book Their approach to marriage its benefits and challenges are transparent and challenging and I honestly believe that every married couple who will work through what they lead us through in this book will not just merely have a marriage that survives in this world but rather thrives in it PERRY NOBLE Senior Pastor NewSpring Church Our thanks to Mark and Grace Driscoll who have served this generation well by tastefully but boldly addressing the real issues facing real marriages Taking the unchanging truth of God s word and sprinkling in is the story of God s mercy in their own marriage they have filled every chapter with real helpfulness This book is powerful biblical practical and healing for marriages that hurt My wife and our adult children read it to great profit DR JAMES MACDONALD Senior Pastor Harvest Bible Chapel and Bible teacher for Walk in the Word
